The hibiscus makes the look!

Let's all dance together.

Santa Girl

The white fluffy trim and the belt define this dress. Add a big Santa hat and lace-up boots to complete this cute Santa!

The hat looks cute when it's on the large side.

Oooh, isn't it cold!

Isn't the belt stylish?

How to Make an Amigurumi Doll (Amelie)

Wool (For the body)

Piccolo #45 (light orange) 18g,
#21 (brown) 4g [for Mako, use #17 (dark brown) 4g],
#1 (white) 2g
(For hair strands)
Tino #13 (brown) 7g [for Mako, use #14 (dark brown) 5g]
(For embroidered hair)

Tino #13 (brown) 2g

Tools Crochet hook size B-1 (2.25 mm), darning needle

Other Oval safety eyes (6.5 mm) x 2, eye pin (0.7 x 40 mm) x 2,
wool batting or fiberfill 15g, tweezers, fine millinery wire
19½" (50 cm), small amount of cellophane tape, small
amount of blush, glue, scissors, cotton swab x 1

Instructions

1 Crochet each part as per the diagram, starting from the first stitch in the center of the ring. For all parts except the head, leave approximately 12" (30 cm) of yarn when the part is complete. For the head, once the 20th row is complete, turn the work inside out to continue crocheting

2 Pack the head and torso with stuffing and use a darning needle to join them together, using overcast stitch. Once there is about ⅓

remaining, pack stuffing firmly into the neck as well before finishing stitching.

3 Cut wire to 12" (30 cm) for the legs and 8" (20 cm) for the arms, and pass through the torso at the 3rd row of stitches (for the legs) and the 15th row (for the arms).

4 Twist the ends of both lengths of wire and secure them with cellophane tape.

5 Fit the arms and legs onto the wire and pack them with stuffing, using overcast stitch to join them to the body.

6 Sew the ears on.

7 Prepare 156 strands of yarn 12" (30 cm) long (for Mako, 8" [20 cm] long). Attach them to the brown parts of the head as if attaching fringing. (Or as if doing embroidery, depending on the doll)

