

KTBdesigns Cherry Cupcakes with removable wrappers

Thanks Any questions about the pattern please email me at...E-mail: cmsally@primus.ca

Materials Needed

I used worsted weight yarn in a chocolate colour or whatever colour you would like for the cake part of the cupcake. I used "Bernat Satin" in a hot pink, light pink and mint green for the icing, or whatever colour you choose for the icing. I like the "Bernat Satin" yarn for the icing because it has just a little sheen that makes it look real. I used "Bernat Baby" yarn in white for the cupcake wrapper.

Size 4mm crochet hook

Stitch marker I use a scrap of contrasting yarn

Yarn needle (large eyed) sewing needle and thread

Fiberfill

Notes

Finished cupcakes measures 3.5"x 3".

A portion of this pattern is crochet in continuous spirals where the rounds are not joined. It will be stated if rows are to be joined. When working in continuous rounds, place stitch marker at the beginning of each round.

Cherry for cupcake

1. Ch 2, work 6sc in second ch from hook.
2. Work 2sc in each stitch =12sc.
3. Work (sc next 2 stitches together) x6 =6sc. Bind off leaving a 5" tail of yarn. Use needle thread on tail of yarn to sew cherry to top of cupcake. No need to stuff cherry.

To assemble, stuff both cupcake pieces lightly with fiberfill and sew icing to cupcake bottom. I used a needle and thread to sew my pieces together instead of sewing them together with yarn. I found that the thread wasn't as visible as the yarn.

2. Ch 2, 15dc in center of circle, ss in top of ch to join.

See photo (right) below.

3. Sc in second ch from hook, work hdc, dc, sc. Bind off leaving a 10" tail of yarn. Tie the beginning tail of yarn to the remaining cherry and finish as above.
