If you are like me, you have several single skeins of yarn hanging around from past projects, and perhaps stashed haphazardly around the house. Sometimes it is easy to use them in a scrap project or two, but what if there was a project tailored to just that one skein? That is what this issue is all about: ways to use that one remaining put-up, or unit, of yarn, be it a ball, a skein, a hank, a donut, a cake, a cone, etc. Whatever kind of put-up of yarn you have, you should be able to find a project in this issue that would work beautifully for it.

If you enjoy using thread and have some balls of it lying around, then the *Delicate & Lovely* chapter is for you. We have given you several beautiful doilies and pieces perfect for those single balls of thread. There is even a lovely headband in our *Essential Accessories* chapter that you might like to try. That chapter is also packed with bags, ponchos, scarves and more projects great for springtime weather.

We haven't forgotten the little ones either. In the *All for the Babes* chapter, you will find a wide array of garments, fun hats, a teddy bear, slippers and even a baby teether. In the *Around the House* chapter, you might find a couple more items for a baby room as well. In that chapter, there are loads of items for your kitchen, living room and bathroom. Washcloths, dishcloths, mug rugs and trivets—all those small essential items are the right size for your single skeins of yarn and sometimes you can even make a set out of the skein.

No matter what you have sitting around in your yarn stash, you are sure to find an amazing project for it in this jam-packed issue!

Enjoy!

FINISHED MEASUREMENTS

MATERIALS

- Scheepjes Whirl super fine (fingering) weight cotton/acrylic yarn (7½ oz/1,094 yds/215g per cake):
1 cake #784 watermelon hell raiser
- Size B/1/2.25mm crochet hook or size needed to obtain gauge
- Stitch marker
- Tapestry needle

GAUGE

In Lace Pattern: 4 shells = 5 inches;
8 rnds = 3½ inches

PATTERN NOTES

There are many methods out there to achieve this twist, but the method used in this cowl might be one of the easiest. Here, a set-up row of double crochet mesh provides an easy start. The Moebius twist is created by lining up the first and last double crochet stitches as if to work in the round normally, but then the last double crochet is flipped upside down. Slip stitch into the bottom of this first double crochet and sew the beginning tail to the top to join both ends. This completes the Moebius set-up.

By working both sides in each round, you can easily modify the cowl's width.

Length is adjustable by multiples of 10 stitches and height by working more or fewer 2-round repeats.

Place stitch marker in first stitch of each round and move marker up as work progresses.

Join with slip stitch unless otherwise stated.

Chain-4 at beginning of round counts as first treble crochet unless otherwise stated.

Chain-5 at beginning of round counts as first treble crochet and chain-1 unless otherwise stated.

- 40mm wood ring
- 40-inch-long brown leather strand
- 34-inch-long brown leather strand
- 12-inch-long strand of monofilament illusion cord (optional)
- Small key chain ring

GAUGE

With larger hook: 13 sc = 4 inches;
14 rows = 4 inches

PATTERN NOTES

Weave in loose ends as work progresses.

Work in continuous rounds; do not join or turn unless otherwise stated.

Place marker in first chain and move up as each round is completed.

Dropped single crochet of round 2 is worked in foundation chain stitches of round 1.

Join with slip stitch as indicated unless otherwise stated.

