

A woman with curly brown hair is shown from the back, wearing a blue crocheted dress with a high collar and long sleeves. She is also wearing a pearl necklace. The dress features intricate lace-like patterns and a small tassel at the waist. The background is a plain, light-colored wall.

Acknowledgments

This book represents the talents and hard work of many people. The photography is breathtaking, and I wish to thank photographer Joe Hancock, as well as stylists Carol Beaver (wardrobe) and Kathy MacKay (hair and makeup), for their incredible talent. I wish to thank everyone at Interweave, especially Tricia Waddell for believing in my ideas, Katrina Loving for incredible attention to detail, and Jaime Guthals for enthusiasm and positive energy! Finally, thank you to Shiri Mor and Karen Manthey for their impeccable technical skills!

*To Marlon, my inspiration.
I love you with all my
heart and soul.*

Crochet is all about having *fun*

Crochet stitchwork, by nature, tends to create bulkier fabric than its knitted counterpart. *Crochet So Fine* is a collection of garments and accessories that focuses on lightweight yarns to create fine, airy garments that will complement a variety of body types. A lightweight, loose fabric with good drape can often be more flattering than a fitted sweater crocheted in a heavier yarn. Therefore, in this book you will find delicate-looking lacey wraps and shawls; soft, drapey sweaters; and a variety of lovely lightweight accessories.

I moved to Florida just before beginning *Crochet So Fine*, so I had the amazing opportunity to be inspired by my new surroundings while creating this collection. The pieces showcase many tropical, natural influences, including the orchids in my garden, the ripples in the Imperial River, the spirals in the waves at the beach, and the beautiful purple dragonflies in my yard.

Creating beautiful things with my hands is such an important part of my life. I am constantly searching for new techniques and ideas in crochet, and I love to learn and experiment as often as I can. My goal in writing this book is to share my enthusiasm for crochet with you. I hope I can encourage you to try something new. It may take a couple of attempts to become comfortable with new techniques and a variety of yarns; just relax, breathe, and, most importantly, have fun.

shawls and wraps

Shawls were my first crochet love, and they are still my favorite handmade garment to wear. There are so many options for making a unique shawl or wrap, with a multitude of different shapes, styles, sizes, and techniques. Each new shawl or wrap is a canvas on which I can create a story. For the stories in this chapter, I drew inspiration from many of the natural elements of my surroundings, such as orchids, dragonflies, and even the boundless sea.

dragonfly SHAWL

My son and I helped save the life of a three-winged dragonfly that was drowning in my aunt's pool a few summers ago. We scooped him out of the pool and gently blew on his wings until they dried. When he finally took flight, we were overjoyed. I've had a special fondness for dragonflies ever since, and I've always wanted to recreate one in crochet. This triangular shawl is worked in three pieces: two side triangles of a beautiful easy-to-increase lace stitch pattern and a center dragonfly gusset that is worked in one long row and joined to both side triangles with long chain spaces as you go. No seaming required!

YARN

Crochet thread (Size 10); 1,050 yd (960 m).

shown: Coats & Clark, Aunt Lydia's Classic Crochet Thread (100% mercerized cotton; 350 yd [320 m]/3 oz [85 g]); 495 wood violet, 3 balls.

HOOK

E/4 (3.5mm) or size needed to obtain gauge.

NOTIONS

Tapstry needle.

GAUGE

First 6 rows of Triangle = 4½" x 4½" x 6½" (11.5 x 11.5 x 16.5 cm).

FINISHED SIZE

60" wide x 30" long (152.5 x 76 cm).

note

- Shawl is made in 3 pieces: a Right and Left Triangle (Right and Left Triangles are identical, just flipped so that WS is facing on Right Triangle) and a Center Gusset that joins everything together.

Dragonfly Shawl

See stitch diagram at right for a reduced sample of the pattern.

Triangle (make 2)

ROW 1: Ch 7 (counts as ttr, ch 1), ([ttr, ch 1] 5 times, ttr) in 7th ch from hook, turn—1 shell.

ROW 2: Ch 1, sl st in each st and ch across, turn.

ROW 3: Ch 7 (counts as ttr, ch 1), ([ttr, ch 1] 5 times, ttr) in 7th ch from hook, skip first 3 ttr from Row 1, sc in next ttr, skip next 2 ttr from Row 1, shell in last ttr—2 shells.

ROW 4: Rep Row 2.

ROW 5: Ch 7 (counts as ttr, ch 1), ([ttr, ch 1] 5 times, ttr) in 7th ch from hook, skip first 3 ttr from Row 3, sc in next ttr, skip next 3 ttr from Row 3, shell in next st, skip next 3 ttr from Row 3, sc in next ttr, skip next 2 ttr, shell in last ttr—3 shells.

ROW 6: Rep Row 2.

