Making Your Care Bears

Making your favorite bear is easy to do! Each bear is crocheted from the same basic bear pattern, which begins on page 4. Refer to the handy color palettes on pages 2-3 and 18-20 to choose your thread colors. Close-up color photography guides you along the way. Your bear will quickly take shape because you assemble and stuff it as you go.

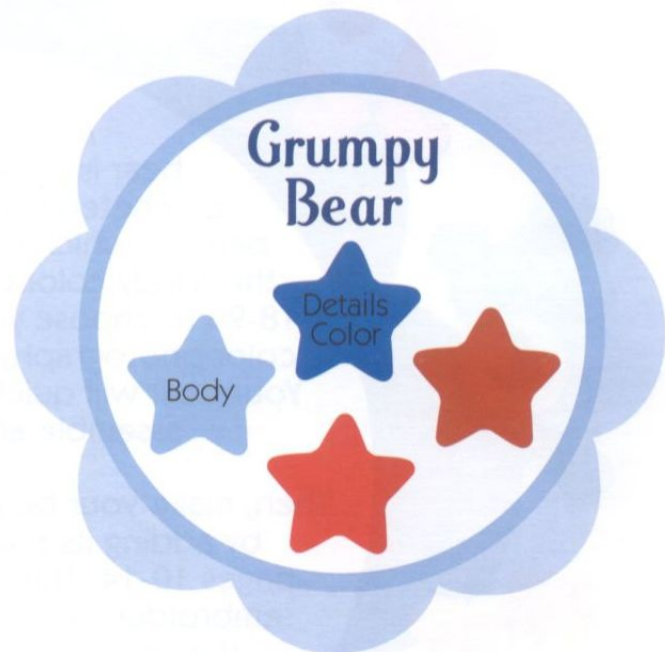

Then, make your bear come alive with personality by adding its colorful tummy symbol from pages 10-14. These symbols are stitched with embroidery floss, their tiny details reflecting the character's special gift with charm.

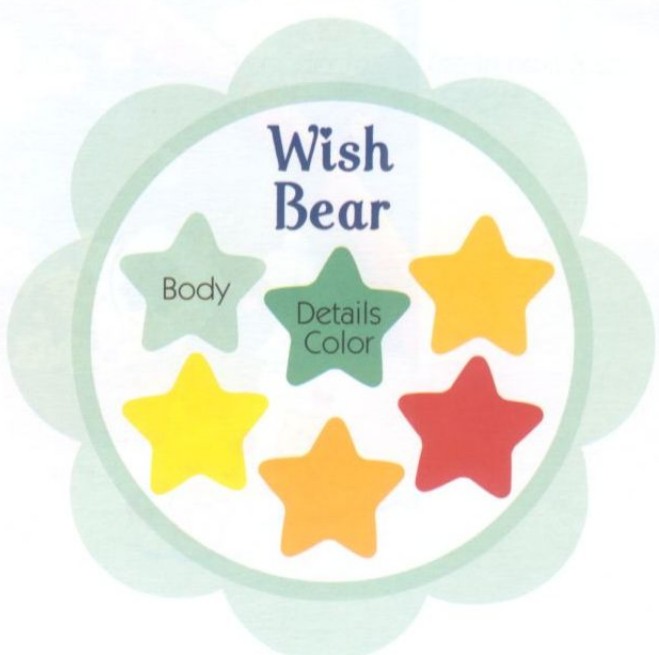

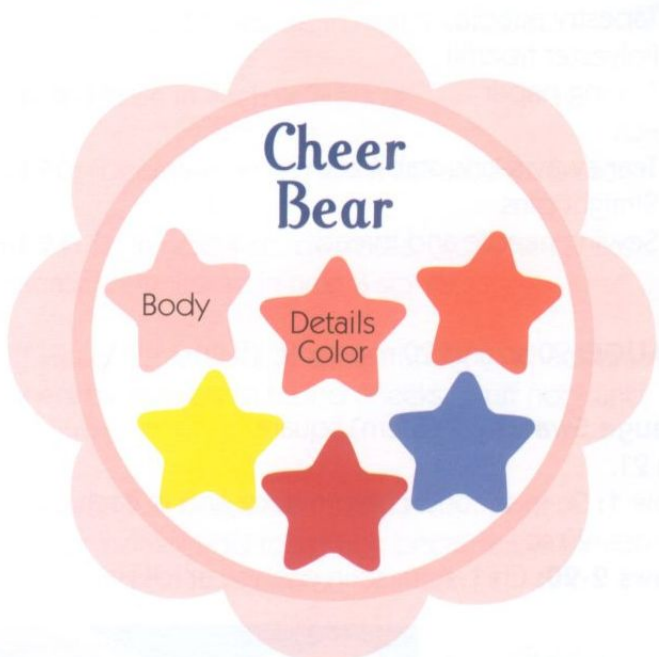

Once your tummy symbols are complete, you'll have a wonderful friend for someone special in your life.

