BEFORE CASTING THE FIRST STITCH

VERY IMPORTANT : THE TENSION SAMPLE

YOUR TENSION MUST BE IDENTICAL to that given in the instructions to obtain a garment of the correct size and shape.

TO BE SURE OF THIS YOU MUST KNIT A SAMPLE :

● STITCHES :

With each design we indicate the number of stitches needed for the sample. This will allow for the stitches needed in the case of a pattern repeat.

● ROWS :

Work about 15 cm in length or in the case of a pattern you are not familiar with, work a longer sample. Cast off the stitches.

CHECKING YOUR TENSION :

Use some pins to mark out in the centre of the sample a square 10 cm each way.

Count the number of stitches and rows included inside the square.

If you have **fewer** stitches to 10 cm than the stated tension you should try again with **smaller needles**. If you have **more** sts to 10 cm than the stated tension you should try again with **larger needles**.

Use needles which produce correct tension for the main parts of the garment making similar adjustments to needles use for the ribbing or other parts.

TIPS AND ADVICE

KNITTING

Single rib. *K1, P1, *rep from *to* on each row. If you have an odd number of sts the instructions will tell you how to arrange the rib.

Double rib. *K2, p2* rep from *to* along the row. Right-side rows usually end with k2 and then the wrong-side rows will read: *P2, k2*, ending with p2. Double rib can be arranged in different ways according to the pattern and the effect required.

Stocking stitch. K on right side, p on wrong side

Reversed stocking stitch. P on right side, k on wrong side.

Garter stitch. K each st on every row. Each ridge which you can see counts as 2 rows.

CROCHET:

Chain. Beg with a loop already on hook pass hook under the yarn and draw a loop through.

Slip-sts. Insert hook under the chain or into a st in previous row, yarn over hook and draw it through the st of ch and through the ch already on hook.

Double crochet. (US, single crochet) Insert hook under a ch or into a st in previous row, yarn over hook, draw a loop through, yarn over hook and draw through the 2 loops on hook.

Treble. (Us double crochet) Yarn over hook, insert hook under a ch or into a st in previous row, yarn over hook and draw a loop through, yarn over hook and draw is through 2 loops, yarn over hook and draw through rem 2 loops..

ASTERISK

The sts given between two small stars must be worked along the row either the number of times stated or until a certain number of sts remain at the end. Square brackets are often used for the same purpose and the sts inside the brackets must be worked the number of times stated afterwards.

SIZES

Where garments are in more than one size the smallest size is given first with any necessary alterations for the larger sizes given in round brackets in size order. If there is only one figure it applies to all sizes.
