MAKE UP

With a slightly damp cloth and warm iron, press lightly, taking care not to flatten patt. Using back-stitch, join hat seam from beg of shaping to point. With right side facing and using 3.25mm Needles, knit up 35 (38-43-47) sts evenly around neck edge, beg and ending at centre of rib band (ie leaving first 3 cm of rib band free).

Knit 1 row. Cast off knitways.

Fold rib band in half on to right side and catch in position at ends. Using 4 strands of yarn 100 cm long for each, make 2 twisted cords (see below) and attach one to each side of hat. Using cardboard 2.5 cm in diameter with a 1.2 cm hole, make 3 pom-poms (see below) and attach one to point and one each to ends of cords. 🧶

POM-PONS

To make a pom-pom, cut two circles of cardboard, the diameter depends on the size of the pom-pom to be made, and should be equal to the size of the finished pom-pom plus approximately 1.25 cm for trimming, plus the diameter of the centre hole, e.g. for a pom-pom 4 cm across, the circles would be 4 cm, plus 1.25 cm, plus 1.25 cm for centre hole, equals 6.5 cm. Cut a round hole in the centre, the size of the hole is approximately a quarter of the finished pom-pom.

Wind the yarn round and round the cardboard until the centre hole is completely filled up.

Place the point of a pair of scissors between the two circles of cardboard and cut around, keeping the scissors between the cardboard all the time. Using a double strand of yarn, wrap round between the two circles of cardboard, knot firmly, and take away cardboard. Trim pom-pom.

TO MAKE A TWISTED CORD

Method requires two people. Take as many strands of yarn as required, approximately three times the length required for the finished cord. Knot each end and slip a pencil between strands. Each person holds yarn just below pencil with one hand and twists pencil clockwise with other hand, keeping yarn taut. When yarn begins to kink, catch centre over door-knob or back of chair. Bring pencils together for one person to hold, while other grasps centre of yarn, sliding hand down and releasing at short intervals, letting yarn twist. Knot ends to prevent unravelling.

KEY

-  = Chain Stitch
-  = French Knot
-  = Straight Stitch
-  = Lazy Daisy
-  = Stem Stitch

NOTE: Diagrams shown smaller than actual size.

STEM STITCH

Work from left to right, taking regular small stitches along the line of the design. The thread always emerges on the left side of the previous stitch.

CHAIN STITCH

Bring the thread out at the top of the line and hold it down with left thumb. Insert the needle where it last emerged and bring the point out a short distance away. Pull the thread through, keeping the working thread under the needle point.

FRENCH KNOTS

Bring the thread out at the required position, hold the thread down with the left thumb and encircle the thread twice with the needle (A). Still holding the thread firmly, twist the needle back to the starting point and insert it close to where the thread first emerged. Pull thread through to the back and secure for a single French Knot, or pass on to the position of the next stitch (B).

LAZY DAISY STITCH

Work in the same way as Chain Stitch (A), but fasten each loop at the foot with a small stitch (B). This stitch may be worked singly or in groups to form flower petals.
