Meet the Designer

Janet

Renfeldt

Janet Renfeldt, a professional designer and author, learned to crochet from her talented German grandmother when she was seven years old. Today she and her mother run a small business where they design patterns for both crochet and knit.

Janet and her husband, Brian, have been married 12 years and are relocating to a new home in Wisconsin. Janet works very hard creating beautiful patterns, teaching crochet and knit techniques and writing articles but tries to find time for her favorite pastime of reading and working crossword puzzles.