ROW 7: Ch 7 (counts as ttr, ch 1), ([ttr, ch 1] 5 times, ttr) in 7th ch from hook, skip first 3 ttr 2 rows below, sc in next ttr, *skip next 3 ttr 2 rows below, shell in next st, skip next 3 ttr 2 rows below, sc in next ttr, rep from * once, skip next 2 ttr 2 rows below, shell in last ttr—4 shells.

ROW 8: Rep Row 2.

ROWS 19–34: Rep Rows 7 and 8, except work one more rep every odd-numbered row—17 shells at end of Row 33. Fasten off.

Center Gusset

Note: The first row of the center will look like a long chain with 4-petal flowers before joining. The dragonfly shapes are formed by working Joining Rows.

ROW 1: Ch 5, [3-dtr cluster, ch 5, sl st] in 5th ch from hook, *ch 5, 3-dtr cluster in same, [original] ch, ch 13, sl st in 3rd ch from hook, sl st in each of next 10 ch (for antenna), ch 5, sl st in same original ch, rep from * once, [ch 5, 3-dtr cluster, ch 5, sl st] in same original ch (first dragonfly made), **ch 12, [3-dtr cluster, ch 5, sl st] 4 times in 5th ch from hook, rep from ** 15 times, ch 12, [3-dtr cluster, ch 5, sl st] 3 times in 5th ch from hook, 4-dtr cluster in same original ch. Do not fasten off.

Note: You are at the top of the Center Gusset now. Line up the gusset with side B of the Right Triangle (with WS of Row 1 facing; see construction diagram on p. 14 for correct position and orientation).

First Joining Row: Ch 10, sl st into center of base of shell on Row 1 of Triangle, ch 10, sl st into next 3-dtr cluster on Center Gusset, ch 10, sl st into center of base of shell on Row 3 of Triangle, ch 10, sl st into next 3-dtr cluster on Center Gusset, ch 10, sl st into same shell base on Row 3 of Triangle, ch 10, sl st into next 3-dtr cluster on Center Gusset, *ch 10, sl st into shell base on Row 5 of Triangle, ch 10, sl st into next 3-dtr cluster on Center Gusset, ch 10, sl st into same shell base on Row 5, ch 10, sl st into next 3-dtr cluster on Center Gusset, rep from * 14 times, (working into each cluster once and each shell base twice), ch 10, sl st into base of Row 33, ch 10, sl st into next 3-dtr cluster on last dragonfly, ch 10, sl st on top of last ttr of Row 33. Fasten off, leaving last cluster of last dragonfly unjoined.

construction diagram

Note: Now you will join the Center Gusset to side B of Left Triangle (with RS of Row 1 facing) starting with bottom of Center Gusset and corner of facing shell on Row 33 of the Right Triangle.

Second Joining Row: With RS facing, join yarn in top of first ttr at end of Row 33 on Left Triangle, ch 10, skip first 3-dtr cluster on first dragonfly (with antenna), sl st into next 3-dtr cluster on Center Gusset, ch 10, sl st into base of shell on Row 33 of Left Triangle, ch 10, sl st into next 3-dtr cluster on Center Gusset, *ch 10, sl st into base of shell on

Row 31, ch 10, sl st into next 3-dtr cluster on Center Gusset, ch 10, sl st into same base shell on Row 31, ch 10, sl st into next 3-dtr cluster on Center Gusset, rep from * 14 times (working into each cluster once and each shell base twice), ch 10, sl st into base of shell on Row 1, ch 10, sl st into next 3-dtr cluster on last dragonfly, ch 10, working across top of last dragonfly, sl st in next 3-dtr cluster. Fasten off.

Wet or steam block to finished measurements. Weave in loose ends with a tapestry needle.

starry night^{WRAP}

Imagine wearing this light wrap for a bit of warmth while leisurely strolling with the one you love on a cool and starry night. The dark midnight blue brushed-alpaca laceweight yarn inspired the entire project. The beautiful star-shaped, three-round motifs are joined as you go, and the entire wrap can be worked up quickly. Perhaps the most surprising aspect of this nicely sized wrap is that it is a one-skein project!

orchid

CIRCULAR SHAWL

I have a beautiful orchid garden in my backyard that I enjoy every day. I especially like to watch the buds grow and grow until they burst open with spectacular blossoms. This shawl was inspired by a stem of multiple orchid buds from my yard. The middle ring of long rounds of chains and clone knots was developed to mimic the long stems of orchid blossoms before they bloom. Wear the shawl as a wrap over your shoulders; slip your arms through the holes to wear it as a vest; or fold it in half, drape it over your shoulders, cinch with a belt, and let the remainder flow as large sleeves.

sprout CHAINS SHAWLETTE

The long chain and solo single crochet stitch pattern featured in this shawl is easy to memorize and relaxing to crochet. The flower fringe border makes me smile every time. It's incredibly easy to make because the flowers are worked right into the one-row border, even though they look like they were separately crocheted motifs! This sweet little shawlette adds just the right touch when draped around the shoulders of a pretty dress or wrapped around the neck as an eye-catching scarf.

