Coffe Cozy

I like a light weight cotton for this pattern, that way I can toss it in the wash and not worry about it...

This pattern is worked in a continuous spiral and works up in 1 hour or less depending on skill level. That means you can make one to coordinate with each of your favorite brands!

Gauge: 12 SC = 3 in. (sport weight yarn, size F hook)

Make Bobble (MB)= *YO, insert hook into stitch YO and pull loop through* repeat* 4 more times, YO pull loop through all stitches on hook.