8 Trim hair to neaten it to the one length.

9 Apply glue to the eyes and set them into the face.

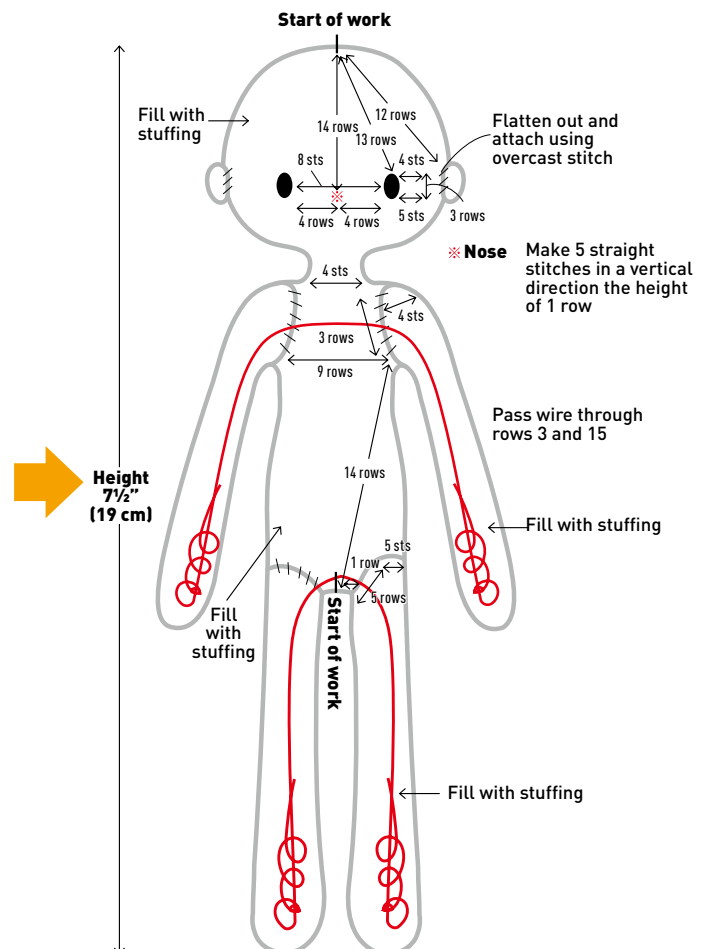

10 Embroider the nose.

11 Use a cotton swab to lightly apply blush to the cheeks.

12 Adjust the contours of the face.

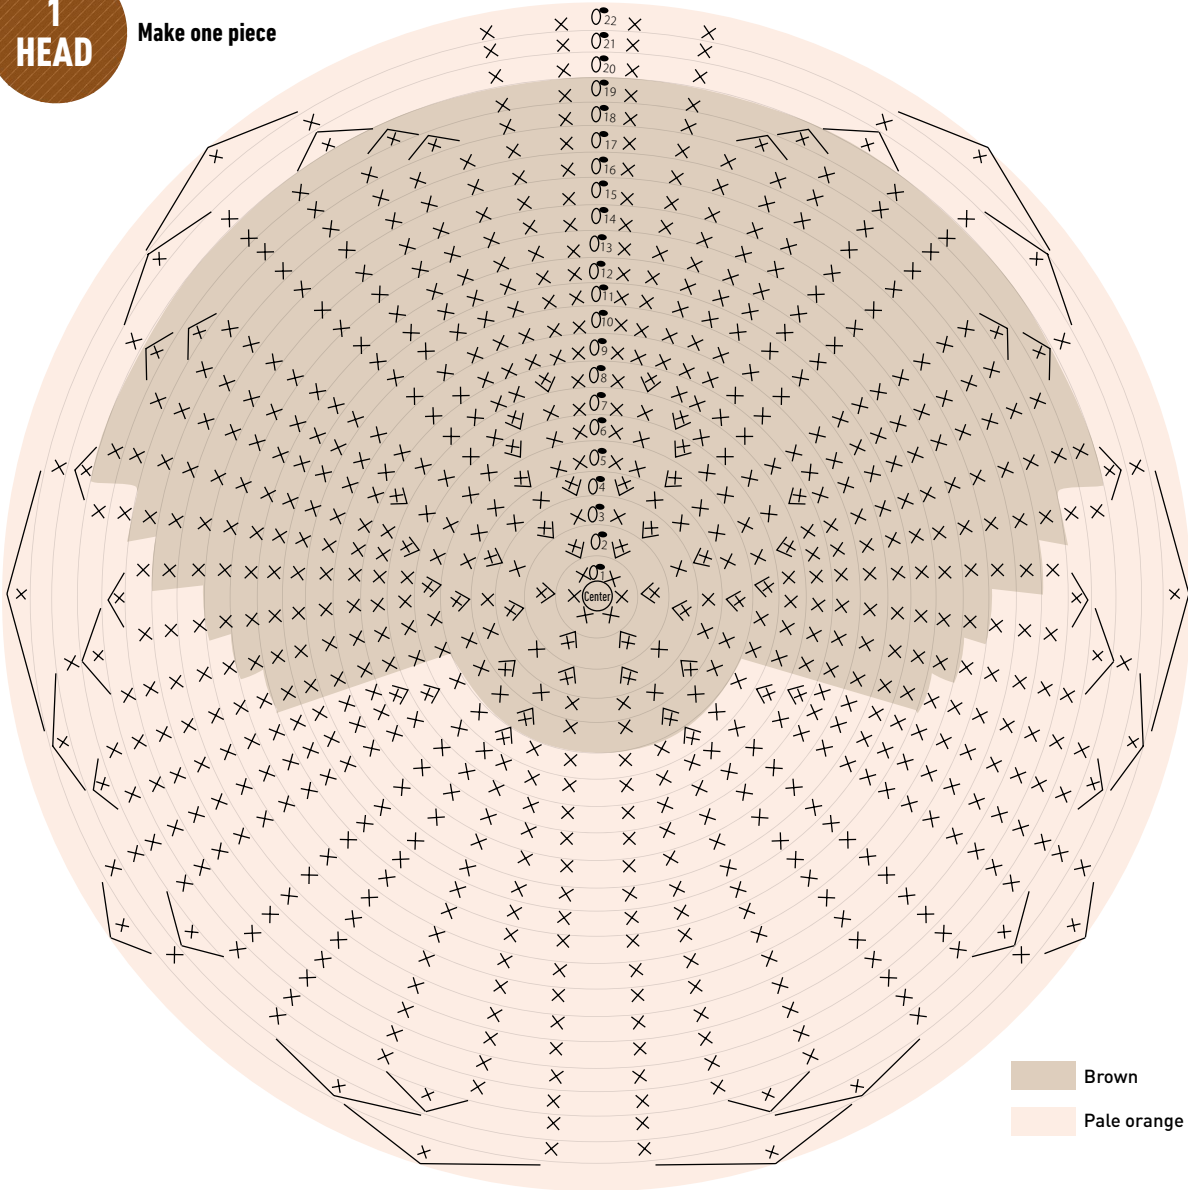

*The crochet charts for each body part are on page 50.

 Attach yarn

Throughout

Making the Head

01 Wind brown yarn twice around the index finger of your left hand and create a loop.

02 Remove the loop from your finger.

03 Hold the loop between the middle finger and thumb of your left hand with the yarn over the index finger. Insert the hook into the loop and yarn over.

04 Draw up a loop and yarn over.

05 Draw up a loop. This forms the turning chain.

06 Insert hook into the loop, yarn over the hook and draw up a loop. Yarn over the hook again and draw through the two loops on the hook to form a single crochet stitch.

07 Repeat step 6 to make six single crochet stitches in the loop.

08 Insert hook into the loop and draw the short end of the yarn through to pull the loop firmly closed.

09 Insert hook into the first single crochet stitch.

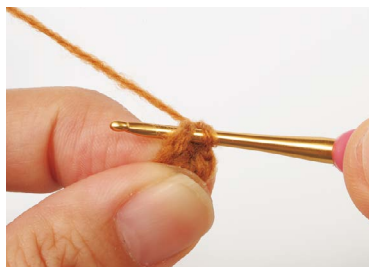

10 Yarn over the hook.

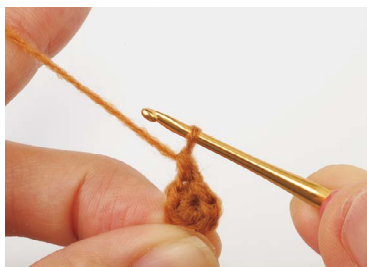

11 Draw through the two loops. This completes the first row.

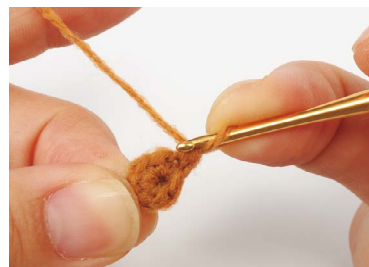

12 Make a turning chain for the second row.

13 Insert hook into the top of the first stitch in the previous row.

14 Make a single crochet.

15 Insert hook into the same stitch.

16 Make a single crochet. You have now made two single crochet stitches.

17 Repeat steps 13–16 five times, making a slip stitch to complete the second row.

