Small amounts of same yarn in 2 contrast colours (06307 and 06352) for embroidery.

Quantities of yarn are approximate as they are based on average requirements. Check actual yarn colour - as printing may not match yarn exactly.

Pair each of 3¼ mm (UK 10) and 4 mm (UK 8) needles.
4 [4, 4, 5, 5, 5] buttons (ref 418 2/B and 0859 5/C).

Tension

22 sts and 30 rows to 10 cm (stocking stitch) on 4 mm needles or size needed to achieve stated tension.

Check your tension before starting your garment. If there are too many stitches to 10 cm, your tension is tight and you should change to a larger size needle. If there are too few, your tension is loose and you should change to a smaller size needle. It is essential to work to the stated tension, and we cannot accept responsibility for the finished product if any yarn other than the specified yarn is used.
