TAKE YOUR TIME with these next rows!

Row 32: sc in 1st 22 sc, (ch20, sc in 2nd ch from hook and last 18 ch), sc in next 4 sc, (ch20, sc in 2nd ch from hook and last 18 ch), sc in last 22 sc, turn (86)

Row 34: working up the side now, 3sc in 1st st (you'll need to make 1 stitch per row/side of row), sc in next 20 sts, switch to Gold ending Delft Blue for now, sc in next 12 sts, (working across Row 1) 3sc in next st, sc in next 19 sts, (working down other side) 3sc in 1st st, sc in next 11 sts, switch back to Delft Blue ending Gold, sc in next 20 sts, 2sc in last st, join w/sl st in 1st sc on Row 33, F/O (93) hide any extra yarn, by weaving ends into jacket.

Now wrap the jacket around the body/head, folding the gold part down. It's really hard to explain where exactly to sew the jacket on but I'll do my best... What I did is pinned it in place, then with a 12" piece of Delft Blue I sewed the front closed, leaving the bottom 3 rows open and NOT sewn together. (I even sewed through to the body to pin the jacket to the body. Next with my extra yarn I pinned

the back/top of the jacket (the top of the folded part) to the back of the head, everything else is loose. Refer to pictures:

Row 3: sc 1st 2 sc, sc dec last 2 sc tog, F/O (3) hide extra yarn.

Make both hat pieces before continuing...

Hat Preparation:

Using a scrap color of yarn, color doesn't matter

Wrap your hand, or anything about 3" wide, NUMEROUS times, cut your yarn in about 3" pieces. You'll want about 30 or more of these. Set them to the side for now...

Side of Hat:

Using Delft Blue

Row 1: ch101, sc in 2nd ch from hook and last 99 ch, turn (100)

Rows 2-4: (sc in each sc), across, turn (100) **do NOT F/O**, just give your yarn some slack so you don't unravel your piece when you do the next steps.

Starting at one end of the "side of hat", pin your first sc to the bottom of the hat side, 8 sc, in/under, from the bottom edge, using one of your scrap pieces tie these stitches together, I didn't tie it in a knot, I just tied it once. Move over from that tie the side of hat (to the bottom corner of the side of hat), just keep going around doing this, pinning the two hat pieces together. When I got to the other bottom side of my hat I was off and not 8 sc under my hat so I had to loosen my ties and move it around to make it work... (I really

hope this is making sense, this is very hard to explain...) You're trying to match stitch for stitch. Now repeat these steps with the others side of the hat. Once you're happy with the way the hat looks you can pick up from where you ended on your last Row 4 of the "Side of Hat". Sl st the sides together, around the edge of the hat. When you get to the end F/O, join w/sl st on the other edge and repeat the sl st around.

Stuff the hat, do NOT overstuff. Now place the hat on the head. Pin the front of the hat directly above the eyes and directly above the collar of the jacket on the sides and back. If you're happy with the placement use a 10" piece of Delft Blue and sew the hat to the head. Refer to picture:

Eyebrow: (Make 2)

Using White

Ch6, sl st in 2nd ch from hook, sc in next ch, hdc in next ch, sc in next ch, sl st in last ch, F/O (5) leave 6" to sew eyebrow to hat. Sew the eyebrow to the hat, directly above the eyes. Refer to picture:

Top of Hat Accent:

Using Gold

(ch7, sl st in 2nd ch from hook, sc in next ch, hdc in next 2 ch, sc in next ch, sl st in last ch)3x, F/O (3 spikes) leave 4" tie the two ends

together, now sew Top of Hat Accent piece to the top of the hat.
Refer to picture:

Big C:

Using Gold

Ch16, 2sc in 2nd ch from hook and last 14 ch, F/O (30) you can either hide extra yarn and glue the Big C to the front of the hat (that's what I did) using a hot glue gun or leave 15" to sew the Big C to the front of the hat, your choice.

Finishing:

Using Black

I used my straight pins to outline the mouth before I stitched it on. Using a 6" piece of Black add the mouth line using a simple in-and-out stitch.

That's all there is! I hope you've enjoyed my version of Capt. Crunch. I know I have! Have a great one!
