Eyelids (skin color):

Row 1: 6 single crochet stitches.

Row 2: Weave 2 single crochet in each stitch from last row (12 stitches).

Row 3: *1 single crochet, 2 single crochet in next stitch*, repeat from *to* 6 times (18 stitches).

Fold in half each eyelid circles and sew them overhead and a little bit above each eye. With dark brown yarn and chain stitches embroider the eyelashes over the eyelid's folds.

Ears (skin color):

Make 2. Make a double adjustable ring. Weave:

Row 1: 6 single crochet stitches.

Row 2: Weave 2 single crochet in each stitch from last row 5 times (10 stitches).

With invisible stitches sew the ears to each side of the head like in the final project.

Hair (dark brown color):

The hair is weaved directly over the head, from the head's bottom to the top, inserting the hook in each stitch from the head's surface. From row 1 to 10, everytime you finish a row, you'll have to turn around the work, in order to start the next row. From row 11 till the end, you'll have to weave in spiral.

Each curl has 15 stitches and 15 single crochet weaved over them. The curls on the forehead have 8 chains and 8 single crochet stitches weaved over them. All curls are separated with some single

crochet stitches. Count from the head's bottom 5 rows and start weaving:

Row 1: *1 curl, 2 single crochet*, repeat from *to* 7 times and weave 1 curl on the end of the row (22 stitches).

Row 4 to 10: *1 curl, 5 single crochet*, repeat from *to* 5 times and weave 1 curl on the end of the row (36 stitches). Between rows, you can change the quantity of single crochet stitches that separate the curls, in order to make them fall down interlayer, giving the hair a much more natural look.

From Row 11 start weaving in spiral:

Row 11 to 16: *1 curl, 5 single crochet*, repeat from *to* till the end of the row. Remember that the curls over the forehead have only 8 chains and 8 single crochet stitches weaved over them.

From row 17 till the end: Weave all the curls with 15 chains and 15 single crochet stitches. Begin decreasing the quantity of single crochet stitches between curls, from 5 to 2, progressively. Weave as many rows as you need to cover all the head's surface.
