Learn to Knit Instructions

Casting On

1. Loop the yarn as shown and slip needle under the lower strand of the loop.

2. Tighten the slip knot, leaving the other end approx 4 ins [10 cm] long.

3a, b. Insert the right-hand needle through slip knot and wind yarn over right-hand needle. Pull loop through slip knot.

4. Place new loop on left-hand needle beside first loop [2 stitches (sts) on left-hand needle].

5. Insert right-hand needle between sts on left-hand needle and wind yarn over right-hand needle.

6. Pull loop through. Place this new loop on left-hand needle beside last st.

Repeat (rep) steps 5 and 6 until required number of sts have been cast on.

The Knit Stitch

1. Hold the needle with cast on sts in your left hand with yarn at the back of work. Insert right-hand needle from left to right through the front of the first st on the left-hand needle.

2. Wind yarn over right-hand needle.

3. Draw yarn through this original st which forms a new st.

4. Slip the original st off left-hand needle, keeping new st on right-hand needle.

5. Rep steps 1 to 4 until all sts have been transferred to right-hand needle.

Transfer the needle with sts to your left hand to knit the next row.

The Purl Stitch

1. With yarn at front of work, insert right-hand needle from right to left through front of first st on left-hand needle.

2. Wind yarn over right-hand needle. Pull yarn through st.

3. Slip original st off needle. Rep these steps until all sts have been transferred onto right-hand needle.

Increasing and Decreasing

Increase 1 st in next st by working into front and back of st as follows: Knit st then, before slipping it off needle, twist right-hand needle behind left-hand needle and knit again into back of loop. Slip original st off needle. There are now 2 sts made from original stitch.

K2tog Decrease Knit 2 sts together (tog) through the front of both loops.

P2tog Decrease Purl 2 sts tog through the front of both loops.

Casting Off

Cast off using knit stitch (knitwise) Knit the first 2 sts. *Using left-hand needle, lift first st over

second st and drop it off needle. Knit the next st; rep from * until all sts have been worked and only 1 st remains on the right-hand needle. Cut yarn (leaving enough to sew in end) and thread cut end through st on needle. Draw yarn up firmly to fasten off last st.

Cast off using purl stitch (purlwise) Purl first 2 sts. *Using left-hand needle, lift first st over second st

and drop it off needle. Purl next st; rep from * securing the last st as described above.

Helpful Hints

For best results, be sure to use the yarn recommended in the pattern, and purchase enough of one dye lot to complete your project.

It is a good idea to retain ball bands in case of inquiry. Before you begin to knit, check your tension by making a test swatch and adjusting needle size, if necessary, to obtain the tension quoted in the pattern. Inaccurate tension results in an item too large or too small. Even a variation of half a stitch makes an obvious difference in the finished size.

(Example knit tension swatch shown: 12 sts and 13 rows).
