Apron Strings Kitchen Towels

Original Designs by Annie Potter

Materials: Models were made using 4ply cotton yarn such as Peaches & Cream or Sugar & Cream. The **cotton yarn** makes the towels very absorbent, but you can use regular 4ply yarn if you wish. Regular 4ply yarn from your scrap bag can be used for trims. **Velcro dots** (or small pieces of velcro) are used to attach one end of strap so apron can hang on knob or bar. **Hot glue** is used for attaching various pieces, or you can tack in place. When using hot glue wash aprons in cold water when laundering and don't put in dryer.