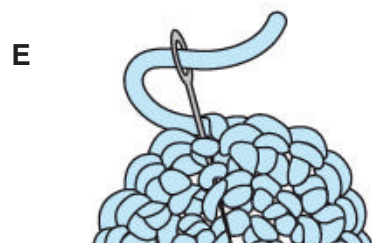

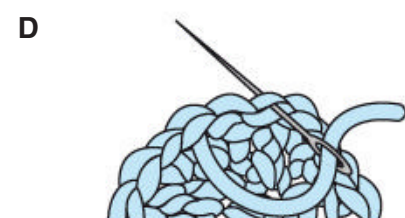

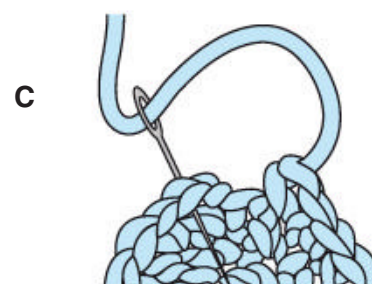

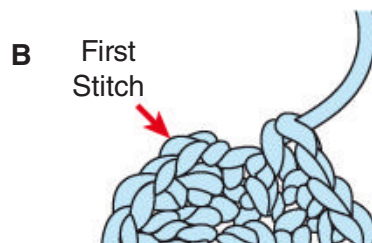

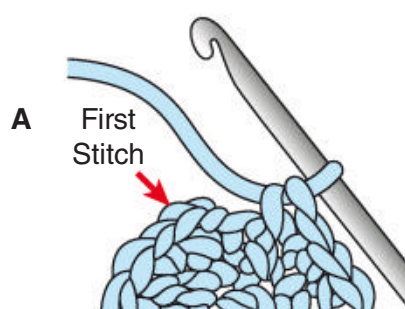

SPECIAL STITCH

Dropped single crochet (dsc):

Insert hook in indicated sc 2 rnds below (*below ch-1 sp*), yo, pull up a tall lp, yo, draw through both lps.

SPECIAL TECHNIQUE

Invisible join: Cut yarn leaving a long tail (*see illustration A*). Pull tail completely through last st (*see illustration B*). Thread tail through yarn needle and insert needle under top 2 lps of first st of rnd (*see illustration C*), then back down through back lp only of last st of rnd (*see illustration D*). Pull gently on tail to pull last st to first, weave in end on WS of work (*see illustration E*).

Invisible Join

BAG

Rnd 1: With larger hook and leaving a long tail for sewing, ch 54, sc in 2nd ch from hook, *ch 1, sk next ch, sc in next ch, rep from * across, **do not join** (*see Pattern Notes*). (27 sc, 26 ch-1 sps)

Rnd 2: Being careful not to twist piece, bring both ends tog to form a ring, ch 1, **place marker** (*see Pattern Notes*), sk first st, **dsc** (*see Special Stitches and Pattern Notes*) in next ch, *ch 1, sk next st, dsc in next ch, rep from * around. (27 dsc, 27 ch-1 sps)

Rnds 3–37: *Ch 1, sk next st, dsc in next st, rep from * around. (27 dsc, 27 ch-1 sps)

Piece should measure 7 inches wide x 7 inches long.

After completing rnd 37, fold piece flat and align dsc and ch-1 sps of last rnd. Loosely sl st through both layers in every st and sp to end. Once you reach end, flip Bag over and work up other side of bottom seam through both layers again, working loose sl sts across to beg. This will further enforce seam and cause it to be more pronounced in pyramid shape. Fasten off.

Finishing rnd: Change to smaller hook and **join** (*see Pattern Notes*) in any foundation ch of rnd 1.

Ch 1, sc in each ch around, joining with **invisible join** (*see Special Technique*) in first sc.

ASSEMBLY & FINISHING

Fold piece in half in exact opposite way it would lay naturally, 90 degrees to bottom seam. Place marker at each end to indicate where to align each end of zipper, making sure there are 27 sts on each side.

Align zipper teeth with sc of finishing rnd. With zipper closed and beg at end with zipper pull, beg sewing zipper tape to Bag. Before sewing other side, open zipper

Designer Tip

For help with this pattern, see dropped single crochet and tips for finishing by visiting Dana's YouTube Channel, Day's Crochet.

and align teeth with sc of opposite side. Continue sewing from bottom to top. You may want to also sew excess lip above zipper pull down to inside of Bag so it doesn't get caught in zipper teeth.

Front Embellishments

With shorter leather strand and zipper closed, thread one end through st at top of Bag, near end with zipper pull. Slide 40mm wood ring onto strand. Thread other end through a different st adjacent to first and placing it to where both ends are exiting to left of front of Bag. Make ends even and parallel to one another. With instructions in designer's YouTube video (*see Designer Tip*), make 3 square knots with tails of leather. This secures wood ring for its use as a wristlet. Add 15mm bead to each tail, then add 25mm bead to each tail. Knot bottoms at staggered lengths so beads do not fall off. Cut off excess below knots.

Wristlet Strap

With longer strand of leather, thread one end through top of 40mm wood ring and bring ends tog evenly. With other hand, grab both strands nearest to ring and begin to form a knot, but do not complete knot (*larger lp will be wristlet*). Do not tie tightly. Take bottom tails and weave back into knot so that it hides them, then tighten knot as tightly as possible. Cut off excess.

Zipper Pull Tassel (Optional)

View designer's YouTube video (*see Designer Tip*) to create small beaded Tassel on zipper pull.

Slip key chain ring through hole in zipper pull. Wrap yarn about 6 times around your fingers, cut across bottoms to create 4-inch Tassel tails. Tie monofilament

cord around key ring several times. Thread both strands of cord through 8mm wood bead, then tie securely around midpoint of Tassel tails. Cut excess. Holding all Tassel strands tog, wrap 6-inch piece of yarn around top of the Tassel to keep the tails in place, and tie knot securely. Trim Tassel evenly. **CW**

Gossamer Shells Scarf

Design by Rena V. Stevens

1 2 3 4 5 6 INTERMEDIATE

FINISHED MEASUREMENTS

7 inches wide x 56 inches long, excluding fringe

MATERIALS

- Premier Sweet Roll DK light (DK) weight acrylic yarn (5 oz/541 yds/140g per ball):
1 ball #2005-04 quartz
- Size G/6/4mm crochet hook or size needed to obtain gauge
- Tapestry needle
- Locking stitch markers

GAUGE

1 shell = 1½ inches wide
Gauge is not critical for this project.

PATTERN NOTES

This scarf uses only about ⅔ to ¾ of the ball, so feel free to “cut and paste” the color patches to your taste.

To make a shawl or wider scarf, add multiples of 10 to the foundation chain, changing the finished width by approximately 1½ inches per motif repeat. For a shorter or longer scarf, repeat the one-row pattern to approximately 1½ inches less than desired length, ending with a wrong-side row, before working the last three finishing rows.

Do not work over yarn ends as

Designer Tip

The gossamer shell design is best showcased with a light-colored, wide color-stripping or ombré yarn.

work progresses except under base of shells.

When weaving in loose ends, double back into worked-over or woven-in part to help keep ends secure during washing.

Some rows may seem too loose until subsequent rows have been worked.

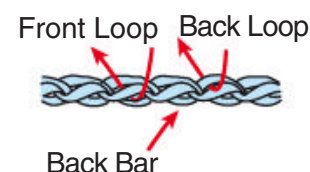

Do not remove markers until instructed.

SPECIAL STITCHES

Shell: ([Tr, ch 1] 4 times, tr) in indicated st or sp. Do not ch 1 after working shell.

Tunisian Plaid Shawl

FINISHED MEASUREMENTS

36 inches deep x 52 inches wide along increase edge

MATERIALS

- Red Heart Roll With It Sparkle medium (worsted) weight acrylic/other fibers yarn (5¼ oz/561 yds/150g per skein):
1 skein #E898-7010 pastel paradise
- Size L/11/8mm 14-inch Tunisian crochet hook or interchangeable hook with 12-inch cable, or size needed to obtain gauge
- Size K/10½/6.5mm crochet hook
- Tapestry needle
- Stitch markers
- Scissors

GAUGE

With larger hook: 7 tss = 2 inches;
7 tss rows = 2 inches

PATTERN NOTES

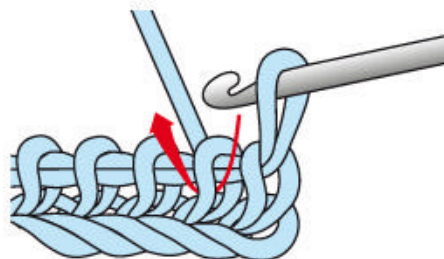

Each row of Tunisian crochet consists of 2 parts: the forward pass (FP) when the hook moves from right to left and loops are picked up, and the return pass (RP), left to right, when the loops are worked off. One loop remains at the end of every completed row and is the first stitch of the next forward pass and is not worked in this pattern. Insert the hook in both loops of the last stitch of the forward pass.

Each forward pass begins with a yarn over increase.

Rows 109 to 112 are worked in alternating Tunisian simple stitch and Tunisian purl stitch to reduce the curl inherent in projects using Tunisian crochet.

