Materials:

Yarn: Worsted weight in 5 colors:

Color 1: (head, backside)

Color 2: (legs)

Color 3: (wing stripe 1)

Color 4: (wing stripe 2)

Color 5: (wing stripe 3)

Fuzzy yarn in 1 color:

Color 6: (abdomen & antennae)

Crochet Hook: Size G

Tapestry needle

Fiberfill (or your preferred type of stuffing)

Felt (for eyes)

Felt glue (optional)

For the fuzzy yarn I suggest something like Moda Dea Dream, Jo-Ann Sensations Angel Hair Yarn, Patons Cha Cha or similar type yarns.

All parts of the moth are made in the spiral, there are no joined rounds. Mark your rounds with a stitch marker or safety pin. Gauge is not important as long as you keep your tension even through the entire piece. Using a smaller yarn and hook will give you a smaller moth, as well as increasing the size of yarn and hook will give you a bigger moth.
