IN 2 SIZES TO FIT 18 TO 20 AND 20 TO 22 INCH CHEST

IMPORTANT:-

As different dye-lots should not be worked into the same garment, it is most important that you should make sure of having sufficient yarn from the one dye-lot to complete the garment. Each dye-lot has a separate letter, which is shown on the band or skein ticket.

Details for larger sizes are given in square brackets. Where only one set of figures is given this applies to all sizes.

Tension:- Equivalent to a basic tension of 14 sts. and 18 rows to a 2 inch square measured over stocking stitch on No. 10 needles.

READ THIS BEFORE COMMENCING

The size of the finished garment depends on the TENSION. If the tension is too loose the garment will be too large; if the tension is too tight the garment will be too small. For a perfect result the correct tension and the Ladyship yarn specified should be used. If you cannot produce this tension on the needles stated try a size smaller needle if too loose; try a size larger needle if too tight until the correct tension is obtained.
