A Note From the Editor

Is there anything more satisfying than a finished project? In this constantly changing world, sometimes we start a big new project and then life gets in the way before we can finish. Often the best way to get back on track is to start—and finish—something small to remember how great it feels to complete a project. When I get stuck in a crafting rut midway through a big project, I'll quickly stitch a fun accessory to kick my creativity back into high gear, giving me the inspiration to return to and finish the big project.

While accessories can be quickly stitched, if you have ever stitched something using bulky-weight yarn you know how satisfying it is to watch the stitches fly off your hook, making quick work of a larger project like a blanket or sweater.

We are delighted with the variety of projects in this issue, from accessories and garments to home decor and gifts. We have a project that is sure to spark your creativity, whether you need to create a last-minute gift or take a quick break from a bigger project. Grab your hook and favorite yarn, and enjoy the satisfaction of your next finished piece.

Scarf: 5½ inches wide x 81 inches long

Pocket: 6¾ inches wide x 8 inches long

MATERIALS

- Plymouth Encore medium (worsted) weight acrylic/wool yarn (3½ oz/ 200 yds/100g per skein):

- 2-inch square piece of cardboard
- Tapestry needle

GAUGE

9 rows = 2 inches; center of V-st to center of next V-st = 1½ inches

PATTERN NOTES

Do not fasten off at ends of rows. Drop each color at the end of the row once completed. The color needed to start the next row will be at the end of the current row.

Work dropped strands of yarn up along the ends when turning to hide them.

As in any color change, it will be worked in the last stitch of the row before the chain-1, turn.

Each row will have 253 stitches in it for the scarf, 77 stitches for the hood section.

When working V-stitches, they will always be worked down into the 3rd row below. That row and the working row will be the same colors.

Join with slip stitch as indicated unless otherwise stated.

SPECIAL STITCH

V Stitch (V-st): Sk next st, dc 3 rows below in next st pulling lps up level with row then completing as dc, sc in next st on this row, dc in same place as last dc worked pulling lps up level and completing st to create a V. Sk next st, continue with sc. Sts behind dc are not worked into.

SCARF

Note: There will be a few extra chs at end so starting count does not have to be accurate. Extra sts can be removed later.

Row 1: With boysenberry, ch 260, sc in 3rd ch from hook, sc in each ch across until there are 253 sc, **change color** (see *Stitch Guide and Pattern Notes*) to light grey heather in last sc, ch 1, turn. **Do not fasten off boysenberry** (see *Pattern Notes*). (253 sc)

Row 2: Sc in first sc and in each sc across, changing to medium grey in last st, ch 1, turn.

Row 3: Sc in first sc and in each sc across, changing to boysenberry in last st, ch 1, turn.

Row 4: Sc in next 6 sts. [V-st (see *Special Stitch*), sc in next 5 sts] across to last 6 sts, sc

in last 6 sts, changing to light grey heather in last st, ch 1, turn. (6 sc at each end, 31 V-sts, 30 sc in V-sts)

Row 5: Rep row 3, changing to medium grey in last st.

Row 6: Rep row 4.

Rows 7–25: Continue working, alternating rows 3 and 4 and changing colors at each row end, ending with boysenberry. Fasten off after row 25 and turn work, keeping side of scarf faceup to attach the hood.

HOOD

Sk 89 sts from right end of scarf, **join** (see *Pattern Notes*) light grey heather in next st, ch 1, [sc in next 5 sc, V-st in next st] until there are 9 V-sts, sc in next 5 sts, continuing with the same color pattern, change to next color in last sc, ch 1, turn. (10 ch-5 groups, 9 V-sts)

Row 2: Sc in each st across, changing to next color in last st, ch 1, turn. (77 sc)

Rows 3–57: Continue working in same color pattern as scarf. Fasten off after row 57 for hood. (total of 82 rows from bottom of scarf to top of hood)

Joining Top of Hood

Choosing side to be WS, fold piece in half RS tog with last row across the top. Join boysenberry in top corner point through both thicknesses, ch 1, sc through each st joining tog across top to front. Turn hood RS out.

Hood Edging

Join boysenberry on front side where scarf and hood meet, sc evenly in ends of rows across front of hood joining in scarf at opposite side of the hood. Fasten off.

POCKET

Make 2.

Each row will have 19 sts.

Row 1: With boysenberry, ch 20, sc in 2nd ch from hook, sc in each ch across, changing to light grey heather in last sc, ch 1, turn. (19 sc)

Row 2: Sc in first sc and in each sc across, changing to medium grey in last sc, ch 1, turn.

Row 3: Sc in first sc and in each sc across, changing to boysenberry in last st, ch 1, turn.

