HELPFUL HINTS

Use double-pointed needles entirely on these patterns, with rubber stoppers on the ends when doing straight knitting. They are handy to use and easy to carry with you in your purse. They eliminate putting sts on holders in some cases as you can use the extra dp needles and leave stitches not being worked on the same needles they are on.

Be sure you bind off loosely where directed; use a size larger if necessary. Weaving seams together from the right side makes a less bulky seam.

Buttonhole can be made wherever desired by working a "yarn over, k 2 tog" where you wish to make a buttonhole.

To reverse shaping simply begin at end of row and work backwards.