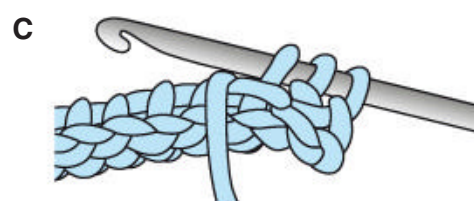

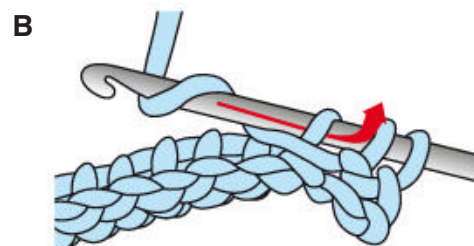

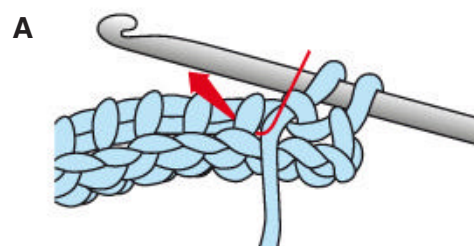

SPECIAL STITCHES

Tunisian simple stitch (tss): Insert hook right to left under front vertical bar, yo and pull up a lp.

Tunisian Simple Stitch

Tunisian purl stitch (tps): With yarn at front of work, insert hook right to left under front vertical bar, yo and pull up a lp.

Tunisian Purl Stitch

Surface slip stitch (surface sl st): With yarn held at the back of the work, insert hook in indicated st, yo and pull up a lp; insert hook in next st, yo and pull through lp on hook.

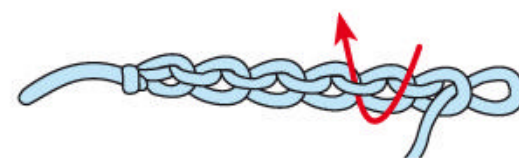

Designer Tip

This project requires basic knowledge of Tunisian crochet.

SHAWL

With L hook, ch 2.

Row 2 (FP): Yo (see Pattern Notes), **tss** (see Special Stitches) in 2nd st, tss in **both lps of last st** (see Pattern Notes). (4 lps)

Rows 2–111 (RP): Ch 1, yo and pull through 2 lps until 1 lp rem on hook.

Row 3 (FP): Yo, tss in 2nd st (*this st is the yo increase from the previous row and slants slightly*), tss in next 2 sts, tss in both lps of last st. (5 lps)

Row 4 (FP): Yo, tss in each st across and both lps of last st. (6 lps)

Rows 5–108 (FP): Rep row 4. (110 lps)

Row 109 (FP): Yo, *tss, **tps** (see Special Stitches), rep from * across, tss in edge st. (111 lps)

Row 110 (FP): Yo, *tss, tps, rep from * across until 2 sts rem, tss, tss in edge st. (112 lps)

Row 111 (FP): Rep row 109. (113 lps)

Row 112: Bind off loosely as follows: Ch 1, *tss and pull

through lp on hook, tps and pull through lp on hook, rep from * until 2 sts rem, tss and pull through lp on hook, tss in last st and pull through lp on hook. (1 lp)

Cut yarn, leaving a tail, and pull through lp on hook.

VERTICAL STRIPES

Surface crochet is worked over the 2 strands of the horizontal bar of each tss in a vertical line next to the bar with the stitch marker.

Step 1: With RS facing and the bound-off edge at the bottom, working right to left, place stitch markers in row 108 as follows: sts 6, 18, 30, 42, 54, 66, 78, 90 and 102.

Step 2: With K hook and yarn held at back of work, insert hook in “hole” at bottom of first tss, below 2 horizontal bars, yo and pull up a lp, insert hook in bottom of tss in next row, yo and pull through lp on hook (1 surface sl st made).

Continue working **surface sl sts** (see *Special Stitches*) until you have worked over the last tss row. Cut yarn, leaving a tail, and pull through lp on hook.

Step 3: Rep step 2 for every marked st along bound-off edge.

Optional: Add a 2nd row of surface sl sts in tss 16, 40, 64, 88.

FINISHING INCREASE EDGE (OPTIONAL)

With RS facing and foundation row at bottom, use L hook to work sl sts over the edge sts along inc edge to fill in any gaps.

ASSEMBLY

Block flat.

If lining is desired, press ½ inch under on each side of the fabric square. Place WS of fabric square on the WS of the star st section, centering it. Whipstitch with needle and thread in place around the edge, keeping thread on top side of yarn so sts don't show.

Fold up star st section in half and **whipstitch edge** (see *illustration*) seams with yarn.

Whipstitch Edges

Fold down top lace flap. Sew button to correspond with center ch sp on row 33. **CW**

Designer Tip

The dense stitches help to keep the purse body both secure and structurally in shape.

While you can omit the lining if you prefer, a lining is recommended. Adding the lining while the clutch is still flat makes it super easy.