Color Palettes

Use these color palettes for ease in thread and floss selection. The Body color is for selecting the Basic Bear bedspread weight thread. Use the Details color when choosing floss for the Nose, Foot Pads, Mouth, Eyes, and Eyebrows. Both unlabeled colors and Details colors assist when choosing floss for Tummy symbols.

TOE SHAPING

To shape toes, thread tapestry needle with cut ends of a doubled strand of Body color. Using photo as a guide for stitch placement, insert needle through sole at first toe position and go straight through foot and out instep, pulling thread through until loop protrudes from foot. Bring thread over top of foot to form toes and insert needle through loop; pull tightly. Insert needle back through foot on outside of loop to secure and bring needle out at second toe on foot. Bring thread over foot and insert needle through instep and go straight through foot and out sole at same point; pull tightly. Take a couple of very small stitches to secure; insert needle inside the foot and push it out the bottom so the thread does not show; cut the end close to the foot. Use tip of needle to pull stuffing into toe areas and shape foot.

Flatten top of Leg with Foot pointing forward. In this position each Leg angles upward at outer edge. Sew seam at top of each Leg. Following curve of Tummy, sew Legs to Body at front of Body so that the bear can sit.

FOOT PAD

Referring to photo and diagram below, use 6 strands of Details color to work Satin Stitch for one Heart on bottom of each Foot (**see Embroidery Stitches, pages 17-18**).

With Body color and leaving a long end for sewing, ch 10; join with slip st to form a ring.

Rnd 1: Ch 1, sc in each ch around; do **not** join, place marker: 10 sc.

Rnds 2-5: Sc in each sc around.

Rnd 6: Decrease around; finish off leaving a long end for sewing: 5 sc.

Thread tapestry needle with long end and weave thread through remaining sc on Rnd 6, pull tightly and secure end. Sew Tail to center back of Body.

HEAD TUFT

Pull centers of two 6" (15 cm) strands of Body color through center top of head; insert ends through loop formed, pull firmly. Trim strands; separate plies of thread.

MUZZLE

Rnd 3: (2 Sc in next sc, sc in next sc) around: 24 sc.

Rnd 4: (2 Sc in next sc, sc in next 5 sc) around: 28 sc.

Rnd 5: Slip st in next sc, sc in next 21 sc, slip st in next sc, leave remaining 5 sc unworked (top); finish off leaving a long end for sewing.

Referring to photo, use 2 strands of Details color to work Straight Stitch for Eyebrows.

HIP HEART

Referring to photo below, use 6 strands of Red to work Satin Stitch Heart on right hip.

TUMMY

Rnd 7: Sc in next 3 sc, 2 sc in next sc, (sc in next 5 sc, 2 sc in next sc) 7 times, sc in next 2 sc; slip st in next sc, finish off leaving a long end for sewing: 56 sc.

Baste a piece of stabilizer to the **wrong** side of the Tummy. Trace the pattern for the desired character (page 10, 12, or 14) onto tracing paper. Center and pin the pattern to the **right** side of the Tummy; baste in place. Before beginning to embroider Tummy Symbol, please read all instructions at the top of page 10. Following the diagram and being sure to stitch through all three layers, embroider the Tummy Symbol. After embroidery is complete, carefully tear away excess tracing paper and stabilizer.

Using photo as a guide, sew the Tummy to the front of the Body as shown, stuffing lightly before closing.

Tummy Symbols

Use two strands of embroidery floss for the Tummy Symbols unless otherwise indicated. Outlines and detail lines are worked with Backstitch or Outline Stitch. For straight lines use Backstitch; for curved lines use Outline Stitch. Large areas of color are worked using Satin Stitch. Any other stitches are indicated on the pattern.

GAUGE

Exact gauge is **essential** for proper size. Before beginning your Bear, make the sample swatch given in the individual instructions in the thread and hook specified. Keep trying until you find the size hook that will give you the specified gauge.

MARKERS

Markers are used to help distinguish the beginning of each round being worked. Place a 2" (5 cm) scrap piece of thread before the first stitch of each round, moving marker after each round is complete.

JOINING WITH SC

When instructed to join with sc, begin with a slip knot on hook. Insert hook in stitch or space indicated, YO and pull up a loop, YO and draw through both loops on hook.

DECREASE

Pull up a loop in next 2 sc, YO and draw through all 3 loops on hook (**counts as one sc**).

Embroidery Stitches

CHAIN STITCH

Chain Stitch is worked from right to left. Make all stitches equal in length. Come up at 1 and make a counterclockwise loop with the floss. Go down at 1 and come up at 2, keeping the floss below the point of the needle (**Fig. 1a**). Make a loop with the floss and go down at 2; come up at 3, keeping floss below the point of the needle (**Fig. 1b**). Secure last loop by bringing floss over loop and down.

