- ★ — work instructions following ★ as many **more** times as indicated in addition to the first time.
- () — work enclosed instructions **as many** times as specified by the number immediately following **or** work all enclosed instructions in the stitch or space indicated **or** contains explanatory remarks.
- work even — work without increasing or decreasing in the established pattern.

GAUGE

Correct gauge is essential for proper fit. Hook or needle sizes given in instructions are merely guides and should never be used without first making a sample swatch approximately 4" square in the stitch, yarn, and hook or needle specified. Then measure it, counting your stitches and rows carefully. If you have more stitches per inch than specified, try again with a larger size hook or needle; if fewer, try again with a smaller size. Keep trying until you find the size that will give you the specified gauge. **DO NOT HESITATE TO CHANGE HOOK OR NEEDLE SIZE TO OBTAIN CORRECT GAUGE.** Once proper gauge is obtained measure width of garment approximately every 3" to be sure gauge remains consistent.

MARKERS

CROCHET

Markers are used to help distinguish the beginning of each round being worked. Place a 2" scrap piece of yarn before the first stitch of each round, moving marker after each round is complete.

KNIT

As a convenience to you, we have used markers to help distinguish the beginning of a pattern. Place markers as instructed. You may use purchased markers or tie a length of contrasting color yarn around the needle. When you reach a marker on each row, slip it from the left needle to the right needle; remove it when no longer needed.

BACK LOOP ONLY

Work only in loop(s) indicated by arrow (Fig. 1).

Fig. 1

FREE LOOPS OF A CHAIN

When instructed to work in free loops of a chain, work in loop indicated by arrow (Fig. 2).

Fig. 2

REVERSE SINGLE CROCHET

Working from **left to right**, ★ insert hook in st to right of hook (Fig. 3a), YO and draw through, under and to left of loop on hook (2 loops on hook) (Fig. 3b), YO and draw through both loops on hook (Fig. 3c) (**reverse sc made**, Fig. 3d); repeat from ★ around.

Fig. 3a

Fig. 3b

Fig. 3c

Fig. 3d

ADDING NEW STITCHES

Insert right needle into stitch as if to **knit**, yarn over and pull loop through (**Fig. 4a**), insert left needle into loop just worked from front to back and slip onto left needle (**Fig. 4b**). Repeat for required number of stitches.

Fig. 4a

Fig. 4b

SLIP 1, KNIT 1, PASS SLIPPED STITCH OVER

(abbreviated slip 1, K1, PSSO)

Slip one st as if to **knit**. Knit the next st. With the left needle, bring the slipped st over the knit st (**Fig. 5**) and off the needle.

Fig. 5

KNIT 2 TOGETHER

(abbreviated K2 tog)

Insert the right needle into the **front** of the first two sts on the left needle as if to **knit** (**Fig. 6**), then knit them together.

Fig. 6

KNIT 2 TOGETHER THROUGH THE BACK LOOPS

(abbreviated K2 tog tbl)

Insert the right needle into the **back** of the first two stitches on the left needle from **front to back** (**Fig. 7**), then knit them together.

Fig. 7

YARN OVERS

After a knit stitch, before a purl stitch

Bring yarn forward **between** the needles, then back **over** the top of the right hand needle and forward **between** the needles again, so that it is now in position to purl the next stitch (**Fig. 8a**).

Fig. 8a

After a purl stitch, before a knit stitch

Take yarn **over** right hand needle to the back, so that it is now in position to knit the next stitch (**Fig. 8b**).

Fig. 8b

After a knit stitch, before a knit stitch

Bring the yarn forward **between** the needles, then back **over** the top of the right hand needle, so that it is now in position to knit the next stitch (**Fig. 8c**).

Fig. 8c

PICKING UP STITCHES

When instructed to pick up stitches, insert the needle from the **front** to the **back** under two strands at the edge of the worked piece (Figs. 9a & b). Put the yarn around the needle as if to **knit**, then bring the needle with the yarn back through the stitch to the right side, resulting in a stitch on the needle.

Repeat this along the edge, picking up the required number of stitches.

A crochet hook may be helpful to pull yarn through.

Fig. 9a

Fig. 9b

WEAVING SEAMS

With the **right** side of both pieces facing you and edges even, sew through both sides once to secure the seam. Insert the needle under the bar between the first and second stitches on the row and pull the yarn through (Fig. 10). Insert the needle under the next bar on the second side. Repeat from side to side being careful to match rows. If the edges are different lengths, it may be necessary to insert the needle under two bars at one edge.

Fig. 10

We have made every effort to ensure that these instructions are accurate and complete. We cannot, however, be responsible for human error, typographical mistakes, or variations in individual work.
