Weave in ends as work progresses. When changing colors, always keep

yarn to back of work. To change color, draw loop of new color through last 2 loops of last old color stitch.

Untwist yarn halfway through or at end of each row.

Join with slip stitch as indicated unless otherwise stated.

FALLING LEAVES AFGHAN

Design by Rena V. Stevens

Elegant stylized columns of falling leaves make this a vibrant autumn statement piece. The pattern is an easy-to-memorize two-row repeat, which puts this afghan on our must-make list!

Skill Level

1 2 3 4 5 6 INTERMEDIATE

Finished Measurements

42 inches wide x 65 inches long, excluding fringe

Materials

- Lion Brand Hometown super bulky (super chunky) weight acrylic yarn (solids: 5 oz/ 81 yds/142g; prints: 4 oz/64 yds/113g per skein):
 - 5 skeins #172 Oklahoma City green
 - 3 skeins each #159 Madison mustard, #114 Tampa spice and #133 Syracuse orange
 - 5 skeins #219 Norfolk merlot
- Size N/15/10mm crochet hook or size needed to obtain gauge
- Locking stitch markers
- Tapestry needle

Gauge

Across width in pattern: 2 rows = 2½ inches

Gauge is not critical for this project.

Pattern Notes

Simply add or subtract multiples of 4 to or from the base chain for a longer or shorter afghan, changing the finished length by approximately 2½ inches per repeat. Add or subtract repeats of rows 2 and 3 for a wider or narrower afghan, changing width by approximately 4 inches.

To avoid joining a new skein mid-row, buy one extra skein for each color except Norfolk merlot. Because of its shorter yardage, each of the 4 rows of Norfolk merlot may need to join only a bit of new skein before the

end of the row. The possible shortfall per row, plus the yardage needed for fringe, is the reason you will need to buy 5 skeins of this color.

Since both pattern rows are worked similarly, do a quick check after each row to make sure leaves are all slanted in the correct direction. Afghan is worked lengthwise from right to left edge in one piece. Leave 7-inch ends to be incorporated into fringe when joining and fastening off colors.

Join by inserting hook in indicated stitch, placing slip knot on hook and pulling loop through.

Chain-5 at beginning of row counts as first treble crochet.

Special Stitch

Leaf: Yo 3 times, insert hook in st as indicated, yo, pull up lp, [yo, draw through 2 lps on hook] 3 times, yo, draw through all lps on hook.

Color Sequence

Oklahoma City green, Madison mustard, Tampa spice, Syracuse orange and Norfolk merlot.

Next rows: [Rep rows 2 and 3 alternately] through 21 rows or 10½ leaf panels made, ending last rep with Oklahoma green.

Last row: Rep row 2. Fasten off.

Fringe

Cut 4 13-inch strands of matching color. For each knot of Fringe, holding all stands tog as 1, fold in half. Insert hook from RS in st, pull fold through, pull ends through fold, including yarn ends, pull ends to tighten knot.

Working across each short end of afghan, place one fringe in each row, 2 fringe per leaf panel. Trim ends evenly. ❖

CHANGING LEAVES COWL

Design by Andee Graves

A fun-to-crochet four-row pattern repeat creates visual texture in this design that echoes the shape of leaves.

Worked in four different warm, autumnal colors, it makes for an ideal accessory to chase off the chill.

Skill Level

Finished Measurements

9 inches tall x 24 inches in circumference

Materials

- Berroco Ultra Wool medium (worsted) weight superwash wool yarn (3½ oz/219 yds/100g per skein):
1 skein each #3312 butter, #3329 butternut, #3336 nasturtium and #3355 Juliet
- Size I/9/5.5mm crochet hook or size needed to obtain gauge

Weave in ends as work progresses.

FALL TAPESTRY

Design by Crocheted by Cora

Hang this decorative tapestry on your wall to remind you of the beauty and the many colors of fall.