diamonds SHAWL

I found this diamond motif in a stitch reference book and immediately fell in love with it. I played around with the design for a while before I mastered it, increasing motifs within motifs to achieve this unique look. The shawl is crocheted from the top down, and the body of the shawl is increased by strategically inserting a new motif at the halfway point of the previous motif in every row. This lovely lacy shawl was actually the first piece I created for this book, and it set the tone for everything else.

spiral waves SHAWL

I won't deny it; I am drawn to spirals, especially those found in the natural world. The growth spiral, such as that in a nautilus shell, is a naturally occurring pattern in nature, and the spiral's growth is proportional to its size. I had an idea to combine a growth spiral with a log cabin square. Using four colors, I began with four little squares in the center. On each following round, I began each color by picking up stitches along two colors and then decreased out in a triangle. And so, this large, versatile shawl was born. Wear it long and draped over your shoulders or fold it in half like a rectangle or triangle. You can even roll the edge to create a shawl collar; the possibilities are endless!

note

- There are a fair amount of ends to weave in on this project, but you can cut down on your finishing time by crocheting over ends (p. 156) as you go. The texture of the fiber in the yarn used for this project holds the tails firmly in place. If you still have some little ends poking out, you can trim them down after blocking.

shimmer beaded LACE CAPE

Belted capes, such as this one, are my favorite type of wrap to wear. They have a polished and structured look and are visually slimming due to the ratio of the wide “sleeves” to the cinched waist. In addition, the large “sleeves” create a lovely dramatic effect as you move. This top-down raglan continues on to a flowing cape with belt holes and a pretty lace edging that is joined perpendicularly to the lower edge. The front bands are created with a very simple single crochet bead pattern. Wear it with or without a belt to create a variety of different looks.

Beaded Front Bands

ROW 1: With RS facing, join yarn with sl st to bottom right corner of front. Work 201 sc evenly around right front, neck and left front edges. Fasten off. Place yarn end in beading needle. String about 100 beads on yarn. Remove beading needle.

Note: There are so many beads used on each row that I found it easier to cut yarn and string 100 beads per row. If you feel more comfortable stringing 500 beads, you can string them all now. Keep in mind that there may be some breakage, so string a few extra beads each time.

ROW 2: Join yarn with sl st in first sc, ch 1, sc in first sc, *draw bead up close to last st made, sc in each of next 2 sc (bead is placed between sts), rep from * across, turn—201 sc, 100 beads.

ROW 5: Ch 1, sc in each sc across. Fasten off. String about 100 beads on yarn.

ROWS 6–10: Rep Rows 2–5 once, rep Row 2 once more. Fasten off.

Wet or steam block to finished measurements. Weave in loose ends with a tapestry needle.

accessories

Lighter yarns add a lovely sophistication to crochet accessories that is sometimes lacking in chunkier pieces. This chapter includes chic hats, stylish scarves, and even a fantastic bag. A wide variety of techniques will give you plenty of options, whether you'd like something sweet and delicate or a more elaborately elegant piece.

cables and lace

BROOMSTICK HAT

This hat is a play on the juxtaposition of cables and lace. The brim's cable is dense, textured, and thick—great for keeping your ears protected in a blustering storm. The body of the hat is worked in broomstick lace, which is also textured, but light. At first glance, you might think the openwork would not be very warm, but the twisted loops of broomstick lace have little pockets of air in the center, which help trap warmth.

AMOUR SEQUIN LACE SCARF
SKINNY FLOWER SCARF

These two one-skein scarves would make perfect gifts, if you can stand to part with them. The Skinny Flower Scarf is worked in a simple stitch pattern and is quick to make. The Amour Sequin Lace Scarf is a bit more complex, but the result is well worth the effort. Both scarves are long enough to wrap around your neck a few times and are pretty enough to dress up a simple outfit instantly!

chains

BUCKET HAT

I love the contrast of this hat's ultra-fluid chains with the dense linked stitches of the brim. The stretch and flexibility of the chains allow the hat to easily fit any head, and the linked double-treble crochet brim has a lot more structure for keeping the sun off your face, ears, and neck. With a super simple stitch pattern and no seaming required, this hat is quick to make and can be ready to give as a gift (or to keep for yourself) in a flash. You'll find yourself wanting to make several of these in different colors to add to your wardrobe!

willow BAG

Who says reusable can't be pretty? This bag is not only useful and environmentally friendly, but it will also give you the chance to show off some mad crochet lace skills! The pattern is deceptively simple to crochet; all the increases are worked into the first round of stitches, so there is no increasing or decreasing within the stitch pattern. The durable linen yarn is machine washable and dryable. It gets softer each time you wash it, making it the perfect strong yet low-maintenance choice for this bag. Use the bag to go to the market or the beach, or stow your yoga mat and water bottle for a trip to the gym; this bag will carry it all!