To a Tee Scarf

Design by Joyce Geisler

1 2 3 4 5 6 BEGINNER

FINISHED MEASUREMENTS

1½ inches wide x 44 inches long, excluding fringe

MATERIALS

- Aunt Lydia's size 10 crochet cotton (350 yds per ball):
1 ball #0995 ocean
- Size 5/1.90mm steel crochet hook or size needed to obtain gauge
- Size G/6/4mm crochet hook
- Plain T-shirt
- Tape measure
- Straight pins
- Scissors
- Tapestry needle

GAUGE

With smaller hook: 8 shell side points = 3 inches

PATTERN NOTES

Weave in loose ends as work progresses.

Join with slip stitch as indicated unless otherwise stated.

Chain-3 at beginning of row counts as first double crochet unless otherwise stated.

Size G crochet hook aids in attaching fringe.

SPECIAL STITCH

Beginning shell (beg shell): (Ch 3, 2 dc, ch 2, 3 dc) in indicated sp.

SCARF

SHELL STRIP

Make 2.

Row 1: Ch 4, **beg shell** (see *Special Stitch*) in 4th ch from hook, turn.

Row 2: Ch 1, sl st across in ch-2 sp of beg shell, beg shell in ch-2 sp, turn.

Rows 3–110: Rep row 2. At the end of row 110, fasten off.

JOINING STRIPS

Place both strips beside each other with tops of shells pointing up.

Join (see *Pattern Notes*) ocean on strip on right in left top corner of

first shell. Ch 3, join with sl st in corresponding shell on left in top right corner of shell, [ch 3, sl st in next top corner of shell on right strip, ch 3, sl st in next top corner of shell on left strip] rep until last corner is joined. Fasten off.

FRINGE

Cut 40 lengths of thread each 20 inches long. With **larger crochet hook** (see *Pattern Notes*), fold 10 strands in half, draw ends of thread through to form a lp on hook, draw cut ends through lp on hook and pull ends gently to tighten knot.