Skill Level

1 2 3 4 5 6 EASY

Finished Measurements

12 inches wide x 15½ inches long

Materials

- Red Heart Super Saver Stripes medium (worsted) weight acrylic yarn (5 oz/236 yds/141g per skein):
2 skeins #4961 preppy stripe
- Red Heart Super Saver Solid medium (worsted) weight acrylic yarn (7 oz/364 yds/198g per skein):
1 skein each #365 coffee and #313 Aran
- Size G/6/4mm crochet hook or size needed to obtain gauge
- Tapestry needle
- 13-inch wood dowel
- Glue

Gauge

11 sc = 2 inches; 11 rows = 2 inches

Pattern Notes

To change color, work last stitch before color change to last 2 loops

on hook, drop current color, pick up next color, yarn over and draw through both loops.

Cut colored yarn each time you reach coffee unless otherwise stated.

Do not cut coffee when starting colored yarn each time; pull up to next row each time needed unless otherwise stated.

When crocheting the word Fall it is not necessary to cut Aran after Aran stitches. When needed again, pull yarn across back.

Separate colors in skeins of preppy stripe into 9 different-colored sections as follows:

dark pink, pink, light pink, orange, dark orange, gold, yellow green,

pickle green and forest green.

Make sure to look very closely at dark pink because color gradually gets a little lighter toward the end. It can be hard to tell the difference between pink and light pink; make sure to look very closely. Discard darkest green.

Tapestry

Row 1: With dark pink, ch 63, sk first ch, sc in each ch across, following **Chart** (see *Chart, Pattern Notes and Stitch Guide for color changing*), turn. (62 sc)

Rows 2–72: Ch 1, sc in each st following Chart, turn.

Rows 73–77: Continuing with pickle green, ch 1, sc in each st, turn.

Rows 78–88: With forest green, ch 1, sc in each st, ch 60, sl st in last st of row.

Fasten off, leaving a long tail.