NECK WARMER

A simple and elegant alternative to a scarf, this neck warmer slips easily over your head and tucks neatly into your coat. The pretty scalloped edge created by the shells makes it just as pretty to wear alone over a sweater to keep your neck nice and toasty. The intricate texture of the offset hourglass shaping in post stitches and shells reminds me of the network texture of honeycomb and will probably make observers want to take a closer look.

LACE BERET

Back in my modeling days in the big city, the other girls and I used to dance until dawn at a teen club called Visage. We wore a lot of black back in those days, but I was always a sucker for a little bling. Had I owned a sparkly, beaded, and glittered beret like this one, it would have been my signature piece, so I honored those memories by naming this hat after that oft-visited club. The post stitch faux-ribbed brim is doubled, making it snug and warm, and the beaded yarn adds subtle sparkle that will complement many ensembles.

tops and cardigans

Although it is very tempting to pick up a thick yarn to make your sweaters quickly, choosing a lighter yarn and taking the extra time to work with it will create a garment that is infinitely more flattering to your figure. As you will see in this chapter, lighter yarn doesn't always have to be crocheted with tiny hooks. My passions for both geometry and crochet design have led me to create the beautiful, versatile, and often mathematically inspired garments you will find in the following pages.

tranquil

HAIRPIN LACE TUNIC

This tunic sweater is almost completely crocheted with hairpin lace, a very stretchy, open fabric of strips that are joined as you go. There is a solid single crochet waistband, lending structure to the tunic and loosely defining the waist. The unique texture of the flat ribbon yarn is prominently displayed by the open construction, and the simple repetitive stitch pattern creates a clean look for the finished garment. With a relaxed fit and airy but elegant appearance, this is a truly beautiful and versatile piece.

YARN

Worsted weight (#4 Medium); 450 (500, 625, 750) yd (411.5 [457, 571.5, 686] m).

shown: S. Charles Collezione, Sahara (44% viscose/36% bamboo/20% linen; 87 yd [79.5 m]/1.75 oz [50 g]): #03 blue mist, 6 (6, 8, 9) balls.

HOOK

G/6 (4mm) or size needed to obtain gauge.

NOTIONS

Tapestry needle; hairpin lace frame/loom, set to 4" (10 cm) wide; scrap yarn (optional).

GAUGE

Each strip is 3" (7.5 cm) wide (after joining), 4 sc rows of hairpin lace (2 lps on each side) = 1" (2.5 cm). On Waistband, 8 sts x 12 rows in sc = 4" (10 cm).

Hairpin lace is very stretchy so these measurements are approximate. This garment is worn loosely, with lots of stretch.

FINISHED SIZE

Size S (M, L, XL) fits 36 (40, 44, 48)" (91.5 [115, 112, 122] cm) bust circumference (meant to be worn loosely). Tunic measures 48 (50, 50, 52)" (122 [127, 127, 132] cm) from cuff to cuff, across shoulders. 26 (26, 29, 32)" (66 [66, 73.5, 81] cm) long. Tunic shown is a size S.

notes

- Tunic is worked in long strips. The strips are joined cuff to cuff for the sleeves and bodice. The lower body strips are joined separately in 2 pieces: front and back. Top, front, and back are joined together at the waist.
- When a strip is described as having 80 loops, that number is per side. There is a sc row per loop on one side. It takes 2 sc rows to acquire a loop on each side of frame.

Tranquil Hairpin Lace Tunic

Loop Joining Technique

This technique joins two strips together through one loop at a time without any additional yarn.

Lay two strips side by side on a table in front of you. Insert your hook into the first loop on right strip and then insert the hook into the facing first loop on left strip. Pull 2nd loop through first loop on hook. *Insert hook into next loop on right strip, pull through loop on hook.

Insert hook into next loop on left strip, pull through loop on hook. Repeat from * until all loops are joined. There will be one loop remaining. Sew this loop to the last sc at top of either right or left strip. Using the tail from one of the strips, tack down the last loop before weaving in the loose end.

Upper Bodice/Sleeves

Make 8 (8, 8, 10) hairpin lace strips with 96 (100, 100, 104) lps per side. Using Loop Joining Technique, join 4 (4, 4, 5) strips together for Front. Using Loop Joining Technique, join the rem 4 (4, 4, 5) strips

together for Back. Refer to the Construction Diagrams on p. 104 for assistance.

Shoulder Seam

Note: Directions are given for a 12" (30.5 cm) wide neck opening. The sample garment delicately balances on the corners of the shoulders and can be worn off one shoulder. For a smaller neck opening, you may want to join more loops across the shoulders in equal numbers on each side, just remember that the tunic needs to slip easily over your head.

With Front piece on left and Back piece on right, place pieces side by side in front of you. Using the Loop Joining Technique, starting with the lp on the right, join the first 36 (38, 38, 40) lps on each strip together. Fasten off. Skip next 24 lps on both pieces for neck opening. Using the Loop Joining Technique, join the last 36 (38, 38, 40) lps on each side. Fasten off.

