If you need assistance with any of these stitches, please view stitch guide at

http://www.anniesattic.com/crochet/content.html?type_id=S for further assistance and visual aids.

Pattern is written in a manner which also displays the easiest way to assemble, creating all pieces for head and assembly, then all pieces for body and assembly - then sewing body to head. For best results, use long straight pins to position your cat's features BEFORE permanently securing any pieces.

Stuff piece as you work for best results, I do not provide “stuff here” notations within the pattern. Do not over stuff your piece!!