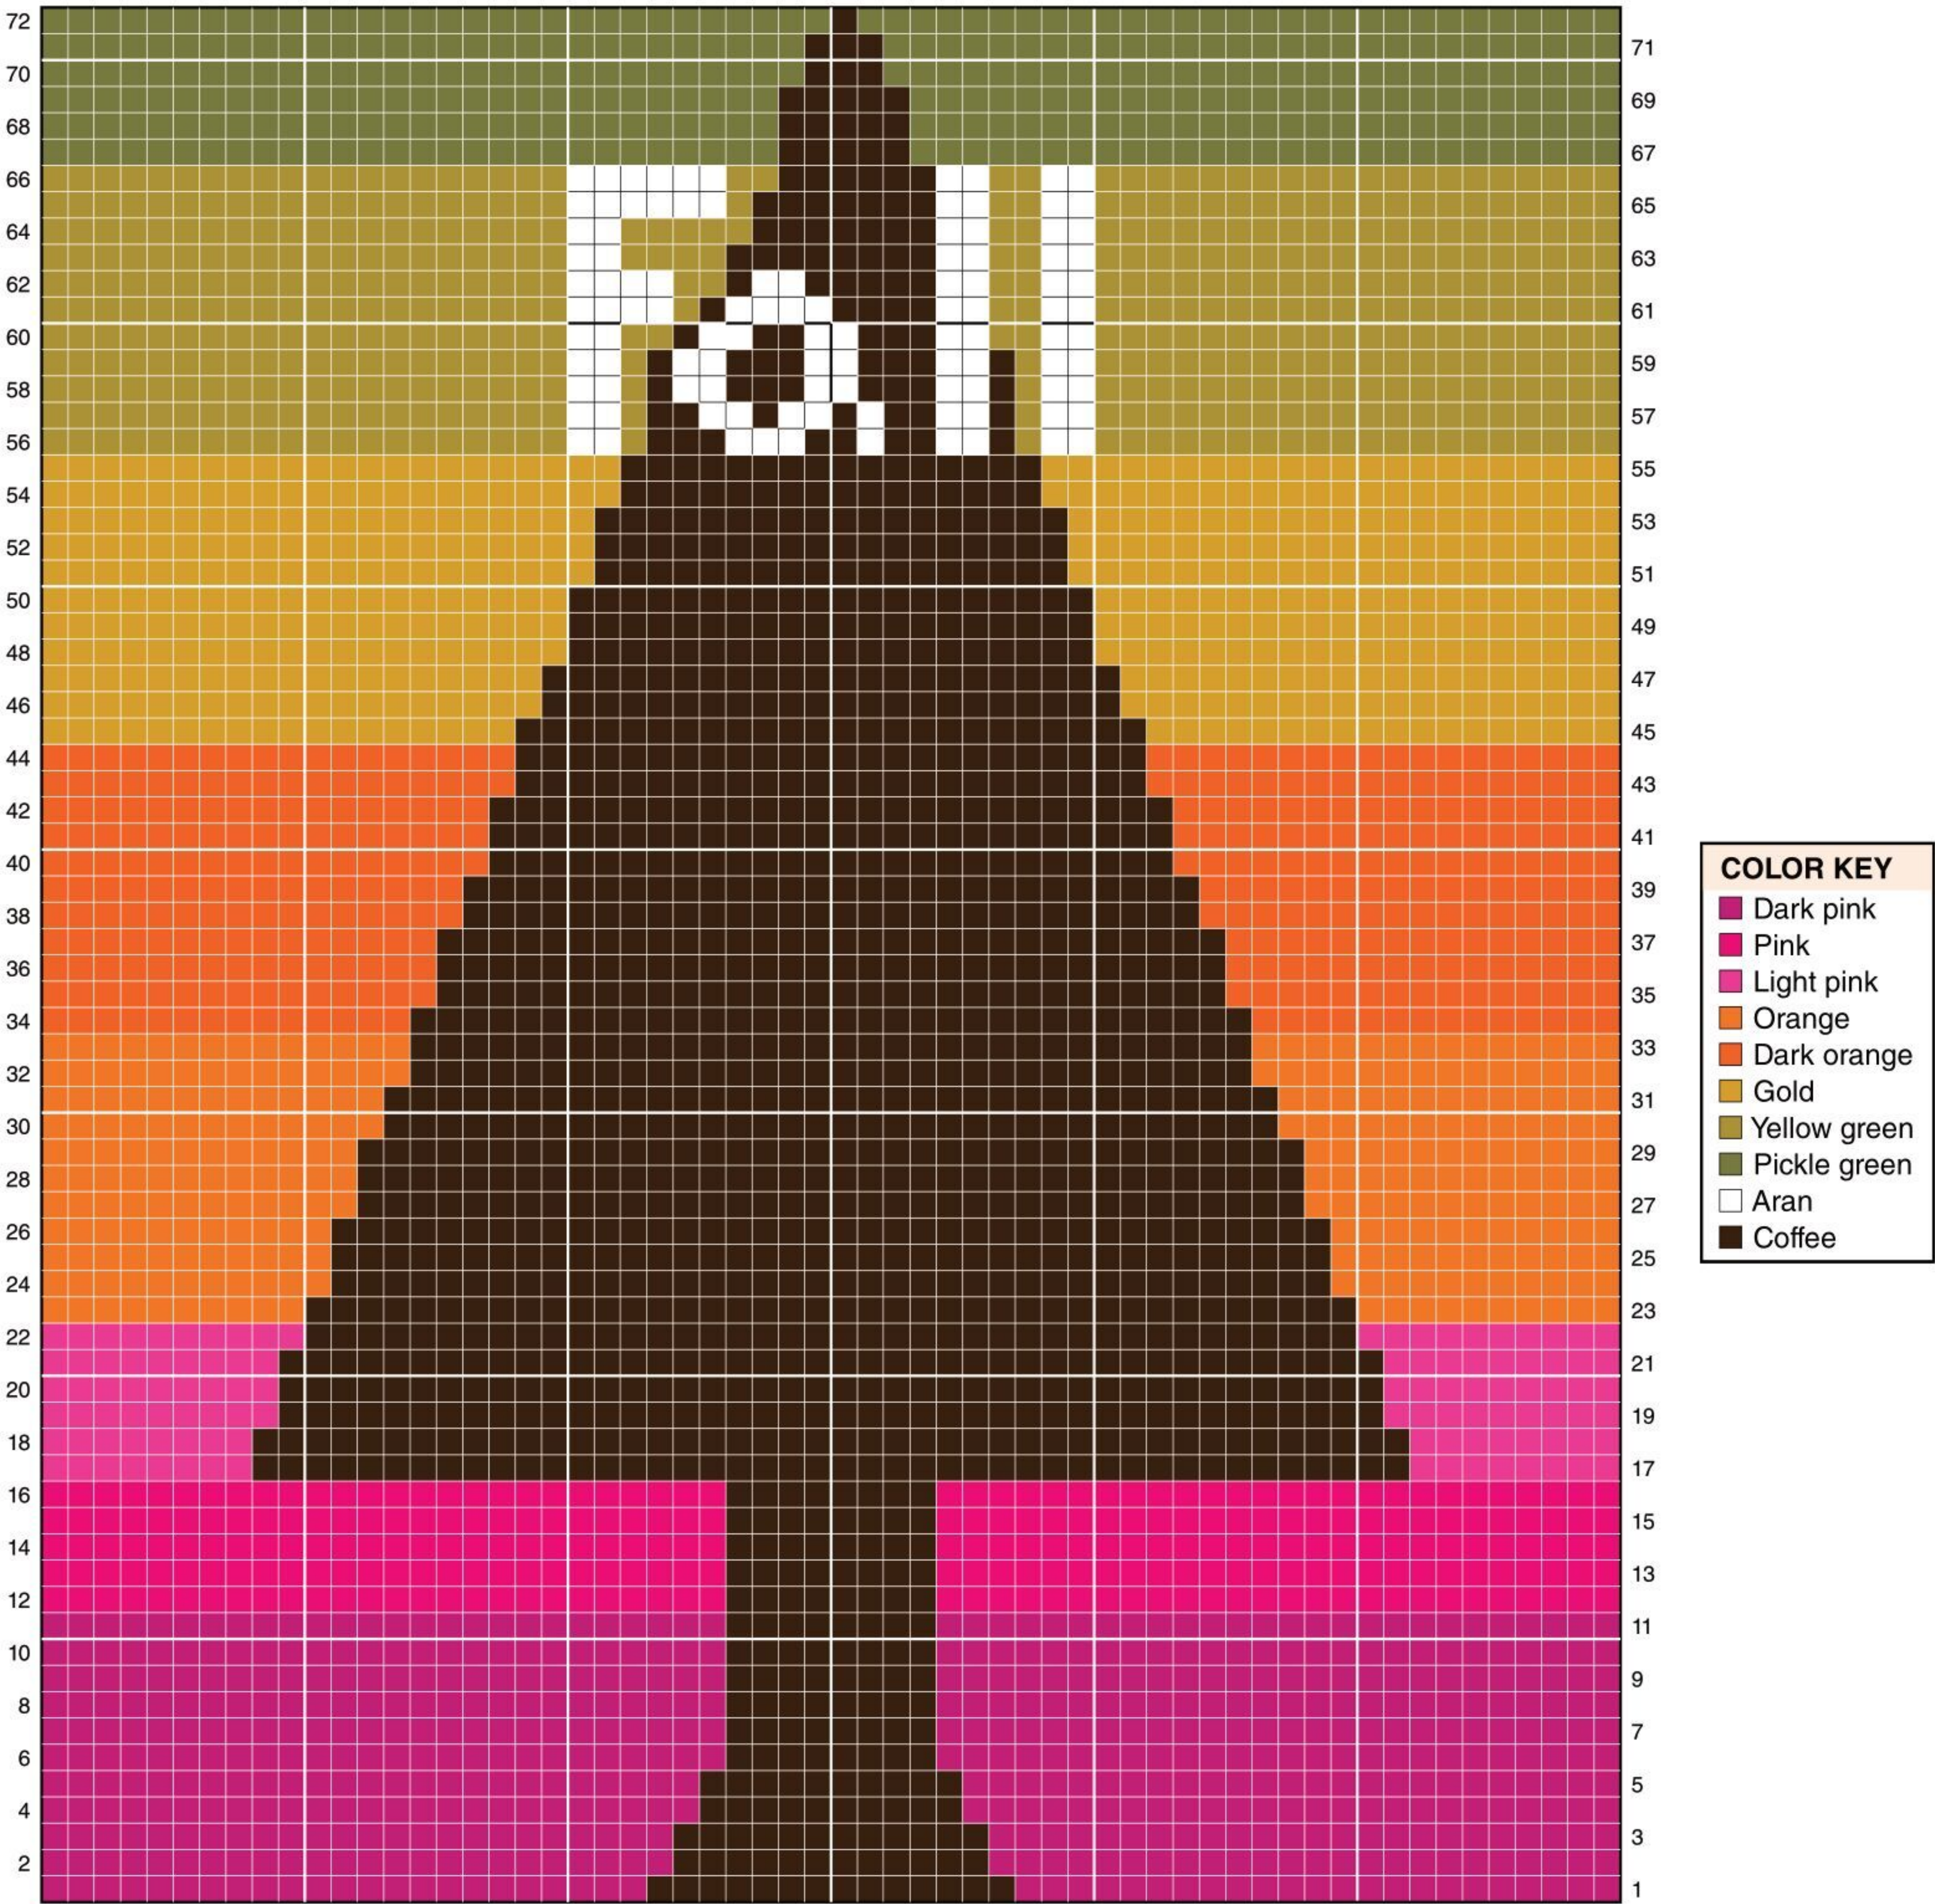

Finishing

Tie ends of yarn tog and hide them in back of project. Block project using wet blocking or cold blocking methods.

Using long tail of forest green, attach dowel to top of tapestry by looping

around dowel every 4th st and leaving ½ inch of wood at each end of dowel.

Spread glue on last lp on each end of dowel to secure. ✿

Rnd 1: With size F hook and black, work 6 sc in slip ring. (6 sc)

Rnd 2: 2 sc in each sc around, join in beg sc, leaving 8-inch length, fasten off. (12 sc)

Assembly

Optional: Use straight pins to attach Eyes, Beak, Ears and Wings prior to stitching them down so you can view placement.

Using photo as a guide, sew Pupil slightly off center to Outer Eye. Sew pearl bead to each Pupil to upper left edge centered