Care Bears™ are a team of adorable bears, each with its own way of sharing feelings and its own bright tummy symbol. They live in Care-a-lot, a beautiful, cotton-candy-cloud play land with glittering stars and glowing rainbows. Catch some fun by choosing from ten of the colorful cuties in 14" (35.5 cm) bears you can crochet. Remember, wherever the Care Bears go, and whatever the Care Bears do, in their soft, fuzzy, and funny way, they share their special gift of caring with everyone they meet.

Making Your Care Bears™

Making your favorite bear is easy to do! Each bear is crocheted from the same basic bear pattern, which begins on page 6. Refer to the handy color palettes on pages 4 and 5 to choose your yarn and thread colors. Close-up color photography guides you along the way. Your bear will quickly take shape because you assemble and stuff it as you go.

Then, make your bear come alive with personality by adding its colorful tummy symbol from pages 12-30. Since these symbols are crocheted from thread, their tiny details reflect the character's special gift with charm.

Once your tummy symbols are complete and sewn on, you'll have a wonderful friend for someone special in your life!

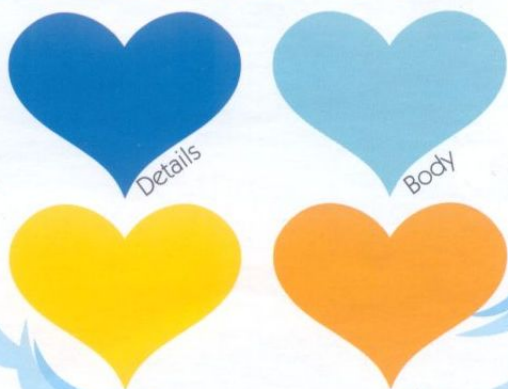

Color Palettes

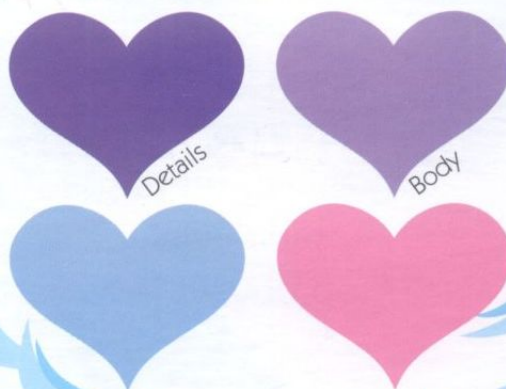

Use these color palettes for ease in yarn, thread, and felt selection. The Body color is for selecting the Basic Bear medium/worsted weight yarn. Use the Details color when choosing thread for the Nose, Foot Pads, Mouth, and Eyebrows. Match the Details color when selecting felt for the bear's Eyes.

Both unlabeled colors and Details colors assist when choosing thread for Tummy symbols.

Bring thread over foot and insert needle through instep and go straight through foot and out sole at same point; pull tightly. Take a couple of very small stitches to secure; insert needle inside the foot and push it out the bottom so the yarn does not show; cut the end close to the foot.
