Now with that in mind... sew the neck to the head using a 10" piece of Soft White. Starting at the back of the neck, sew the back of the neck to the head around rnd 10 or 11 on head, working around to the front of the neck, the front of the neck you need 3 rnds folded in, so you will actually be sewing rnd 4 of the front of the neck to the head.

You will be sewing the front of the neck to the back of the jaw. There is no easy directions for this step. You might find it easier to pin the body and head tog 1st. Refer to pictures for more help:
