INTRODUCTION

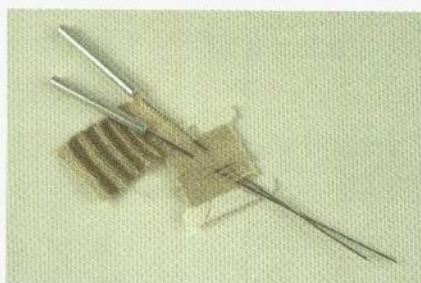

I always wanted a dolls' house and, when my husband John built one for me a few years ago, it opened up a whole new world of hobbies and interests for us. I have loved needlework and knitting since childhood and John enjoys woodwork and painting, so together we found we were able to make a varied selection of miniature items in 1/12 scale.

Knitting in miniature didn't really occur to me until I bought some rubber baby dolls.

At first I dressed them with material oddments and lace, but I had a wide range of embroidery silks to hand, so tried using them with miniature knitting needles to create some baby outfits. One idea led to another and, when I had requests for other items, I gradually progressed to making designs for 'older' 1/12 scale dolls and furnishings for their homes too.

This book is the culmination of my efforts. I hope you derive as much pleasure from making the projects as I did from creating them.

Linda

MATERIALS AND EQUIPMENT

The fact that I use embroidery silks in skeins which need separating – rather than conventional knitting cottons and silks – makes my mini-knits fairly unusual. It also means that the finished items are much finer than those knitted conventionally, and the stitches are more in scale with the 1/12 size when the suggested mini-knitting needles are used, namely UK size 19, Metric size 1.00mm, or US size 5/0, for all patterns except the 'Hooded Jacket and Leggings' (page 16), which requires UK size 20 or Metric size 0.90mm needles. (There is no US equivalent to this UK size).

I also use tiny safety pins, which are helpful for holding small sections of knitting temporarily, and sharp scissors and fine sewing needles are a necessity for making up the designs. To finish off the garments I use tiny 'trim-it' beads for buttons, very narrow ribbon – $\frac{1}{8}$ in (3mm) wide – and, where needed, shirring elastic.

SIZING

I have created the designs with three generations of dolls in mind: 'babies' from approximately 2–2½in (5–6.5cm) tall, 'children' from 2¾–4¾in (7–12cm), and 'adults' from 5–6¾in (12.5–16cm). I have found that embroidery silk has sufficient natural elasticity to ensure a good fit within these sizes of dolls. Of course, the designs in the Home Furnishings section depend on the individuality of your dolls' house furniture.

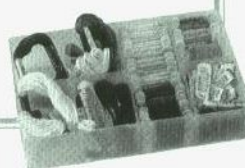

COLOURS

Choosing colours for the designs is very much a choice for the knitter. I find it best to use lighter or pastel colours when working a more intricate pattern, as the stitches are far easier to see while work progresses, and the overall pattern is much clearer on the finished item. I tend to use darker or deeper colours for the plainer items which are knitted mainly in garter stitch or stocking stitch. Nevertheless, the designs can be equally attractive in various colours, as portrayed in the accompanying photographs.

Scalloped Cast-off Edging

K1, put stitch back on left-hand needle and knit again, then knit next stitch and cast off previous stitch. Continue in this manner, casting off as you go, until 1 stitch rem.

Fasten off.

TO MAKE UP

Sew in any loose ends on the shawl, then make a tassel on each corner (see diagram below).

Making a tassel

TO MAKE A TASSEL

- Sew a length of thread approx. 8–9in (20–23mm) long to one corner of the shawl.
- Take the needle from back to front through the edge of the work, in the gap between the stitches, to form a loop approx. $\frac{1}{16}$ in (17mm).
- Make 3 more loops in the same manner.
- Make a knot by bringing thread round to the front, wrapping it around all the loops about $\frac{1}{4}$ in (6mm) from the top and back through itself.
- Rep once or twice more if necessary, and draw up tightly.
- Fasten off securely at back of work.
- Rep the process on the other two corners.
- Cut the loops, and trim to the desired length.

MATERIALS

- ❖ 1 skein DMC, Anchor or equivalent embroidery silk – use 1 strand only
- ❖ 1 pair UK size 19 or US size 5/0 mini knitting needles

TO MAKE UP

- Sew in sleeves at armholes.
- Stitch side seams from cast-on edges of back and fronts to cast-on edges at sleeve cuffs.
- Add 4 bead buttons to correspond with buttonholes.

NOTE

If this garment is to be worn by a doll, sew the leg and sleeve seams halfway only to make it easier to pull over the doll's hands and feet. The remainder of the seams can then be stitched neatly on the outside of the garment.

MATERIALS

- ❖ 1½ skeins DMC, Anchor or equivalent embroidery silk – use 1 strand only
- ❖ 1 pair UK size 19 or US size 5/0 mini knitting needles
- ❖ Small safety pins
- ❖ 10 bead buttons

COVERLET (facing page)

Small size, e.g. for cot or pram: 67 sts – 6 pattern reps.

Larger sizes: add multiples of sts and pattern reps as required: e.g. Single bed size: 111 sts, 8 pattern reps. Double bed size: 155 sts, 9 pattern reps.

VARIATIONS

DOILY OR PLACE MAT (above)

Make two half-round pieces for each
23 sts – 1 pattern rep – for each piece.
Join at cast-off edges.

TABLE CENTRE (above)

Centre Section: as round Doily.

Outer Section: 133 sts – 1 pattern rep.

Sew cast-off edge to outer edge of centre section and join side seam.

TABLECLOTH

As Table Centre (round), then add further outer edges as required, trebling number of multiple sts every time.

ANTIMACASSAR SET (top)

23 sts – 3 pattern reps.

RUNNER, FOR TABLE (below right)

Make two pieces.

Use single, double – and so on – multiples of sts as required. Work pattern reps to **half** length needed and join at cast-off edges for centre, e.g. 23 sts, 2 pattern reps for each piece.

ABOUT THE AUTHOR

LINDA SPRATLEY has been interested in general arts and crafts for as long as she can remember and has always busied herself with needlework and knitting in her spare time. While working as an office administrator she continued her hobbies at every opportunity, making soft toys, cross-stitch pictures and knitted items for friends and family as well as for herself.

In later years, being the proud owner of her first dolls' house, she found that most of the things she made in normal size she could also make in miniature. This soon progressed to include model making and canvas basketware. Then Linda began using a home computer to create miniature publications for dolls' houses, to design cross-stitch charts and also, of course, to print her knitting patterns.

Linda no longer goes out to work so spends her time at home juggling the usual household duties with her passion for making dolls' house miniatures.

All the ideas that Linda and her husband John think of attempting as miniatures have to be 'tried and tested' several times, as just making them once can sometimes be a fluke. Therefore, as they usually have far more stock than they can use for their own dolls' houses, they exhibit at dolls' house fairs in the south-east of England using the name Johlin Designs. They also sell miniatures by mail order from home, or on their website address, www.johlindesigns.com.

Linda has a daughter, a son, and a grandson and lives with her husband in Kent.

This delightful book of 40 original hand-knitting patterns will appeal to knitters and dolls' house enthusiasts alike. The intricate designs cover a wide range of items, for babies, children, adults and the miniature home, and patterns can be adapted easily by experienced knitters to suit different eras.

The author's use of stranded embroidery silk ensures that the items have a much finer finish than those knitted in conventional knitting cotton, so they are more in scale with 1/12 scale miniatures.