Fig. 1a

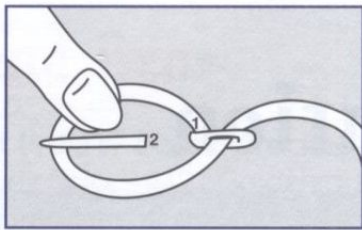

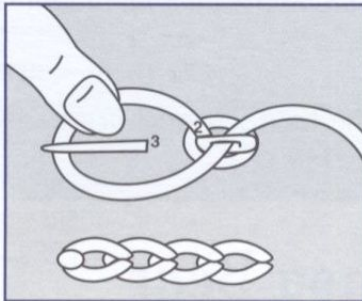

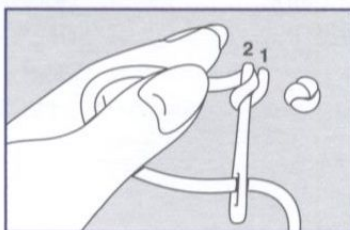

Fig. 1b

FRENCH KNOT

Bring needle up at 1. Wrap floss around the needle the desired number of times and insert needle at 2, holding end of floss with non-stitching fingers (**Fig. 2**). Tighten knot; then pull needle through, holding floss until it must be released.

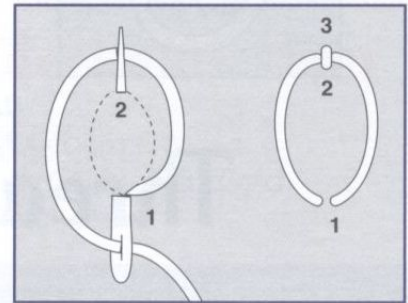

Fig. 2

LAZY DAISY STITCH

Make all loops equal in length. Come up at 1 and make a counterclockwise loop with the floss. Go down at 1 and come up at 2, keeping the floss below the point of the needle (**Fig. 3**). Secure loop by bringing floss over loop and down at 3. Repeat for the desired number of petals or leaves.

Fig. 3

OUTLINE STITCH

Bring needle up at 1, leaving an end to be woven in later. Holding floss above with thumb, insert needle down at 2 and up again at 3 (halfway between 1 and 2) (**Fig. 4a**); pull through. Insert needle down at 4 and up again at 2, making sure floss is above needle (**Fig. 4b**); pull through. Continue in this manner.

Fig. 4a

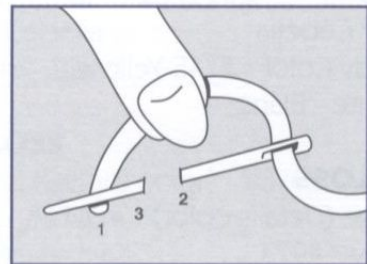

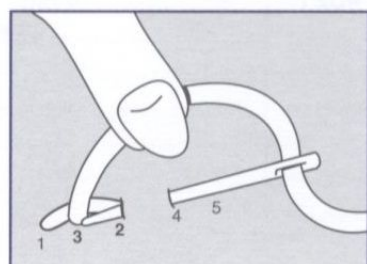

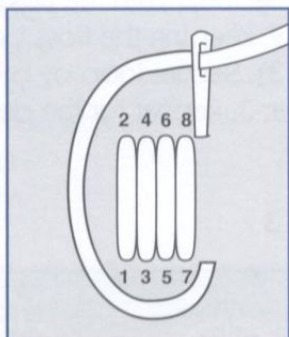

Fig. 4b

SATIN STITCH

Satin Stitch is a series of straight stitches worked side by side so they touch but do not overlap. Come up at odd numbers and go down at even numbers (**Fig. 5**).

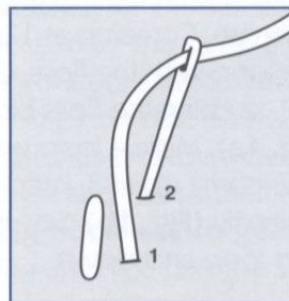

Fig. 5

STRAIGHT STITCH

Straight Stitch is just what the name implies, a single, straight stitch. Come up at 1 and go down at 2 (**Fig. 6**).

Thread Information

Each Bear in this leaflet was made with Bedspread Weight Thread and six strand embroidery floss. Any brand of Bedspread Weight Thread or embroidery floss may be used. It is best to refer to the yardage/meters when determining how many balls or skeins to purchase. Remember, to arrive at the finished size, it is the GAUGE/TENSION that is important, not the brand of thread.

For your convenience, listed below are the specific threads and floss used to create our photography models.
