## Slip Knot

**1** Make a loop, then hook another loop through it.

**2** Tighten gently and slide the knot up to the hook.

## Chain Stitch (ch)

**1** Yarn over hook (yoh) and draw the yarn through to form a new loop without tightening up the previous one.

**2** Repeat to form as many chains as required. Do not count the slip knot as a stitch.

## Slip Stitch (sl st)

This is the shortest crochet stitch and unlike other stitches is not used on its own to produce a fabric. It is used for joining, shaping and where necessary carrying the yarn to another part of the fabric for the next stage.

Insert hook into work (second chain from hook), yarn over and draw the yarn through both the work and loop on hook in one movement.

To join a chain ring with a slip stitch, insert hook into first chain, yarn over and draw through both the work and the yarn on hook in one movement.

## Single Crochet (sc)

**1** Insert the hook into the work (2nd chain from hook on starting chain), \*yarn over hook and draw yarn through the work only.

**2** Yarn over hook again and draw the yarn through both loops on the hook.

**3** 1 sc made. Insert hook into next stitch: repeat from \* in step 1.

## Half Double Crochet (hdc)

**1** Yarn over hook and insert the hook into the work (3rd chain from hook on starting chain).

**2** \*Yarn over hook and draw through the work only.

**3** Yarn over hook again and draw through all three loops on the hook.

**4** 1 hdc made. Yarn over hook, insert hook into next stitch; repeat from step 2.

## Double Crochet (dc)

**1** Yarn over hook and insert the hook into the work (4th chain from hook on starting chain).

**2** \*Yarn over hook and draw through the work only.

**3** Yarn over hook and draw through the first two loops only.

**4** Yarn over hook and draw through the last two loops on the hook.

**5** 1 dc made. Yarn over hook, insert hook into next stitch; repeat from step 2.

## Helpful Hints

For best results, be sure to use the yarn recommended in the pattern, and purchase enough of one dye lot to complete your project. It is a good idea to retain ball bands in case of inquiry.

Before you begin to crochet check your gauge by making a test swatch and adjusting hook sizes, if necessary, to obtain the gauge quoted in the pattern. Inaccurate gauge results in an item too large or too small. Even a variation of half a stitch makes an obvious difference in the finished size.

## Washing Instructions

**Patons Grace:** Hand wash. Dry flat.

### HAND WASHING

Note the measurements of the item before washing. Thoroughly dissolve soap or mild detergent in lukewarm water. Place the item in the suds and squeeze gently. Do not rub or leave to soak. Support the item with your hands as you remove it from the water. Rinse twice in clean, lukewarm water. Remove excess moisture by rolling in a thick towel.

### DRYING FLAT

Do not wring, twist or hang to dry. Lay item on a flat surface away from lights, sunlight and excessive heat. While still damp, gently push item back to its original measurements.
