A Year of Dishcloths

Popular designer Maggie Weldon invited her blog followers to participate in an amazing crochet project—365 dishcloths in a year. Yes, a dishcloth a day for the entire year of 2011! They embraced the challenge and began to submit their entries and compete for cash and prizes. Maggie and her team designed a large number of the cloths; our collection highlights the top 52, credited to the original designers in the challenge. We've categorized our dishcloths according to the season, and we know you'll find many designs that are perfect for your kitchen or gifts for all of your friends and family. Enjoy!
