Rnd 51 to 54: Single crochet in each stitch.

Make a knot, cut the yarn with scissors and stuff it. Sew the head's opening to the body's opening, making the stitches from the round 49 of the body in order to get the sweater's neck fold towards out as in the final project.

Sweater's inferior border (light green color):

You have to crochet it directly over the body just inserting the hook in each stitch along the round where you changed colors between blue and light green:

Rnd 1: 57 single crochet stitches.

Rnd 2: Double crochet in each stitch.

Make a knot and cut the yarn with scissors.

Arms (light green color):

Make 2. In order to achieve the same texture that you have on the sweater, you have to crochet the single crochet stitches by just hooking through the back loop of the stitch below as you did on the sweater.

Start with double adjustable ring:

Rnd 3: *2 single crochet, 2 single crochet in next stitch*, repeat from *to* twice (8 stitches).

Make a knot, cut the yarn with scissors and stuff them lightly.

Hands:

Make 2. Start with a double adjustable ring:

Pink color:

Rnd 1: 6 single crochet stitches.

Rnd 2: 2 single crochet in each stitch from last round (12 stitches).

Rnd 3: *1 single crochet, 2 single crochet in next stitch*, repeat from *to* 6 times (18 stitches).

Rnd 5: Crochet this round in back post single crochet (insert your hook from the back side of the work around the post of each stitch from previous round) without increasing (24 stitches).

Switch to blue color:

Rnd 6 to 10: Single crochet in each stitch.

Make a knot, cut the yarn with scissors and stuff them. Sew each hand's opening to the arm's opening, making the stitches from the round 20 of the arm in order to get the sweater's cuffs over the hands.

Tail (blue color):

Start with a double adjustable ring:

Rnd 1: 6 single crochet stitches.

Rnd 2 to 11: Single crochet in each stitch.

Rnd 12: *2 single crochet, 2 single crochet in next stitch*, repeat from *to* twice (8 stitches).

Rnd 14: *4 single crochet, 2 single crochet in next stitch*, repeat from *to* twice (12 stitches).

Make a knot and cut the yarn with scissors. Without stuffing it, sew its opening over the lower part of the body's back. Cut some blue navy yarn pieces and fix them as hair at the end of the tail.

Ending details:

Sew the trunk's opening to the head, placing the increases on Rnd 31 as its superior border. The trunk's opening should be 3 cm above the head's opening. With blue yarn and chain stitches embroider along the round where you change colors between blue and pink. With black yarn embroider the nostrils on the trunk's pink circle.

Sew the head's opening to the body's opening, making the stitches from the Rnd 49 of the body in order to get the sweater's neck fold towards out as in the final project.

Sew the ears to both sides of the head, with their bases placed between Rnds 14 and 21 and leaving 13 cm of distance between them (the distance is measure from ear to ear, in the back of the head).

To assemble the eyes, first with black yarn embroider a line crossing the middle of the White circle in order to delimit both eyes and, at the back of this piece, join each border in one stitch to make it take an oval shape. Then, with black yarn embroider both irises, one to each side of the separation line. Place the eyes a bit over the trunk's base and sew them with invisible stitches. Then sew the eyelids overhead and a little bit above the eyes, like in the final project.

Sew each hand's opening to the arm's opening, making the stitches from the Rnd 20 of the arm in order to get the sweater's cuffs over the hands. Then, sew the arms to each side of the body, underneath the sweater's neck.

Sew the tail (without stuffing it) by its opening to the lower part of the body's back. Cut some blue navy yarn pieces and fix them as hair at the end of the tail.

With pink yarn and chain stitches, embroider on each hand and foot along the round where you change colors between blue and pink.

Enjoy!
