**STAR RATING FOR
KNITTING**

∞ One star means that the pattern is at the beginner level of knitting - basic stitches only, with simple shaping.

∞ ∞ Two stars mean easy knitting, with some lacy patterns and/or simple two colour patterns.

∞ ∞ ∞ Three stars are patterns for advanced knitters - this could include more intricate patterns involving complicated lace-work, aran or fairisle styles, requiring a higher level of concentration and patience.

GENERAL HINTS

Please read the pattern instructions carefully before purchasing any materials and beginning. Select the yarn specified in the patterns so that the correct tension will be achieved. Check that your tension is the same as the pattern by working a test sample; if you are a slack worker you may need to use a smaller needle, or a larger size if your work is tight. Buy sufficient yarn to make the garment at one time and always check that it is from the same dye lot, different dye lots can vary in colour.

MATERIALS

We recommend 3 and 4 ply baby knitting yarns. The type/ply of yarn to be used is indicated at the beginning of each pattern.
