## **What you need:**

Yarn Bee Baby's First Bulky

Colors: Fairy Tale and Pixie Dust (cream and pink)

You can also use a worsted weight yarn in exchange (such as vanna's choice or red heart).

Gauge:

4inches =11 stitches and 13 rows.

How to check gauge swatch:

Get a tape measure and crochet a chain a lil over 4 inches.

Sc in the first ch from hook and across.

At the end of the row ch 1 and sc back across.

Do this until your swatch is right at 4 inches long.

Count how many stitches you have across.

Count how many rows you have up and down.

That is how you determine your gauge.

Please check gauge.

This line is approx 4 inches. Use it to see if your gauge matches up with

mine so that your item fits to the same dimensions as written. If yours is SMALLER, use a larger hook. If it is LARGER, use a smaller hook.
