Materials:

Yarn: Worsted weight in 2 colors:

Color 1: (petals)

Color 2: (stem)

Crochet Hook: Size G

Tapestry needle

9mm safety eyes (or your preferred type of eyes)

Fiberfill (or your preferred type of stuffing)

Embroidery thread, felt (for face)

Felt glue (optional)

All parts of the doll are made in the spiral, there are no joined rounds. Mark your rounds with a stitch marker or safety pin. Gauge is not important as long as you keep your tension even through the entire piece. Using a smaller yarn and hook will give you a smaller doll, as well as increasing the size of yarn and hook will give you a bigger doll.

Abbreviations:

st - stitch

sc - single crochet

inc - increase (place 2 stitches in next stitch)

Lines done in blue are stitches or special directions that are not repeated through out the pattern.

Pattern for personal use only. Not for retail or commercial use with out written permission from Amber Jolly.