in the sc of rnd 2. Since the back of the Outer Eye will not be seen, be sure to knot your thread securely at the back, and add a dab of liquid seam sealant or fabric glue to prevent it from coming untied.

Sew eyes to Head with the outer top edge of the Outer Eye over rnd 5 of the Head and the very bottom of the eye over rnd 10. The eyes should

just touch at center of the face. Each pupil should appear to be looking up and to the left.

Sew Beak to the face just under the eyes. The top edges should very nearly touch the edge of each eye.

Sew each Ear to side of the Head with the upper edge of each Ear over rnd 4 of Head. There should be 1 sc width between outer edge of the eye and the Ear.

Fold each Wing flat. It will naturally become slightly curved. Position each Wing on the Body with the top tilted forward slightly so that the tip faces backward (*rnd 19*). The tip of each Wing (*rnd 1*) will be even with rnd 15 of Head. When stitching the Wings to the body, place your stitching about ¼ inch from the outer edges of the Wings and follow the sc pattern so your sts will not be visible from the outside. St from top of each Wing down the side at the front of the Body, stopping at rnd 11 of Wing. Sew across the Wing (*leaving the tip unsewn*) to the back of the Body. St up other side of Wing at the back of the Body to top. Leaving the tips of the Wings unsewn allows you to curl them up with your fingers giving them a whimsical shape.

Sew the Feet to bottom of Owl with narrow ends slightly turned toward center and just slightly to back of the final rnd. ✻
