Edging

Getting started: Place marker in each center sc at all 4 corners which need to be on short ends.

Measure Shawl length on each long edge and divide it into equal sections of 10–20 sts, place markers and then divide number of sections into 249. That is the number of sts that need to be worked in each section.

Or another way would be to place marker in each shell on each long edge, there are 20 shells across each long edge, so 249 sc divided by 20 is approx equal to 12. You would work 12 sc over each marker shell width, working 1 extra st in 9 of the shells for total of 249 sc.

Rnd 1 (RS): Working in ends of rows, beg with 3 sc at top left short end, place marker in center corner sc, *evenly sp 60 sc across to corner, 3 sc in corner, place marker in center corner sc, work 249 sc in marked sections across long edge*, 3 sc in corner, place marker in center corner sc, rep between * once, **do not join** (see *Pattern Notes*). PATTERN NOTES

Stitches used in this pattern are found in the Stitch Guide unless otherwise stated in Special Stitches.

Sizing chart by the Craft Yarn Council of America is posted at www.yarnstandards.com.

Work in continuous rounds, do not turn or join unless otherwise stated.

Mark first stitch of round.

Chain-2 or ch-3 at beginning of rows or rounds count as first double crochet unless otherwise stated.

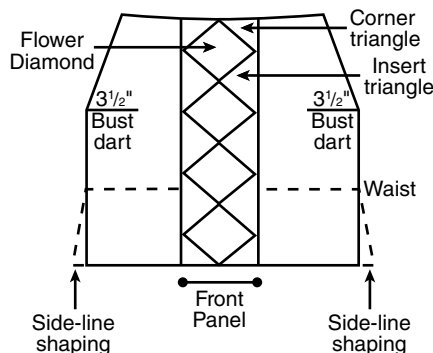

Join with slip stitch as indicated unless otherwise stated.

CONCEPT

When you make a fitted garment it is important to check it against your individual measurements. Everyone's body is different and following the pattern exactly may cause the opposite results—the garment will not fit just right. That is why I refer to specific body measurements in the Concept explanation.

1. Start with the central panel in this order:

A. Make 4 Flower Diamonds connecting them in the corner with one sc in the last row (see *Front Diagram*);

Just-My-Size Top (medium size)
Front Diagram

B. Then fill in triangular spaces on the sides to create a rectangular panel;

Consider making 5 Flower Diamonds if you are tall or have a larger bust.

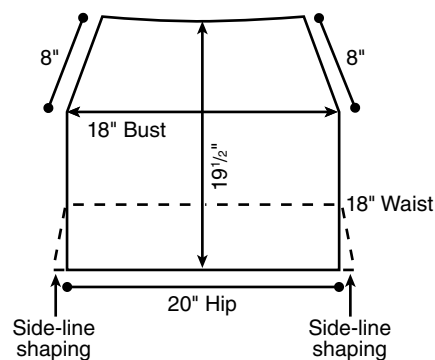

2. Work each side from the Panel out shaping the neckline until you reach the fullest part of the bust.

Start raglan armhole shaping and armhole shaping (*horizontal dart*) evenly reduce 10 stitches for cup sizes A and B, add 5 stitches for each cup size up.

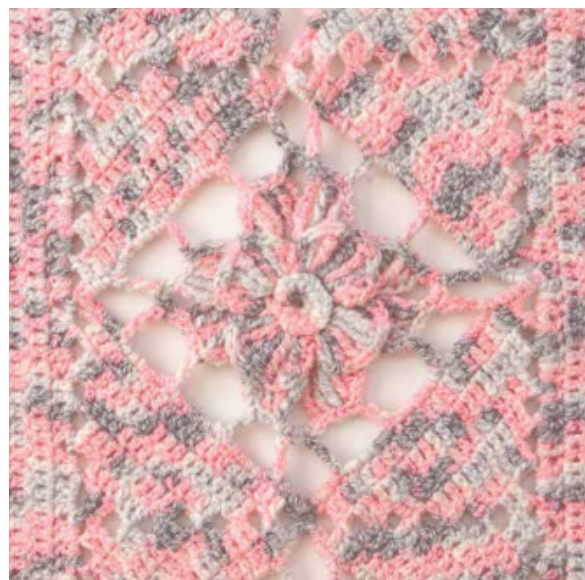

Work until the sides measure ¼ of the bust circumference (0 ease).

