The Book of Crochet Flowers 2

*We are made of what nourishes us.
So, let us nourish our souls with beauty and wonders!*

*A simple crochet hook, a few balls of yarn,
just enough coloured thread, a lot of passion, a little patience,
a pinch of fantasy and... The Book of Crochet Flowers 2!
These are the magical ingredients that, mixed together, allow you
to go on creating more marvellous multi-coloured flowers,
which will make every moment lively and special.
Flower blossomed from a traditional, but still current, recipe,
that nurtures the passion of crochet lovers and stimulates
creativity of those who are never too full of art and beauty!*

Crochet Flowers ...

... a never wilting keepsake!