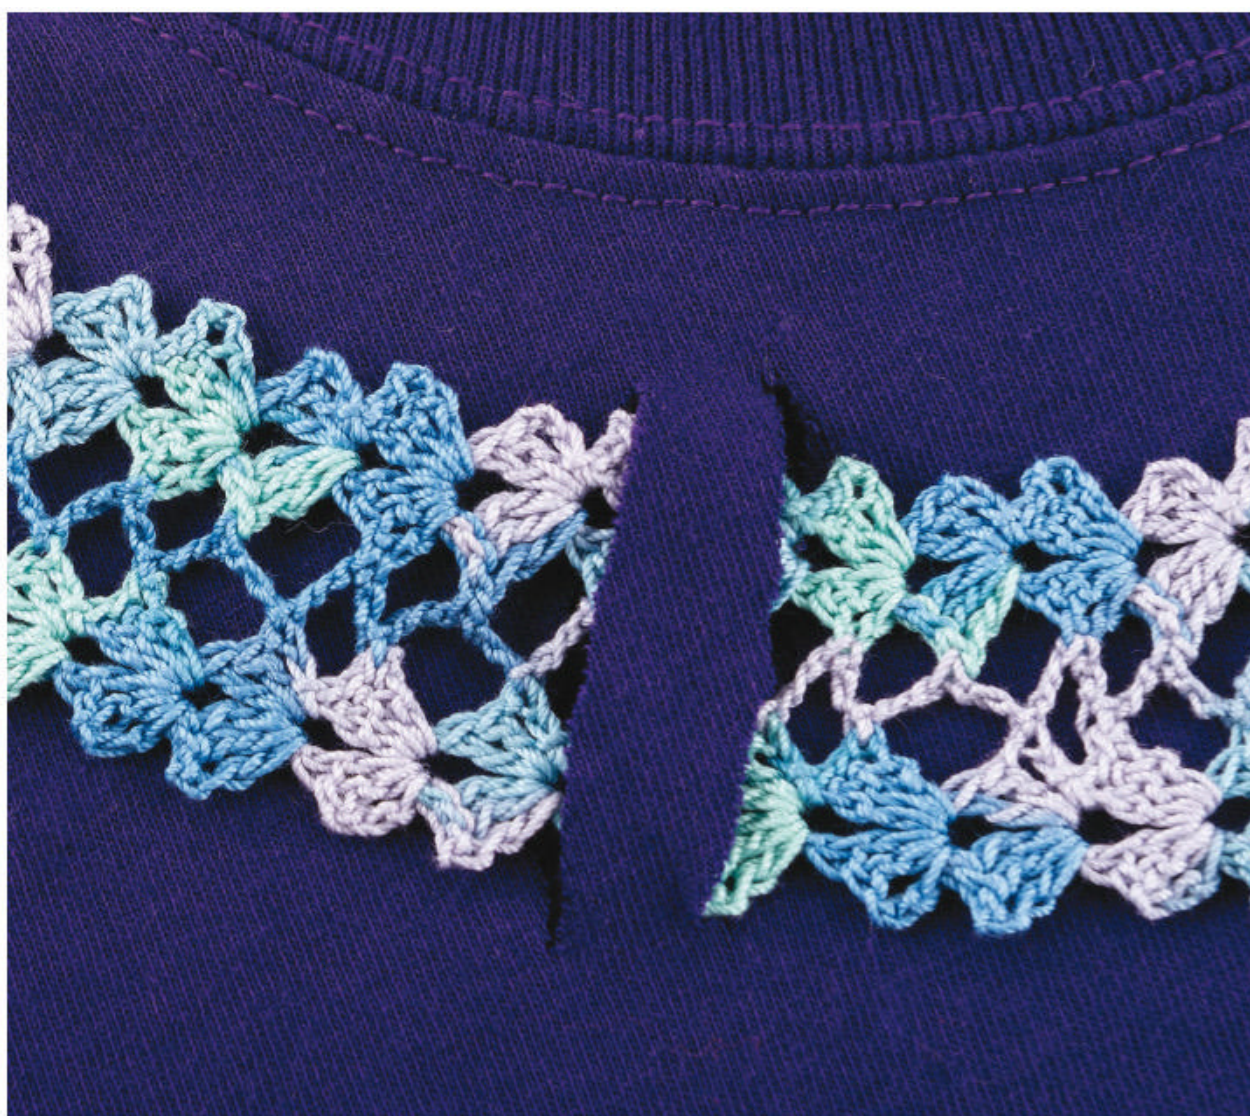

Rep fringe in shell on same end of scarf and in 2 shells on the opposite end of scarf.

*On one end of scarf, divide 40 strands in 4 groups of 10 strands, taking the middle two groups, tie tog in an overhand knot, tie rem 2 groups of 20 strands in another overhand knot, rep from * on opposite end of scarf. Trim ends and block scarf.

T-SHIRT OPENINGS

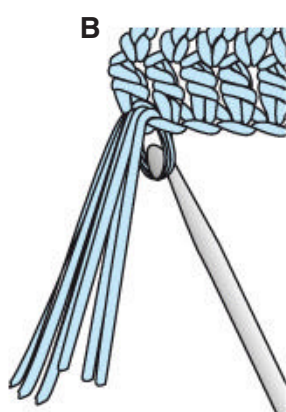

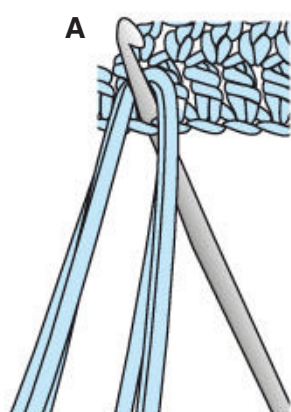

Use photo as a guide. When completed there will be 2 cut openings on front and 3 cut openings on back. It lays best that way. Openings do not have to be perfectly spaced; make them as desired.

Find center front of T-shirt. Measure distance between center front and shoulder seam,

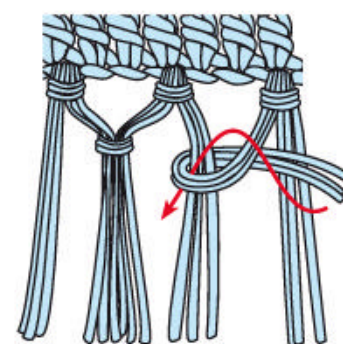

then mark with a pin. Rep from opposite shoulder seam and center front so there are 2 pins marked in the front. Cut 2 slits, one on each side of pin about ½ inch apart and about ½ inch wider than the blocked scarf, with the tops of the slits starting about 1 inch below T-shirt neckband and on a slight angle out from the neckline, not straight down from the neckline, so when the scarf is woven through it will be circular with the neckband. Cut same-size slit on each side of the shoulder seams

(these cuts will be straight along the seam). On the T-shirt back, find center back and mark with a pin. Find the center between pin and the shoulder seams on each side of the center back and mark with pins. Cut at pins as on front side. Weave scarf under ½-inch cuts and over the wide openings around the neckline of t-shirt so the ends of the scarf come out of the shirt to overlap at one of the shoulder seams or in the front as desired. **CW**

FINISHING

Weave in ends.

