Introduction

Amigurumi is of Japanese origin and is the art of creating cute dolls. This book is a collection of crochet patterns from the very best doll designers. Their most beautiful patterns have been brought together in one easy collection.

These patterns assume a basic experience of crochet. With a little crochet knowledge you will find most patterns easy. For each pattern is indicated the level: easy or intermediate.

Only one pattern is for experienced crocheters. All patterns are working in continuous rounds.

This book uses US crochet terminology:

Abbreviations

sc = single crochet (UK: double crochet)

Insert the hook into the work (into the second chain from the hook), wrap the yarn over the hook and draw through the work only. Wrap the yarn again and draw the yarn through both loops on the hook.

ch = chain

Wrap the yarn over the hook, pull the yarn through to make a new loop without tightening the first loop.

dc = double crochet (UK: treble crochet)

Wrap yarn over the hook, insert hook into the stitch to be worked. Wrap the yarn over the hook again and pull through the stitch (three loops remain on the hook). Wrap the yarn over the hook and pull through two of the loops on the hook (two loops remain on hook).

Wrap the yarn over the hook and pull through the remaining two loops on hook.

hdc = half double crochet (UK: half treble crochet)

Wrap yarn over the hook, insert the hook into the stitch to be worked, wrap the yarn over the hook again and pull through the stitch (three loops remain on the hook). Wrap the yarn over the hook and pull through all three loops on the hook.

sl st = slip stitch

Insert the hook into the work (into second chain from the hook), wrap the yarn over the hook. Draw the yarn through the work and the loop on the hook in one movement.

dec = decrease

Crochet 2 stitches together: insert the hook into the stitch, wrap the yarn over the hook and draw through the work, do the same into the next stitch. Wrap the yarn over the hook and draw through all three loops on the hook.

inc = increase

Make two (or more) stitches into the same stitch.

When crocheting in the round it is a good idea to mark the beginning of a row by placing a short piece of yarn across the work. This will show when you have come to the end of the row. Then pull the piece of yarn out and repositioned it for the next one.

Safety

Even though the plastic eyes used in Amigurumi are often called "safety eyes", they are not approved for use by children under 3. Parts which can come loose like beads, eyes and buttons are unsuitable for children under 3 years old. You can replace these parts with embroidery or crochet. Please ensure that small crocheted parts cannot get loose.

Crochet Owl

"I fell in love with amigurumi about 5 years ago, I love to write simple patterns using basic shapes that can be put together in interesting ways to make something adorable."

by Elizabeth Carr

www.etsy.com/uk/shop/Lybo

Skill level:

Materials:

1. Oddments of yarn in four different colours. I used sport weight cotton (UK 4-ply).
2. Two 6 mm plastic safety eyes.
3. Small amount of polyester stuffing.
4. Blunt-ended darning needle.
5. Crochet hook, size C-2 (UK 2.5 mm).
6. Fabric glue.

You can use thicker yarn if you like, your owl will just come out slightly bigger. Remember to increase the size of your crochet hook, you may also need slightly larger eyes.

Abbreviations:

- sc = single crochet
hdc = half double crochet
dc = double crochet
ch = chain
dec 1 = decrease 1 (join 2 sts into 1)
sl st = slip stitch
* * around = repeat the steps between the asterisks
() = total number of stitches in a round/row
R = Round
() = different type of sts in 1 st

Eyes

Make 2

R1: ch 3, 7 sc into second ch from hook.

Fasten off and sew in the ends.

Body

- R1: ch 4, 5 sc into second ch from hook.
R2: 3 sc into each sc around. (12)
R3: *sc 1, 2 sc in next sc*, repeat 5 times. (15)
R4: *sc 2, 2 sc in next sc*, repeat 6 times. (24)
R5-8: sc 30.
R9: *sc 4, dec 2*, repeat 6 times. (36)
R10-12: sc 37.
R13: *sc 3, dec 2*, repeat 7 times. (35)

Beak

R1: ch 3, sc into second chain from hook, ch 2 (turning chain).

R2: sc 3.

Wings

Make 2

R1: ch 7

R2: sc around

R3: sl st into second ch from hook, then working down the chain: sc, (hdc, sl st, hdc) into last ch.

R2 completed up to final sl st, about to work hdc:

R4: working down the other side of the original ch: dc, sc, dc, sl st. *Fasten off.*

Feet

Make 2

R1: ch 6, sl st.

R2: Ch 5 into each sc around. (12)

R3: *ch 5, then starting with second ch from hook, sl st 4. * repeat 5 more times.

Assembling the Parts

Do this carefully, pinning each piece in position before you sew it to make absolutely sure that you are happy with your owl's expression!