Front Neck Edging: With RS facing, join yarn with sl st to first lp join on second shoulder joining, sc in each of the skipped 24 lps across Back neck edge, sc in each of the skipped 24 lps across Front neck edge, join with sl st in first sc at beg of rnd. Fasten off.

Sleeve Seams: To join bottom edges of Front to Back, beginning at cuff, using Loop Joining Technique, starting with the lp on the right, join first 30 (30, 28, 28) lps on each side. Fasten off. Skip next 36 (40, 44, 48) lps on both pieces. Using the Loop Joining Technique, join the last 30 (30, 28, 28) lps on each side. Fasten off.

Upper Waistband

ROW 1 (BACK BOTTOM EDGING): With RS facing, join yarn with sl st in last sc on Front bottom edge, sc in each of the skipped 36 (40, 44, 48) lps across Back bottom edge, sc in each of the skipped 36 (40, 44, 48) lps across Front bottom edge, join with sl st in top of first sc at beg of rnd—72 (80, 88, 96) sc.

RND 2: Ch 1, sc in each sc around, join with sl st to top of first sc at beg of rnd.

RND 3: Rep Rnd 2. Fasten off.

Lower Body

Refer to the Construction Diagrams on p. 104 for assistance.

Longer Strips: Make 2 (2, 3, 3) hairpin lace strips with 72 (80, 88, 96) lps on each side. Fasten off, leaving a long tail.

Using the Loop Joining Technique, join the 2 (2, 3, 3) strips together for upper portion of Lower Body.

SAFETY LINES (OPTIONAL): Safety lines are really helpful in working hairpin lace. The safety line keeps the loops straight and in order after you remove the strip from the loom, making it easier to join the strips together later.

To create a safety line, cut a length of contrasting scrap yarn slightly longer than double the length of the strip you are making. After placing the first hairpin loop on the loom, thread one end of the scrap yarn through the loop from the bottom and tie to the top spacer of the loom on the left side. Tie the other end of the scrap yarn to the top spacer of the loom on the right side. Wrap excess scrap yarn around bottom spacer to keep it from becoming entangled while working the hairpin lace strip. Work the entire hairpin lace strip, working over the safety lines. When strip is complete, untie safety line and remove strip from loom. Tie 2 ends of safety line in a knot to hold loops in position while joining strips. After strips have been joined and/or edged, safety line can be removed and reused on subsequent strips.

Step 1:

Getting started and making first stitch: Hold the frame with spacer at bottom and rods 4" (10 cm) apart. With yarn, make loop with slipknot and place loop on left rod (counts as first loop), with knot in center between rods. Slide other spacer on top of rods (if desired, attach safety line as described above). Yarn end wraps from front to back around right rod, and yarn from ball is in front of right rod. Insert hook through loop from bottom to top. Hook yarn and draw through loop.

Step 2:

Moving hook to back, making room for wrapping yarn around loom: ****Drop loop from hook, with hook behind frame. Insert hook from back to front through same loop (just dropped), turn frame clockwise from right to left, keeping yarn to back of frame. This allows the yarn to wrap around the frame without the hook getting tangled in the wrap, while retaining the position to continue stitching up the center.**

Step 3:

Finish 2nd stitch: Insert hook under front strand of left loop, yarn over hook, pull loop through. Yarn over hook, pull through 2 loops on hook (single crochet made).******

Step 4:

Continue: Repeat from ****** to ****** for desired length of strip. This photo shows what the strip looks like with about 10 stitches complete. Remember: you are crocheting in rows of 1 stitch-per-row vertical crochet. As loom becomes full, remove bottom spacer and slide some of the loops off of the loom, leaving a few loops on the loom. When strip is complete, fasten off and remove remaining loops from loom. Tie two ends of safety line in a knot at top of strip.

Shorter Strips: Make 4 hairpin lace strips with 36 (40, 44, 48) lps on each side. Fasten off.

Using the Loop Joining Technique, join 2 shorter strips together and join them as one piece to first 36 (40, 44, 48) lps on one side of joined longer strip for Front Lower Body. Using the Loop Joining Technique, join other 2 shorter strips together and join them as one piece to last 36 (40, 44, 48) free lps of same side of longer strips for Back Lower Body.

Lower Waistband

RND 1: Working in free lps of top edge of assembled longer strips, join yarn with sl st in first lp, ch 1, sc in same lp and in each lp across, sl st to first sc at beg of rnd to join.

RNDS 2-3: Ch 1, sc in each st around, join with sl st to top of first sc at beg of rnd, do not fasten off.

RND 4 (JOINING RND): Align beg of rnd at left underarm on Upper Waistband, ch

1, working through double thickness of Upper and Lower Waistbands, matching sts, sc in each sc around, join with sl st in top of first sc at beg of rnd. Fasten off. Weave in loose ends.

