Materials:

Yarn: Worsted weight in 2 colors:

Color 1 (head)

Color 2 (stem and leaf)

Fun fur in 1 color:

Color 1 (head, should match worsted weight color 1)

Crochet Hook (Size G)

Tapestry needle

9mm safety eyes (or your preferred type of eyes)

Fiberfill (or your preferred type of stuffing)

Embroidery thread, felt (for face)

Felt glue (optional)

All parts of the head and stem are made in the spiral, there are no joined rounds. Mark your rounds with a stitch marker or safety pin. Gauge is not important as long as you keep your tension even through the entire piece. Using a smaller yarn and hook will give you a smaller doll, as well as increasing the size of yarn and hook will give you a bigger doll.

Abbreviations:

st - stitch

sc - single crochet

inc - increase (place 2 stitches in next stitch)

hdc - half double crochet

dc - double crochet

sc2tog - single crochet 2 stitches together

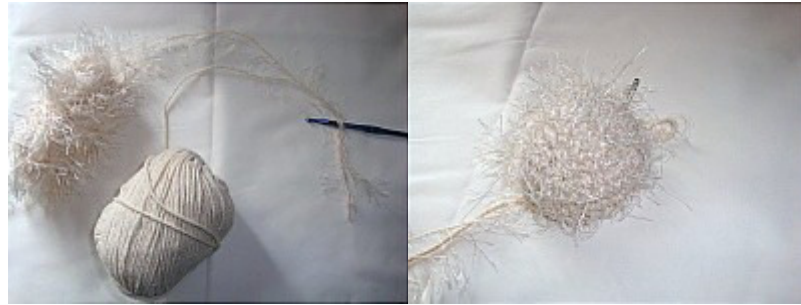

Lines done in blue are stitches or special directions that are not repeated through out the pattern. Read through pattern before starting.

Pattern is for personal use only. Not for retail or commercial purposes without written permission from Amber Jolly.

At this point you may notice that the inside of your ball is furrier then the outside. I choose to turn my ball inside out here so that the furriest part will be on the outside. Use whichever side you like better.

- ☐ Row 10 - 20 stitches - [3 sc, sc2tog] around
- ☐ Row 11 - 15 stitches - [2 sc, sc2tog] around
- ☐ Row 12 - 10 stitches - [1sc, sc2tog] around

Fasten off, weave in ends. Position and attach face, stuff head. Some of the fur may be looped into the worsted weight yarn, making your head not appear as furry as you like. Use a small crochet hook to gently hook and pull the strands of fur up for a better fuzzy look.