Row 4: *Sc in next 4 sts, V-st**, sc in next 5 sts, rep from * across, ending last rep at **, sc in last 4 sc, changing to light grey heather in last sc, ch 1, turn.

Row 5: Rep row 3, changing to medium grey in last sc.

Row 6: Rep row 4.

Rows 7–31: Continue working, alternating rows 3 and 4 and changing colors at each row end, ending with boysenberry in row with no V-sts. Fasten off after row 31.

With boysenberry and RS facing, place pocket on end of scarf, beg at top corner of pocket, sc evenly through both pieces working 3 sc in each corner at bottom edge, securing pocket to scarf along 3 sides.

Fasten off.

Rep on opposite scarf end.

The entire hood and scarf will now be edged in boysenberry.

Weave in all loose ends and block at this point.

POMPOM

Make pompom as desired or as follows:

Wrap boysenberry 100 times around 2-inch cardboard. Tie separate piece of yarn around lps, leaving long tail to tie onto top of hood, remove from cardboard and cut opposite end of lps. Trim to pompom shape. Attach with tie to top point of hood, weaving in loose ends. **C!**

WINTER BERRIES COWL

DESIGN BY VICTORIA LIGHT

This whimsical cowl features crocheted curlicues along both edges and is worked in a bright, variegated merino wool. Wear it wrapped with a pin or a funky button as shown here, or seam the two short ends together, making a tube to pull over your head. The fabric from this combination of single crochet and Tunisian simple stitch is fully reversible; it would also make a great scarf!

FINISHED SIZE

One size fits most adults.

FINISHED MEASUREMENTS

Approximately 12 inches wide x 24 inches long, before folding

MATERIALS

- Sugar Bush Bold medium (worsted) weight merino wool yarn (3½ oz/190 yds/100g per ball):
2 balls rose garden
- Size K/10½/6.5mm afghan/Tunisian hook (straight or cabled) or size needed to obtain gauge
- Size H/8/5mm crochet hook or size needed to obtain gauge
- Blunt tapestry needle
- Toggle and loop closure of your preferred size

GAUGE

10 sts = 4 inches; 18 rows = 4 inches

PATTERN NOTES

You will swap hooks and pattern stitches after each row 1 and again after each row 3.

For a nice selvage, insert Tunisian hook into both front and rear vertical bars when picking up the last loop on each forward pass.

Curlicue fringes are worked at the same time as the cowl.

Curlicue fringes occur only on rows of single crochet (rows 2 and 3).

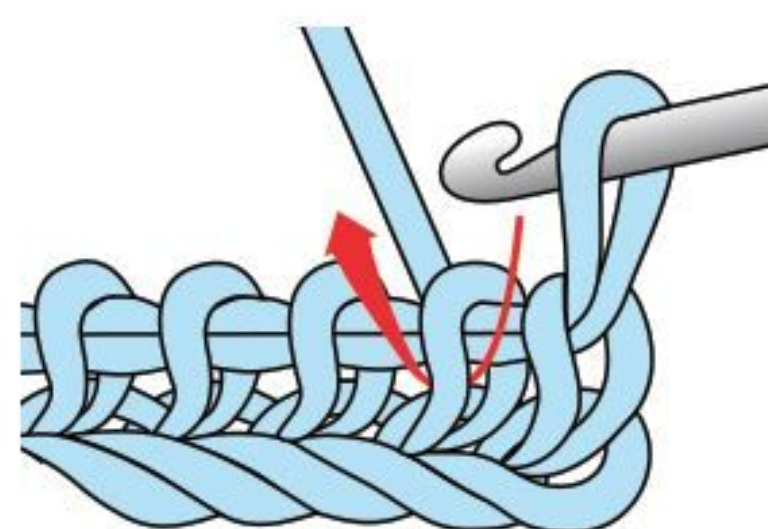

Weave in ends as work progresses.

Join with slip stitch as indicated unless otherwise stated.

SPECIAL STITCH

Tunisian Simple Stitch

(TSS): Insert hook under front strand of next vertical bar from right to left (see illustration), yo, pull lp through.

Tunisian Simple Stitch

STITCH PATTERN

Note: Use this for gauge swatch. It does not include curlicue fringe.

3-Row Stitch Pattern (combination of any number of stitches)

Row 1 (RS): With Tunisian hook, TSS (see Special Stitch) across; return pass: yo, pull through 1 lp on hook, [yo, pull through 2 lps on hook] across until 1 lp rem on hook. Last lp on hook counts as first st of next row.

Row 2 (RS): Place rem lp on **standard hook** (see Pattern Notes), starting with first bar, sc in each vertical bar across, turn.