Join the ends of the 2 (2, 3, 3) longer strips of Lower Bodice together as follows: Using long tail and tapestry needle, sew last sc made to first sc made at beg of same strip. Weave in loose ends. Do not join the ends of shorter strips on bottom of Lower Body. The openings on each lower side of tube will become side vents on tunic.

Bottom Edging: With RS facing, join yarn with sl st to any free lp on lower edge of Back, ch 1, sc in same lp, 1 sc in each lp across to last lp, 4 sc in same lp, turn and work 4 sc in edge of next lp on Back side vent, turn, 4 sc in edge of next 2 end lps on Front side vent, turn, 1 sc in each lp across bottom edge of Front to last lp, 4 sc in same lp, turn and work 4 sc in edge of next lp on Front side vent, turn, 4 sc in edge of next 2 end lps on

Back side vent, turn, 1 sc in each rem lp across bottom to beg of rnd, join with sl st to top of first sc at beg of rnd. Fasten off.

cascade PULLOVER TUNIC

I have to say that I am a shoe lover. In fact, the medallion embellishments on the front of this cozy pullover were inspired by a pair of expensive shoes that were worn in an episode of one of my favorite television shows. The medallion inspiration was repeated in the rounded details worked into the hip section for added ease and in the unusual edging at the hem and sleeve cuffs. This pullover can be dressed up or down for a variety of occasions, providing a little warmth without being heavy or bulky.

pearl's CARDIGAN

This cardigan is named after my great-grandmother, Pearl Svenson, a gorgeous Norwegian immigrant who aspired to be a 1920s Hollywood starlet. I imagine her wearing this classic cardigan with a crisp white blouse and perhaps cinching it around her famously tiny waist with a pretty scarf threaded through the belt holes. With a slightly vintage look, this is the perfect piece to accent a modern ensemble and add that touch of feminine flair. Whether it's worn loose or cinched at the waist, the easy fit and engaging stitch pattern make it a must-have for your closet.

YARN

DK weight (#3 Light); 1,095 [1,275, 1,465, 1,665] yd [1,002 [1,166, 1,340, 1,523] m].

shown: Lion Brand Yarn, Microspun (100% microfiber acrylic; 168 yd [154 m]/2.5 oz [70 g]): #102 blush, 7 [8, 9, 10] balls.

HOOK

NOTIONS

Tapestry needle.

GAUGE

20 dc = 4" (10 cm); 10 rows in dc body patt = 4" (10 cm).

FINISHED SIZE

Size S (M, L, XL) fits 32 [36, 40, 42]" [81.5 [91.5, 101.5, 112] cm] bust circumference. Cardigan is 26 [26½, 27½, 28]" [66 [67.5, 70, 71] cm] long. Cardigan shown is a size L.

note

- The yarn featured here makes a fantastic transformation with steam blocking. The shine and drape are remarkably prettier after steaming.

BOX PLEAT TOP

This sophisticated top flatters the figure with generous hip ease and clever yet simple shaping at the bust. Folding five motifs into a pretty box pleat at the bust creates a stunning visual effect that is further accentuated by the stepped neckline. A second motif used on the back creates an airy, openwork design.

YARN

HOOK

C/2 (2.75mm) or size needed to obtain gauge.

NOTIONS

Tapestry needle.

GAUGE

Each motif is 2" (5 cm) square, after blocking.

FINISHED SIZE

Size S (M, L) fits 36 (42, 50)" [91.5 [106.5, 127] cm] bust circumference.

26 (28, 30)" [66 [71, 76] cm] total length. Top shown is a size S.

notes

- There are no seams to sew; the top is completely joined as you go.
- The last motif A (in the top center of the front) is not completed until the box pleat is formed.
- This design features two different motifs, but you could also make this sweater using only one or the other.

Back

Following the back construction diagram, make and join 61 (69, 75) Motif A and 56 (85, 120) Motif B.

Front

Following the front construction diagram, make and join 139 (180, 225) Motif B, joining them to the Back as you go, leaving top 5½ motifs unjoined for armholes (red line on diagram).

Box pleat is worked with the top center 5 motifs of Front. Holding the center motif in front, fold the motifs on either side to the back of the center motif, layering the next motif on either side behind the center motif (see diagram C below). The box pleat will be 5 layers thick. Using a tapestry needle and long piece of MC yarn, sew through all 5 thicknesses to secure pleat. Once secure, crochet one more Motif A, joining it on 3 sides to top of pleat.

Armhole Opening

Join with sl st to any st in armhole opening, ch 3, dc in each st and ch around, join with sl st to top of ch-3 at beg of rnd.

RND 2: Ch 3, dc in each st around, join with sl st to top of ch-3 at beg of rnd. Fasten off.

Rep for 2nd armhole.