1. Push the plastic eyes through the centre of the crochet eye circle, then push through the body. Make sure you are happy with the position before attaching the safety back. If you like you can dab a little fabric glue around the underside of the crochet eye circle to stop it from curling up - this isn't always necessary - wait until you have stuffed the body and see if you need to.
2. Stuff your owl with the polyester filling. Then over-sew along the top of his head, gently shaping his ears.
3. Attach the beak between the eyes, sew in place, and if necessary add a dab of fabric glue to keep it in place.
4. Sew the feet in position, you will probably need a little fabric glue to make sure they stay in the correct position, pin them in place while the glue dries.
5. Finally, sew the wings in place, again add a dab of fabric glue to secure them if needed.

R25: dec, *dec, sc* x4, dec (18)
R26: dec x7, sc (12)

Fasten off, leaving long tail for sewing (embroidering nose later). Stuff head nice and very firm. Keep in mind that you are making a doll, not a plush.

Sewing Nose

Use the tail (yarn) left from making the head. Thread the needle. Mark the very center stitch on R12 of the head. Going from bottom head opening, bring the needle to marked stitch and wave the yarn over this stitch for 6 times. Finish by taking the needle out from the bottom head opening, cut and hide yarn inside the head's stuffing. Your tiny little nose is done.

Feet and legs

Start with ch6.

R1: starting from the second chain stitch work in one chain loop; sc3, continue working around chain, 2sc in one st (12)
R2: inc, sc4, sc3, inc2
R3-4: sc 18
R5: sc7, dec4, inc (15)
R6: dec, sc5, dec2, dec3 (12)
R7: dec4, sc4 (8)

Stuff the feet nice and firm.

R8-R20: sc9 (12 rounds)

Fasten off, stuff legs.

Connecting legs and working the body

Work with white or ecru color yarn. As we connect the legs we will be making the doll's panties. Bring both legs together, toes pointing same direction.

Single crochet first free stitch from the stitch where you attached white yarn (look at the 1st photo on the next page). Continue making 7 more single crochet stitches on this leg. Finish the round making last stitch at the same stitch where white yarn was attached.

R1: sc8 (first leg) + sc8 (second leg) (16)

R2: *inc, sc3* x6 (30)

R3: sc30

R4: *dec, sc3* x6 (24)

R5: sc30

On last stitch of R5, change yarn to skin color.

R6: back loops only: sc30

R7-R9: sc30

R10: *dec2, sc3* x6 (30)

R11-R13: sc24

R14-R17: sc19

R18: *dec, sc* x7 (14)

R19-R21: sc14

Fasten off leaving long tail for sewing body and head together later.

Edge of Panties

Working on front loops of R7, attach white yarn to any of front loops and work the following pattern to create tiny little edging on doll's panties

ch2, skip one stitch, slip stitch to next stitch repeat around.

Finish off, hide ends.

You can stuff doll's body now. Stuff nice and firm. After stuffing, sew body and head together. Set head pointing right direction and sew nicely around 12 stitches on each of two pieces.

Before closing the round completely, add some more stuffing to make neck nice and firm.

Shoe

In color of your choice.

Start with ch5.

R1: starting from the second chain stitch work in one chain loop; sc2, 5sc in the last chain stitch, continue working around chain, sc4, 3sc in one st

R2: 2inc, sc4, sc3, inc2

R3: sc, inc, sc4, *hdc inc, hdc* x2, sc6, inc, sc, inc (26)

R4-R6: sc24

R7: dec, sc6, dec4, sc6, dec (18)

Fasten off and hide ends.

Using white color yarn make running stitch across the last round of stitches.

Arms

Make 2

R1: sc6 (6)

R2: inc x8 (16)

R3-R4: sc16

R5: 5 dec, sc11 (12)

R6: *inc 2, sc* x4 (12)

R7-R21: sc12

Fasten off leaving long tail for sewing arm to the body. Stuff arm. Sew arms on sides of the body, on 3rd round from top.

Dress

Using color of your choice.

Starting with chain ch18, mark last stitch, make 7 more chains (these will be used for button loop). Work R1-11 in rows. Ch1 and turn after each row is finished.

R1: starting from the marked stitch (18th on your chain) sc20
 R2: *inc, sc2* x9 (36)
 R3: *inc, sc3* x10 (50)
 R4: *inc, sc4* x9 (54)
 R5-6: *inc, sc5* x9 (63)

 R8: sc6, skip sl st, sc3, skip sl st, sc12, skip sl st, sc2, skip sl st, sc7 (36)
 R9: sc27
 R10: sc15, *inc, sc* x7, sc14 (50)
 R11: sc50

From next round we will work in rounds, but each round will start with ch1 and finish with slip stitch to this chain. This way our edge will remain straight.