18 Crochet as per the diagram from the third row until the 11th stitch of the sixth row. When pulling the yarn through the 12th single crochet stitch, change to the light orange color yarn.

19 Draw the light orange colored yarn through.

20 Leave the brown yarn loose in front.

21 Use light orange yarn to crochet from the 13th–23rd stitch.

22 On the last step of the 24th single crochet, yarn over with brown yarn.

23 Draw through two loops.

24 Place the light orange yarn on the back side of the work and work the 25th stitch.

25 Use the brown yarn to crochet over the light orange yarn as you work around.

26 Crochet as per the diagram until the 17th row.

27 From the 18th row, decrease single crochet stitches as per the chart.

28 To decrease, insert hook into top of single crochet stitch from previous row, yarn over and draw up a loop. Insert hook into top of next stitch, yarn over and draw up a loop.

29 Yarn over and draw through all three loops on hook.

30 As per the diagram, crochet until the 21st row, then turn opening of the work back on itself...

31 ...to bring the inside out.

32 Crochet the 22nd row to complete the head.

Making the Torso

33 Use white yarn to crochet until the 27th stitch of the seventh row as per the diagram.

34 When drawing through the yarn on the 28th single crochet stitch, change to the light orange color.

35 Using the light orange yarn, make a slip stitch to create a turning chain in the eighth row.

36 Crochet until the 20th row as per the diagram.

37 This completes the torso. Trim remaining yarn to about 12" (30 cm) as it will be needed to join the torso to the body.

