Your choice of Patons yarns in this booklet

Different Patons yarns give different effects. For this design only the following are suitable, and each will give different characteristics to your finished garment. Check which you want before buying.

Patons Fairytale 3 ply

The ideal yarn for baby knitting – soft, springy and it is machine-washable too. Courtelle/Bri-Nylon blend.

Patons Baby 3 ply Pure Wool

100% Botany – the softest, gentlest wool. Ideal for baby wear. Patonised and shrink resistant.

CAUTION. It is essential to work to the stated tension, and Patons and Baldwins Limited cannot accept responsibility for the finished product if any yarn other than the recommended Patons yarns is used.

Buy the full amount of yarn at one time to avoid variations in dyelots.

Pair each Nos 2½ mm and 3 mm Beehive or Milward needles. Needle sizes quoted are Metric: equivalent UK sizes are No 13 for 2½ mm and No 11 for 3 mm. 4 buttons.

Length of elastic for Pilch.

Check your tension

Cast on 16 sts on No 3 mm needles. Work 20 rows in stocking stitch. Cast off. The square should measure 2 in each way.

If your tension is right in stocking stitch it should be right in any other fabric.

If the square is bigger, your work is too loose; try a size finer needle. If it is smaller, your work is too tight; try a size larger needle.

Any alteration in needle size should be carried throughout the design.