R12-R19: sc50 (8 rounds)
 R20: *ch3, skip one stitch, sl st to next* repeat around. This round creates nice lacy edge on the dress's bottom.

Fasten off.

In the back loops of R19, attach fingering yarn in white color.

Skip 2 st, 6sc in the next st repeat around.

Fasten off and hide ends.

Collar

Attach white, fingering yarn to first stitch of chain made when starting the dress.

R1: *inc, sc3* x7 (24)

R2: sc12, hdc x4 in the following stitch, sc10.

Fasten off and hide end.

Hide all visible yarns. Sew tiny little button on the back of the dress, making sure it matches same row as your loop.

Attaching the white color yarn to make border on dress's end.

Attaching yarn to make the collar.

Back view

Flower

This flower is for the dress and headband.

Working in magic loop:

R1: sc2, ch3, sl st to first sc made.

Fasten off leaving tail long enough for sewing it on the dress or headband.

Close the magic ring.

Sew the flower on chest part of the dress.

Leaf

This leaf is for the headband.

Start with ch6.

R1: sl st to the second chain stitch from hook, sc x3, hdc, hdc x3 in the last chain stitch, continue working around chain, hdc, sc x4.

Fasten off, leaving long tail for sewing.

Arrange ends so they stay on the back side of the leaf.

Sew the leaf on the headband later.

Eyes

Using black yarn.

R1: sc8 in loop

Fasten off. Hide ends in the back and cut them short.

Thread the needle with white thread or white fingering yarn. Simply wave the yarn around corner of one ch for two times and your white dot or spark is done.

Place your eyes right above nose line, leaving 4 stitches between them.

Make sure the sparks (white dots) are pointing the same direction when placing eyes on the face.

Apply glue on the back of each eye and place it safe with safety pins. Leave for at least one hour to dry.

While waiting for glue to dry, you have time to embroider mouth. Use photo below as your guide for embroidering the mouth. Mouth is placed four rounds below nose. The corners of the mouth are not parallel with inner eye edges. Bottom line of the mouth is hardly going four rounds below.

Another option to make lips is a tiny little vertical line (over one stitch), on fourth round below and parallel with nose. An example of such a mouth you can see on the pink dressed doll.

Eye make up (mandatory)

Once the eyes are dried and your pins are removed, you can use a white color pencil. Apply white pencil right above the eye. It will make face and eye look as having make up and will brighten the little black dots we crocheted as eyes.

Then use a fine point marker or black ball point and starting from top of each eye, draw a tiny little line on each of the inner side of eye. Draw the very fine line, hardly visible, but yet it makes a difference: it brings depth and shape to simple black yarn eyes.

Hair

With color of your choice.

R1: sc5 in magic ring (5)

Do not close the ring. Hair is worked in rows. After each row ch1 and turn.

R2-3: inc4 (8)

R4: *inc, sc3* x4 (20)

R5: *inc, sc3* x4 (20)

R6: *inc, sc4* x4 (24)

R7: sc33

R8: *inc, sc6* x4 (32)

R9-R15: *inc, sc6* x5 (40)

R16: ch27, starting on the last hair lock

R16: in addition to ch1 and turn

Hair locks

lock 1: Starting from the second chain stitch from hook make 2 sc in each of next 9 chain stitches, continue with dc in each of next 9 chain stitches, finish with 2dc in each of the next 5 sts. Your first lock is done. Secure it to the base of R14 in the following way: Skip 4 stitches, slip stitch to 4th stitch.

lock 2: Starting from the second chain stitch from hook make 3 sc in each of next 2 chain stitches, continue with 3 hdc in each of next 10 chain stitches, finish off.

Longer back lock3: ch3, starting from the second chain stitch, work ch in each of the next 10 stitches, continue with dc in each of the next 10 stitches, finish with dc in next 10 chain stitches. Skip 1 sts on the R14 and slip stitch to next (6th stitch).

Longer back lock 4: same as Longer back lock1

Now that you finished the long locks on the back, you continue with same size locks you made at the start of this row.

Locks 5 : same as short lock 2.

On the last lock, after making last slip stitch on R13, finish off and hide end.

inc sc worked over chain

dc inc

R1: sc5 (5)

Work in rows, after finishing each row, make ch1 and turn and start with next row.

R2: inc4 (8)

R4-5: inc4 (8)

R6: *inc, sc3* x3 (15)

R8: *inc, sc* x3 (9)

R9-R10: sc9

R11: dec, sc4, dec x2, sc2, dec, sc4, dec.

Fasten off and leave long end for sewing.