Cup does not require stiffening, but if preferred stiffened, pin Saucer base to 4-inch circle on a non-porous surface. Stir 2 oz white glue with 1 oz water, mixing well. Starting at base, paint Saucer with glue/water mixture, continuing to top of Cup. Make sure entire outside is covered well, then paint the entire inside with the glue mixture, using the brush to gently shape Cup into circular shape. A “stirring” motion around inside edge of Cup will form the Cup shape easily. Allow to dry completely, which may take 24–30 hours depending on humidity level in air. **CW**

PATTERN NOTES

Join with slip stitch unless otherwise indicated.

For hat body and ears, work in continuous rounds without joining. Place marker to mark first stitch

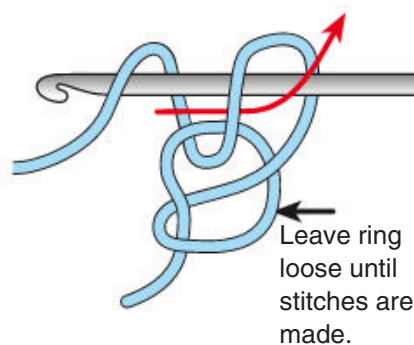

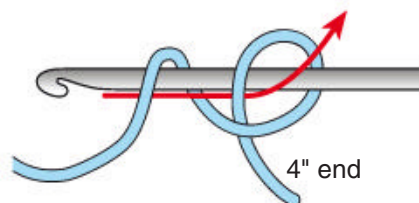

of round and move marker up as work progresses.

The stitch used in this pattern is called a cast on single crochet. It is a new crochet stitch technique, but it is easy to master and simple to work. It creates a beautiful knit-look ribbing, which looks similar to a garter stitch in knitting. The cast on single crochet begins with a loop that is “cast on” the hook. This is done by wrapping the yarn around your index finger so it crosses. This “cast on” technique replaces the traditional “yarn over” as a way to add a loop to your hook.

There is no right or wrong side to any of the pieces in this pattern; however, when joining pieces together, choose which side you want to be the right side and be sure to match the pieces up so the ribbing lines up on both front and back pieces.

SPECIAL STITCHES

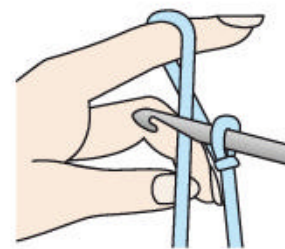

Slip ring: Leaving 4-inch end, lap yarn over 4-inch end forming lp (see illustration), insert hook through lp from front to back, yo, pull through lp to form ring, yo, pull through lp on hook.

Slip Ring

Cast on 1 loop (Cast on 1 lp):

Wrap the yarn around index finger so it crosses (see illustration). Insert hook into lp created on finger and slip lp off finger and onto hook.

Cast On 1 Loop

Cast on single crochet (co-sc):

Cast on 1 lp (see *Special Stitches*), insert hook in indicated st, yo, pull lp through st and all lps on hook.

Half double slip stitch (hdsl st): Yo, insert hook in indicated st, yo and pull through all lps on hook.

Cast on single crochet decrease (co-sc dec): Cast on 1 lp, insert hook in front lp only of next 2 sts, yo, pull lp through sts and all lps on hook.

Join with single crochet (join with sc): Place a slip knot on hook, insert hook in indicated st, yo and draw up a lp, yo and pull through both lps on hook.

HAT

RIBBED BAND

Row 1: With polar bear ch 11, **hdsl st** (see *Special Stitches*) in 2nd ch from hook and in each ch across. Ch 1, turn. (10 *hdsl sts*)

Rows 3–42 [3–45, 3–48, 3–51]: Rep row 2. After all rows are completed, ribbed band should measure desired head circumference when somewhat stretched.

Join (see *Pattern Notes*) short ends of ribbed band tog with sl st across. The joining seam will appear on the RS of the hatband and will be hidden when the band is folded in half upward. Do not fasten off.