Inserting Stuffing/Joining the Head and Torso

38 Take a small amount of stuffing and use tweezers to insert into the head.

39 Pack the stuffing in firmly so no gaps remain inside the head.

40 Stuff the torso firmly also. Thread the remaining yarn onto a darning needle and stitch torso to head.

41 When there is about $\frac{1}{3}$ still unsewn, pause stitching.

42 Pack stuffing into the neck area of the torso so that the head doesn't wobble.

43 Pack stuffing into the neck area of the torso so that the head doesn't wobble.

44 Stitch the remaining section together.

45 The head and torso stitched together. Follow the diagrams to make the limbs and ears.

Joining the Remaining Parts

46 Use a large darning needle to create a hole in the 15th row of the torso through which to pass the wire.

47 Pass a 8" (20 cm) length of wire little by little through the hole.

48 Pass it all the way through.

49 In the same way, pass a 12" (30 cm) length of millinery wire through the third row of the torso.

50 Bend back about 1 5/8" (4 cm) of the ends of the wire and cover them with cellophane tape.

51 Insert stuffing into the left arm.

52 Work the left arm on over the wire.

53 Use a darning needle to attach the arm to the torso half way, insert more stuffing where necessary and sew the remaining section.

54 Stuff the right arm and attach it to the torso in the same way. Position the built up parts of the legs towards the back of the torso and use overcast stitch to attach in the same manner as the arms. This completes the body of the doll.

Attach the Ears

55 Fold ear in half and place on the position indicated on the head.

56 Flatten the ear and use a darning needle to sew the folded edges onto the head with overcast stitch.

57 Sew the other ear onto the head in the same way.

Hair Type A (Implanted Hair)

58 Cut brown yarn (Tino) to about 12" (30 cm) [for Mako, 8" (20 cm)] and fold in half. Use crochet hook to pull through the first row on the head.