Wet or steam block to finished measurements. Weave in any loose ends with a tapestry needle.

river TUNIC

Inspired by a meandering river with lush summer foliage spilling over the banks, this tunic looks lacy but is really just single crochet stitches manipulated to blossom into open stitchwork along the body and lower sleeves. The border at the hem reflects the lacy chevron sleeves, creating balance and drawing the eye downward for a flattering, lengthening effect. Extra ease is worked into the hips with chains that also create an unusual seaming technique. The result is a comfortable, versatile, and elegant tunic.

FINISHED SIZE

Size S (M, L, XL) fits 31½ (36, 40½, 45)" [80 [91.5, 103, 114.5] cm] bust circumference. Tunic is 31 (31, 31½, 33½)" [79 [79, 80, 85] cm] long. Sleeves measure 19 (18, 16½, 15½) [48.5 [45.5, 42, 39.5] cm]. Tunic shown is a size M.

notes

- There are a fair amount of ends to weave in on this project, but you can cut down on your finishing time by crocheting over ends (p. 156) as you go. The texture of the fiber in the yarn used for this project holds the tails firmly in place. If you still have some little ends poking out, you can trim them down after blocking.
- Body is worked in one piece from bottom front up to arms, bodice, and neck, and down to bottom of back. Sides are seamed separately with shaping chains.
- The stitch count is adjusted on the row before the wavy chevron lace pattern begins (across shoulders and along sleeves), so the width of the fabric remains constant.

petals WRAP CARDIGAN

Geometry is often the inspiration for my crochet designs. In this sweater, it is twofold. First, I found a beautiful four-sided pineapple motif that I expanded into a six-sided design so that it would look like six petals of a flower. Second, I dissected the hexagon motif into two half hexagons to create the right and left fronts of the cardigan, with a full hexagon back. The resulting wraparound cardigan features a lacy six-petal flower motif across the back and a flower petal edging to mimic those of the central motif. The side ties are long enough to wrap around the waist and tie in the back.

enigma HOODED CARDIGAN

The ubiquitous granny square is one of the first things a crocheter learns and is possibly the easiest skill to teach a beginner. I wanted to figure out a way to create a granny-inspired motif that would be each section of a sweater. Encouraged by the fact that triangles can be joined together to make squares, and squares can be joined together to make sweaters, I created this cardigan with only a few motifs. With an edging of pretty lace columns that are repeated in the sleeve cuffs, and the addition of a hood, this sweater is a stylish addition to any wardrobe.

FINISHED SIZE

Size S (M, L, XL) 35 (39, 42, 46)" (89 [99, 106.5, 117] cm) bust circumference and 47 (48½, 50, 51½)" (119.5 [123, 127, 131] cm) hip circumference. 21½ (23½, 25, 27)" (54.5 [59.5, 63.5, 68.5] cm) long. Cardigan shown is a size S.

notes

- The Back is begun by working in the round, but will switch to working back and forth in rows. To maintain the same look of alternating right side and wrong side facing, turn work at the end of each round.
- The Hood is worked in rows, worked right onto the neck edge.
- The Front Bands are worked in one piece up and around, including the hood edge.

ROW 6: Sl st in first ch-3 sp, ch 3, 2 dc in same sp, (ch 3, 3 dc) in each ch-3 sp across.

Rep Rows 5–6 until Hood measures 11" (28 cm) from beg.

Fold last row in half, and sew beg and end of last row together for top seam, using a whipstitch.

Finishing

Buttonhole Band

Place 4 markers on right front edge, placing bottom marker at bottom corner of Right Front, top marker at top corner of Right Front and 2 markers evenly spaced bet.

With RS facing, join yarn in bottom right-hand corner of Right Front edge, work 7 fsc, turn.

***ROW 1:** Ch 2, hdc-blo in each st across, sl st in end of next two rows on body, turn—7 sts.

ROW 2: Skip last 2 sl sts, hdc-blo in each st across, hdc in top of tch, turn—7 sts.

Rep Rows 1–2 to next marker.

Buttonhole Row A: Ch 2, hdc-blo in next st, ch 2, skip next 3 sts, hdc-blo in next 2 sts, sl st in end of next two rows on body, turn—7 sts.

Buttonhole Row B: Skip last 2 sl sts, hdc-blo in next st, 3 hdc in next ch-2 sp, hdc-blo in next st, hdc in top of ch-2 tch, turn.*

Rep from * to * across Right Front edge to last buttonhole at last marker, rep

Rows 1–2 across front edge of Hood, down front edge of Left Front to bottom left-hand corner. Fasten off. Sew buttons to Left Front Band, opposite buttonholes.

Wet or steam block to finished measurements. Weave in loose ends with a tapestry needle.

Gauge

The quickest way to check gauge is to make a square of fabric about 4" (10 cm) wide by 4" (10 cm) tall (or motif indicated in pattern for gauge) with the suggested hook size and in the indicated stitch. If your measurements match the measurements of the pattern's gauge, congratulations! If you have too many stitches, try going down a hook size, if you have too few stitches, try going up a hook size. Crochet another swatch with the new hook until your gauge matches what is indicated in the pattern.