Work the other side as a mirror image.

3. Work the back (see *Back Diagram*)—each side from the center out shaping the neckline and raglan armhole until each side measures ¼ of the bust circumference. Numbers on Diagram are for medium size.

Just-My-Size Top (medium size)
Back Diagram

4. For wider hips, add several gradual short rows on the sides for hip shaping.

5. Sew side seams.

6. Work Sleeves connecting them to front and back as you work.

Verify Sleeve width by trying on an incomplete garment to make sure the Sleeve fits well.

7. Work edging along the neckline, bottom of the Body and Sleeves

Rnd 10: 6 sc in each ch-6 sp across sides and 9 sc in each ch-7 sp at corners. Fasten off.

When joining Flower Diamonds, join 1 corner with sl st in center st of corner on last Flower Diamond.

Insert Triangle

Row 1: Join (see *Pattern Notes*) at the side corner at bottom Diamond, ch 3, sk next 2 sts, dc in each of next 22 sts, sk next 4 sts at center, dc in each of next 22 sts, tr in center st of next corner, turn.

Row 2: Ch 3, sk next 2 sts, dc in each st across to center, sk next 4 sts, dc in each st across last 2 sts, sk next 2 sts, tr in top of beg ch-3, turn.

Next rows: Rep row 2 until you have 4 dc at center. Fasten off.

Make 3 or number needed Insert Triangles across each side Front Panel join in same st at side corner.

Corner Triangle

Row 1: Join in same st as Insert Triangle, ch 3, sk next 2 sts, dc in each of next 22 sts, sk next 2 sts, tr in same st as next Insert Triangle, turn.

Row 2: Ch 3, sk next 2 sts, dc in each st across to last 2 sts, sk last 2 sts, tr in top of beg ch-3 of last row, turn.

Next rows: Rep row 2 until you have 2 dc at center. At end of last row, fasten off.

Rep at rem 3 corners on Flower Panel.

First Front Side

Row 1: With RS facing, join at bottom of Flower Panel, ch 3, alternate 3 dc and 2 dc in each sp, make 3 dc in last sp, finish with dc in corner, turn.

Rows 2–6: Ch 2 (see *Pattern Notes*), dc in each st across, turn. This is your pattern row.

Rows 7–14 or to the fullest part of the bust ending with even-numbered row: Beg inc at neckline with 2 dc in first and last st of every row as work in pattern across.

Rows 15–30 or from the fullest part of the bust to the side line with zero ease: Dec 2 sts for raglan armhole shaping in every row at armhole edge by working across to last 2 sts, sk next st, tr in last st or at beg of row, ch 4, sk next st, work in pattern across, and **at same time**, at row 15 or right after the fullest part of the bust, beg bust dart shaping by dec 10 sts over 15 rows at the bust line which is one st per row, for cup sizes A–B, reduce 5 extra

sts for each cup size up. Extra reductions make the top shorter by the number of sts. For significant reductions consider adding a square to the front panel at the beg and making the top longer.

So if you had 130 sts at the end of row 1, you add 8 sts at neckline, minus 32 sts for raglan shaping and minus 10 sts for dart would leave you 96 sts or 130 initial plus your neckline inc minus 2 sts x raglan row minus dart dec equals your side sts. At end of last row, fasten off.

2nd Front Side

Work same as First Front Side on opposite side of Flower Panel.

Back

First Side

Row 1: Ch amount needed to be same length of Flower Panel on Front, dc in 3rd ch from hook and in each ch across, turn.

Rows 2–19: Ch 2, dc in each st across, turn.

Rows 20–22 or width symmetrical to front neckline shaping: Beg incs at neckline by working 2 dc in first or last st of every row at neckline or till top of front.

Rows 23–38 or with symmetrical to front raglan shaping: Raglan armhole shaping dec or your back length minus your side length equals raglan decs by alternating 2 or 3 st decs per row over the next 16 rows until you have dec 43 sts or your raglan decs over your number of rows to the side. At end of last row, fasten off.

2nd Side

Row 1: Working in starting ch on opposite side of row 1 on First Side Back, join in first ch and work the same as First Side Back.

Next rows: Work same as First Side Back.

Sideline Shaping

For wider hips add 3 short rows from waistline down. For shaping at the end of each row reduce the stitch height gradually 3 hdc, 3 sc, 3 sl st, leave 6 sts unworked and at the beg of next row, sl st in sl sts and sc, 3 sc, 3 hdc and then dc across.

Sleeve

Connect Sleeve to raglan armholes with sc as you work 26 rows over 9 sps.

Row 1: Join in top of raglan armhole on Back, ch 40 or your shoulder width, sl st in top of raglan armhole on Front, sc in each of next 2 chs, hdc in each of next 2 chs, dc in each ch across to last 4 chs, hdc in each of next 2 chs, sc in each of last 2 chs, sc to connect to armhole, turn.

Rows 19–24: Hdc in each of next 4 sts, dc in each st across ending with hdc in each of last 4 sts, and **at the same time**, inc 2 dc in every row by working 2 dc in same st, sc to connect to armhole, turn.

When working with 2 colors, work over color not in use.

Use Afghan Order and Direction of Construction as a guide for section being worked and the arrows indicated for the direction of the rows.

Most of the Afghan is worked with 2 colors in each row, which may cause your tension to be slightly tighter. Use care to maintain a proper tension.

Plastic Canvas Lining

Getting started: Lining consists of 3 pieces, #1 Back, #2 Front and #3 Bottom. Measurements given include number of mesh squares in [].

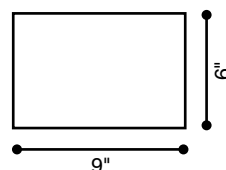

#1 Back: Referring to illustration 1 throughout, use a pencil to draw a horizontal 6-inch line A on piece of paper. Mark center of line A with dot and draw a vertical 6-inch line B that is perpendicular to line A beg at the dot. Make dot on the top of line B. Draw 2 lines C and D each 4 inches long out from this 2nd dot and parallel to line A. Using ruler as guide, connect end of line C with end of line A. Rep with end of line D and other end of line A. Cut this shape out of the paper and use marker to trace shape onto plastic canvas. Cut out shape of canvas.

Measurements for #1 Back: 6 inches tall (42 squares), 6 inches wide on bottom edge (42 squares), 8 inches wide on top edge (56 squares).

#1 BACK

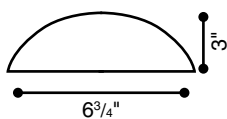

#2 Front: Referring to illustration 2, cut out piece of plastic canvas that is 9 inches wide [63 squares] x 6 inches tall [42 squares].

#2 FRONT LINING

#3 Bottom: Referring to illustration 3 throughout, cut out piece of plastic canvas that is ¼ inch smaller than crocheted Bottom of Basket. Approximate measurements: 6¾ inches long on straight edge [46 squares] x 3 inches tall up to center of curved edge [21 squares].

Set #1 Back, #2 Front and #3 Bottom aside to be sewn inside of Basket later.

#3 BOTTOM

Basket Assembly

Refer to Assembly Diagram throughout.

Use long ends to sew short sides of Basket Front/Back tog; overlap first 3 rows of parakeet about 1/2-inch. And then sew remainder of seam edge to edge. Use long end of color that matches rows when seaming to hide seam.

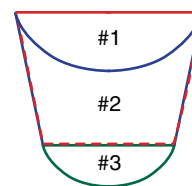

Insert plastic canvas piece #1 Back into back of Basket with seam matching center line of #1 Back; use parakeet and tapestry needle to sew top edges of crocheted Back section to #1 Back.

Unhook hook-and-loop fastener on Attachment Tab; using parakeet and tapestry needle, sew center 8 rows of Tab to Back of Basket. Align top seaming edge of Tab with row 25 of Basket.

Insert plastic canvas piece #2 Front and secure to crocheted Front of Basket. This will be a snug fit so that the Basket stretches out to a curved shape.

Sew piece #3 Bottom to bottom of other canvas pieces using parakeet and tapestry needle.

Pin and sew crocheted Bottom to plastic canvas #3 Bottom edges, across the middle and in the corners of Basket.