59 Pass yarn through the loop.

60 Pull the yarn firmly.

61 Attach yarn for all six stitches in the first row in the same way.

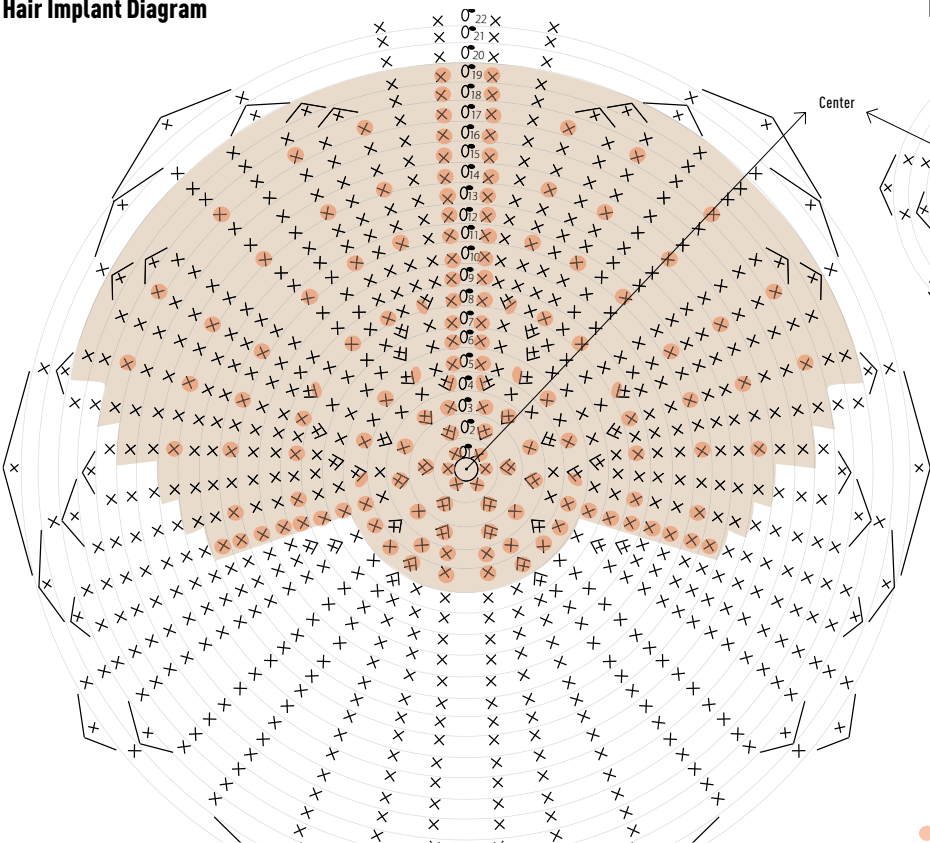

62 Follow the hair implant diagram to attach yarn in the same way over the head.

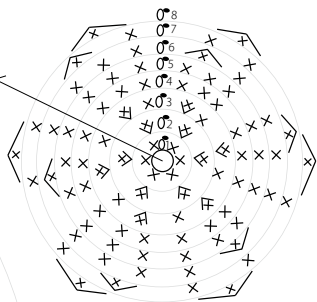

63 Add extra yarn in places if needed to achieve desired volume.

● Positioning of hair for implanting

Hair Type B (Embroidered)

64 Take four 47¼" (120 cm) strands of brown wool and pass them through a darning needle.

65 Pass the needle through the hairline.

66 Bring the yarn up to the crown of the head.

67 Bring the needle out through the first stitch and back down to the hairline.

68 Bring the needle out through the first stitch...

69 ...and back to the hairline. Repeat, passing the yarn from the top of the head to the hairline and back.

Making a Bun *Crochet diagram is on page 57

70 Add yarn to repeat steps 64–59 until the entire head is completely covered in yarn.

71 Create the bun as per the crochet diagram, trimming the yarn to about 12" (30 cm) when finished. Apply glue to the end of an eye pin bent in half and insert stuffing into the bun.

72 Firmly pack more stuffing into the bun.

73 Thread a darning needle with the left-over yarn and insert the needle working from the center out to close up the stitches in the eighth row. Repeat to close up the six stitches.

74 Pull the yarn firmly.

75 Pass yarn through the hole in the eye pin several times to fasten it to the opening of the work.

76 Thread a darning needle with a length of yarn $23\frac{3}{4}$ " (60 cm) long, doubled.

77 Bring the yarn out at the opening of the bun (top).

78 Pass yarn from top to bottom and back again until the entire bun is covered.

79 The bun is complete when the crochet is covered in stitches and can no longer be seen.

80 Poke onto the top of the head to create a bun hairstyle, or make two if attaching to both sides of the head. Use glue if necessary.

Making A Ponytail (Bundle Of Hair) *The Length And Volume is Up to You

81 Wind yarn around three fingers approximately 35 times. Cut yarn.

82 Remove the bundle of yarn from fingers and pass a strand of yarn through one end of the loop formed to tie it together. Cut through the other ends.

83 Trim to desired length to complete the bundle of hair. If making pigtails, create two bundles. When attaching to head, pass yarn through the crocheted stitches at the desired position and tie in place.

Making Bangs

84 Pass yarn through hairline section and insert darning needle at the forehead,

“Books to Span the East and West”

Tuttle Publishing was founded in 1832 in the
small New England town of Rutland, Vermont
(USA). Our core values remain as strong today as
they were then—to publish best-in-class books
which bring people together one page at a time.
In 1948, we established a publishing office in
Japan—and Tuttle is now a leader in publishing
English-language books about the arts, languages
and cultures of Asia. The world has become a
much smaller place today and Asia’s economic
and cultural influence has grown. Yet the need
for meaningful dialogue and information about
this diverse region has never been greater. Over
the past seven decades, Tuttle has published
thousands of books on subjects ranging from
martial arts and paper crafts to language
learning and literature—and our talented authors,
illustrators, designers and photographers have
won many prestigious awards. We welcome you
to explore the wealth of information available on
Asia at **www.tuttlepublishing.com**

Adorable sisters Amelie and Mako and their cute teddy bear Marron invite you to join in the fun! This book has complete crochet instructions for three Amigurumi dolls with 63 exciting wardrobe items for them to wear, including:

- Delightful outfits for ballet class, cheerleading and more
- Stylish boaters, beanies, berets and other headgear
- An assortment of bags, shoes, belts, boots and charming props
- And many more, for hours of fashion-forward playtime!
