Materials:

Yarn (worsted weight) 3 colors:

Color 1 (skin)

Color 2 (diaper/onesie)

Color 3 (hat)

Hook size: G

Tapestry needle

9mm safety eyes (or your preferred type of eyes)

Fiberfill (or your preferred type of stuffing)

Embroidery thread, felt (for face and hat)

Felt Glue (optional)

All parts of the doll are made in the spiral, there are no joined rounds. Mark your rounds with a stitch marker or safety pin. Gauge is not important as long as you keep your tension even through the entire piece.

Using a smaller yarn and hook will give you a smaller doll, as well as increasing the size of yarn and hook will give you a bigger doll.

Abbreviations:

st - stitch

sc - single crochet

inc - increase (place 2 stitches in next stitch)

hdc - half double crochet

sc2tog - single crochet 2 stitches together

Lines done in blue are stitches or special directions that are not repeated through out the pattern. Read through pattern before starting.
