A portion of this pattern is crochet in continuous spirals where the rounds are not joined. It will be stated if rounds are to be joined. When working in continuous rounds, place stitch marker at the beginning of each round.

You need to push the end of the fish in, it will naturally fold along row 4 where you crochet in the back loops. See photo.

To make the fish lips... (do fish have lips?)

1. Attach grey yarn to any remaining loop from round 4 and work sc in each stitch around, ss to join and bind off.

To make the fish scales... use approx. 220" of the multi coloured yarn on a needle

Note: This is a very difficult step to describe, easy to do, but hard to describe. I hope the photos will help.
