through holes at neck.

Cut 2 lengths of 16 in. (41 cm) and
slot through holes on sleeves.

Bonnet: Cut 5 lengths of 14 in. (36 cm)
of ribbon and slot through 5 rows of
holes, alternating to give a woven pat-
tern as illustrated. Neaten ends.

Cut 2 lengths of 12 in. (30 cm) of

each side of Bonnet. Press seams.

CROCHET is easy!

No one need be frightened of
Crochet: it is so easy to do, and
once you have got going after a
little practise, you will want to
make all sorts of things for yourself
and family, and the home.

The yarn runs from ball round
little finger and over first 2 fingers,
and the work is held in your left
hand between 1st finger and thumb:
diag. 1.

To start: make a slip loop, several
inches from end of yarn, and slip
on hook (this loop counts as your
first chain).

Continue making the length of
chain stitches you require, i.e.
catch yarn with the hook and pull
it through loop already on hook:
diag. 2.

This is the basic step of Crochet
and you can master it in a few
minutes. It is best to practise with
a fairly thick hook and yarn
(about hook No. 8 and Double
Knitting.)

For your next row, work a
Single Crochet (or Slip Stitch)
through each loop of length of
chain, i.e. pull thread through
next loop of chain then through
loop on hook: diag. 3. (this leaves
one loop on hook).

This is Single Crochet and

1. HOLDING WORK

2. CHAIN

3. SINGLE CROCHET

articles can be made in this stitch.
Note: in crochet, the work always
hangs by one loop on the hook.

After the first row worked into
the foundation length of chain,
you will be working into the stitches
of previous row.

All crochet stitches are develop-
ments of Single Crochet, making a
longer stitch at each stage.

After Single Crochet, the next
stage is Double Crochet: this is

4. DOUBLE CROCHET

5. TREBLE

6. DOUBLE TREBLE

simply Single Crochet with a 2nd
loop pulled through to give a
longer stitch, i.e. draw a loop
through next chain or stitch (2
loops on hook), now draw a loop
through both loops on hook: diag.
4. (this leaves one loop on hook).

Half Treble (not illustrated) is
only a longer Double Crochet —
yarn over hook, draw a loop
through next stitch (3 loops on
hook), draw a loop through 3
loops.

For Treble, yarn over hook,
draw a loop through next stitch,
draw a loop through first two
loops on hook, then draw another
loop through 2 remaining loops.

Double (or long) Treble — yarn
twice round hook, draw a loop
through next stitch, draw a loop
through first 2 loops on hook,
draw a loop through next 2 loops
then draw a loop through remain-
ing loops (1 loop left on hook).

Shapings in Crochet — instruc-
tions for Increasing and Decreas-
ing are always given in the pattern.
As a general rule, to **Increase** —
work 2 stitches into one stitch, or
2 patterns into one space in fancy
patterns.

To Decrease — you miss a stitch
(or pattern) as stated in the
instructions, e.g. miss out a
complete pattern and work into
the next stitch (the gap is usually
crossed with 1, or more slip sts.).

Practise all these **Basic Stitches**
until you have grasped the very
simple principles of Crochet. At
first, beginners have difficulty
with beginning and ending rows,
but the pattern you are following
will give instructions for these.

The rule is broadly that you
miss the 1st stitch (last stitch of
previous row), and work over this
as instructed. At the row ends, you
turn with 1 or 2 chain as instructed,
and this turning ch. usually counts
as the 1st stitch of next row.