If the gauge has been measured after blocking, be sure to wet your swatch and block it before taking measurements to check gauge. Wet blocking drastically effects the gauge measurement, especially in lace stitch work.

Blocking

Blocking allows the fabric to relax and ensures proper shape, measurements, and drape of the fabric. After time and wear, you will still want to block your garment after washings to bring it back to the original shape. Remember to treat wool fibers carefully when wetting or washing to block. Avoid felting by staying away from hot water and agitation (from a washing machine or water removal by hand). Also remember to keep synthetic fibers (i.e., acrylic) away from high heat.

Wet blocking

Gently submerge the fabric in lukewarm water with a bit of mild, wool-sensitive wash. Don't agitate. Let it soak for 20 minutes or longer, to allow the liquid to absorb into the fibers well. Drain the water and gently expel the water from the fabric (pressing between two layers of towels) but do not wring or twist. Lay the fabric out over a fresh dry towel and roll it up to expel even more water. Pin the piece out to the specified dimensions on a blocking board, carpeted flooring, or a bed (if you are using a carpeted floor or a bed, be sure to cover the surface with towels first). Allow to dry.

Steam Blocking

Steam relaxes fibers gently and more subtly than the wet-blocking method. It is very effective on synthetics and silks—the steaming creates lovely drape, even in the roughest acrylics! Follow the directions for pinning under Wet Blocking (above). Then use a steamer or an iron on the steam setting to steam the entire piece. Be sure to keep the steamer or iron a few inches away from the surface of the garment to avoid damaging the fibers. Allow to dry.

Crochet Stitches and Techniques

Crochet Chain (ch)

Make a slipknot on hook. Yarn over hook and draw it through loop of slipknot. Repeat, drawing yarn through the last loop formed.

Half Double Crochet (hdc)

*Yarn over hook, insert hook into a stitch, yarn over hook and draw a loop through stitch (3 loops on hook), yarn over hook (Figure 1) and draw it through all the loops on the hook (Figure 2). Repeat from *.

figure 1

figure 2

Single Crochet (sc)

Insert hook into a stitch, yarn over hook and draw a loop through stitch (Figure 1), yarn over hook and draw it through both loops on hook (Figure 2).

figure 1

figure 2

Double Crochet (dc)

*Yarn over hook, insert hook into a stitch, yarn over hook and draw up a loop through stitch (3 loops on hook; Figure 1), yarn over hook and draw it through 2 loops (Figure 2), yarn over hook and draw it through the remaining 2 loops (Figure 3). Repeat from *.

figure 1

figure 2

figure 3

Slip Stitch (sl st)

*Insert hook into stitch, yarn over hook and draw loop through stitch and loop on hook. Repeat from *.

Double Crochet 2 Together (dc2tog)

[Yarn over hook, insert hook in next stitch, yarn over hook and draw up a loop, yarn over hook and draw through 2 loops] twice (3 loops on hook). Yarn over hook, pull through all remaining loops on hook—1 decrease made.

Double-Treble Crochet (dtr)

*Wrap yarn around hook three times, insert hook into a stitch. [Yarn over hook and draw it through 2 loops] 4 times. Repeat from *.

Treble Crochet (tr)

*Wrap yarn around hook twice, insert hook into next stitch, yarn over hook and draw a loop (4 loops on hook; Figure 1), yarn over hook and draw it through 2 loops (Figure 2), yarn over hook and draw it through the next 2 loops (Figure 3), yarn over hook and draw it through the remaining 2 loops. Repeat from *.

Whipstitch Seam

With right side of work facing and working through edge stitches, bring threaded needle out from back to front, along edge of piece.

Special Stitches

Switching Yarns and Crocheting Over Ends

When you switch yarns, add the new yarn by using it as the last loop of the last stitch completed with the previous yarn (see Figure 1, sample shown in single crochet).

Hold the tails of both the previous and new yarns together along the top of the stitches of the previous row (Figure 1); you will be crocheting around the tails. Insert your hook into the next stitch (under the tails), yarn over hook and draw up a loop. Complete the stitch normally, around the tails; as shown here (single crochet), yarn over hook, ensuring the hook is above the tails, draw the yarn through both loops on hook. The tails are being hidden inside the stitches (Figure 2). Continue crocheting around the tails in this manner until they are completely covered (Figure 3).

figure 1

figure 2

figure 3

Back Post Cluster (bp-cl)

*Yarn over hook, insert hook from back to front around post of next stitch, yarn over hook and pull up a loop, yarn over hook and draw through 2 loops on hook; rep from * once more, yarn over hook and draw through all 3 loops on hook.

Back Post Double Crochet (bpdc)

Yarn over hook, insert hook from back to front, to back again around the post of next stitch, yarn over hook, draw yarn through stitch, [yarn over hook, draw yarn through 2 loops on hook] twice.

Back Post Double Crochet 2 Together (bpdc2tog)