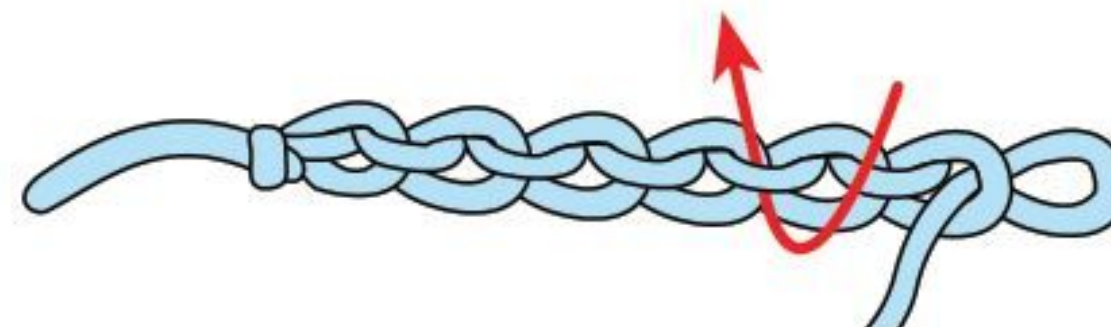

Row 3 (WS): Ch 1, working through both lps, sc in each sc across, turn. Place rem lp on **Tunisian hook** (see Pattern Notes).

Rep rows 1–3.

COWL

With Tunisian hook, ch 31, turn.

Row 1 (RS): Forward pass: working through **back bar** (see illustration) of chs, pick up lp in 2nd ch from hook and in each rem ch across (30 lps); return pass: yo, pull through 1 lp, *yo, pull through 2 lps, rep from * across until 1 lp rem on hook. Place rem lp on standard hook. Do not turn.

Back Bar of Chain

Row 2 (RS): Ch 5, 2 sc in 2nd ch from hook and in each rem ch (8 sc; short curlicue made), **join** (see Pattern Notes) to edge of piece, sc in each vertical bar across, starting with first bar, turn.

Row 3 (WS): Ch 10, 2 sc in 2nd ch from hook and in each rem ch (18 sc; long curlicue made), join to edge of Cowl, working under both lps, sc across row, ending after last sc before short curlicue, turn, place rem lp on Tunisian hook.

Row 4 (RS): TSS (see Special Stitch) across, working through **2 bars** (see Pattern Notes) of last lp; return pass.

[Rep rows 2–4 consecutively] 27 times, ending after a row 3. At end of last row, do not change hooks. Work should measure approximately 24 inches from foundation ch.

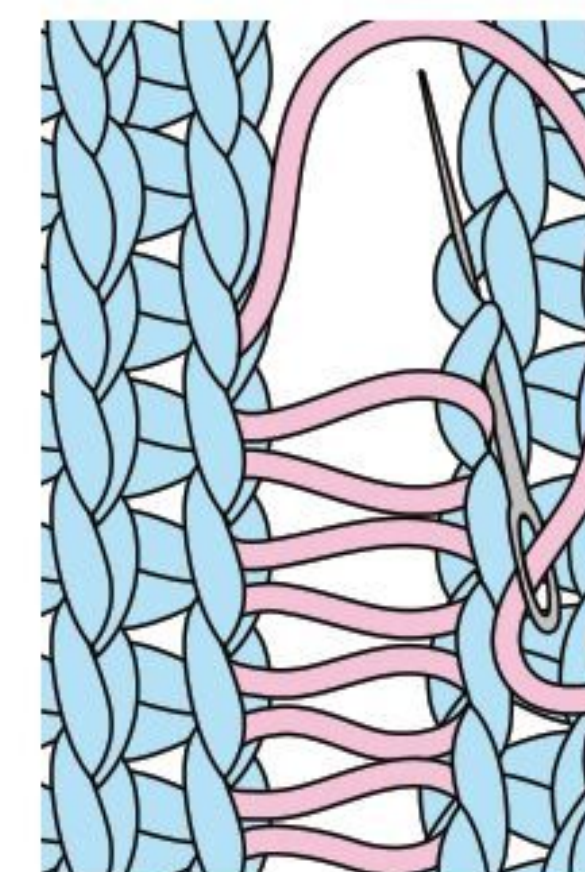

Next row (RS): Sl st in each sc across. Fasten off.

FINISHING

Block if desired.

ASSEMBLY

Fold Cowl lengthwise not quite down middle, allowing shorter curlicues to be seen above longer ones. If closing with a toggle and lp, overlap left edge over right, marking placement of each part before attaching. With a 7- to 8-inch length of yarn and blunt yarn needle, attach lp to left side of Cowl through both layers. Attach toggle opposite. If sewing in a tube, use **invisible seam** (see illustration) to seam short ends tog before folding Cowl lengthwise. **C!**