Secure and tie ends inside the head wig.

Center the hair piece on the head by placing a pin through magic ring of the hair and head.

Stretch the hair over the head and pin it.

At the end, arrange the fringes. Edges must match the edge on each hair side. Pin them on the sides.

Headband

Working in color of your choice. Leave long tail at the beginning.

Start by making 2 chain stitches.

R1: starting at the second chain stitch from the hook, sl st, sc2, dc3, sl st 2

Fasten off leaving long tail for sewing. Sew headband on sides of dolls head (over hair).

You can attach flower and leaf before adding headband on the head, or you can add them later. Instead of one flower, you can add several.

Your Lana Doll is now complete!

Your hair is done. You can place it on doll's head. To attach hair on the head you do not need glue: just sew it on.

Bear Bunnies

For our little ones with love.

"I have been into arts and crafts since my first memories. All my life I have been creating something: drawing, painting, DIY, sculpture, pottery, anything you can imagine. With Amigurumi I started at the beginning of 2013. I discovered it by accident: I was working on a chameleon doll for one of my nieces. That is how it all started. With one tiny chameleon!"

I just love making Amigurumi. To me it feels as putting together painting (the color), sculpture (creating the shape), crafting (crocheting itself). So it fills me completely and makes me very, very happy. Final satisfaction is seeing a wide smile on children's faces having in their hands one of my creations. That is priceless!"

- I worked in continuous rounds. You may use a stitch marker to mark beginning of rounds.
- The number at the end of each round is the total number of stitches in a round.
- When a number is followed by st, that stitch needs to be worked over that number of stitches.

Examples:

5sc means 1sc in each of next 5 stitches;
Dec 2 times means to decrease 2 times over the next 4sc;

Inc 5 times means increase in each of next 5 stitches.

- When you see **, work everything in them as a set.

Mia, the Monster Girl

"I learned how to crochet in school, but fell in love with drawing instead. I discovered Amigurumi over 40 years later. As you can see: It's never too late to try something new. My first design was a frog and it started with much trial and error. Nevertheless I was so happy and had to share this joy with a lot of people. You can find a lot of free patterns on my blog: amilovesgurumi.com. I wish you a lot of fun crocheting your little monster girl: Mia."

Materials:

1. Crochet hook 2.5 mm
2. Wool: Catania from Schachenmayr: anise (0245), fuchsia (0128)
3. A small amount of wool for the flower: white (0106) and canary (0208)
4. A small amount of pink wool to embroider the mouth
5. Polyester fiberfill
6. 2 pairs of 12 mm/ 0.47 inch safety eyes
7. Tapestry needle, sewing needle

Size:

Mia is 9 inches (23 cm) tall

Abbreviations:

- ch = chain
st = stitch
sc = single crochet
inc = increase: make two single crochet in one stitch
dec = decrease: two stitches crochet together with a sc
dcinc = two double crochet in one stitch
sl st = slip stitch
* * repeat = repeat stitches from * to end of *

- x = how many times you make a single crochet (or a dc) in each stitch
() = total number of stitches in a round/row
R = Round

sc with color change = change the color on this sc (When you make this single crochet stitch, grab the new color of your wool and pull it through the two loops on your hook).

Unless indicated otherwise, the parts for Mia are worked in rounds. You can start with 2 x ch or make a magic ring. Make the fingers with the arms before you start with the legs, because they are crocheted to the body. The rows should be marked with a thread.

Attention: Don't remove the thread marks on the legs and arms, you need them for orientation.

Finger

(3 x for one hand)
3 x ch with anise
R1-R6: 7 x sc

Cut the thread and sew it or tie the two yarn ends together and stuff them into the finger.

Hand with Arm

Take 9 strands of the hair and sew the flower to the hair and to the head

Hair

Start in the first stitch after the thread mark.

Tip: Crochet the 1st ch with two threads & continue with one thread, so the chain cannot dissolve.

Make chains in every stitch around the wig and cut the thread after every chain.

11 chains with each 32 x ch, 10 chains.

Flower for the hair

2 x ch with white

R1: 5 x sc, sc with *color change to canary* (6)

R2: sc, 4 x ch, sc in the same stitch, *sc in next stitch, 3 x ch, sc in the same stitch* repeat 4 times.

R3: sc in each st around (56)

Shaping the belly button: Insert your needle with anise wool from the back and pull it to the front, leave a long tail in the back.

Then skip three stitches and pull the needle to the back again. **Important:** The needle has to be in the same stitch, where you started from.

Pull the thread so it forms a belly button in the front and make a knot in the back with the two strands and hide them inside the body.

Embroider a mouth with pink wool and Mia, your monster girl is finished!
