(IT'S ALL ABOUT PATONS 3 PLY BABY YARN)

Patons BOOK 833

Mama
baby.

a.dada ooo.

"Mama, dada, baby, boo!" So you think he's not quite sure of what he's saying, do you? Not at all, he's merely crowing with delight over his romper suit, and feeling terribly smug about his marvellous little cap and bootees. 'Cause there's an absolute flurry in the baby world, and a positive clamour of baby talk. It's all about these baby handknits: for baby's first fashion whirl. There's a gurgle and a goosing, and fingers and toes waving in all directions, because of the excitement over the lacy dress and all the snug little jumpers and cardigans. And they're in full agreement on one matter: for the softest, most cuddlesome baby handknits of all: Patons 3-Ply Baby yarns are just the thing.

OPPOSITE: This cosy matinee jacket has a ribbed yoke and raglan sleeves. The lower half of the body and sleeves are knitted in rows of lacy stitch alternating with tiny rows in a contrasting colour. All the edges are knitted in Garter Stitch. Style No. 8332.

Instructions on page 9.

Patons Feathersoft Baby Nylon. A fine, light yarn that's easy to wash, quick to dry, non-shrink and incredibly long-wearing.

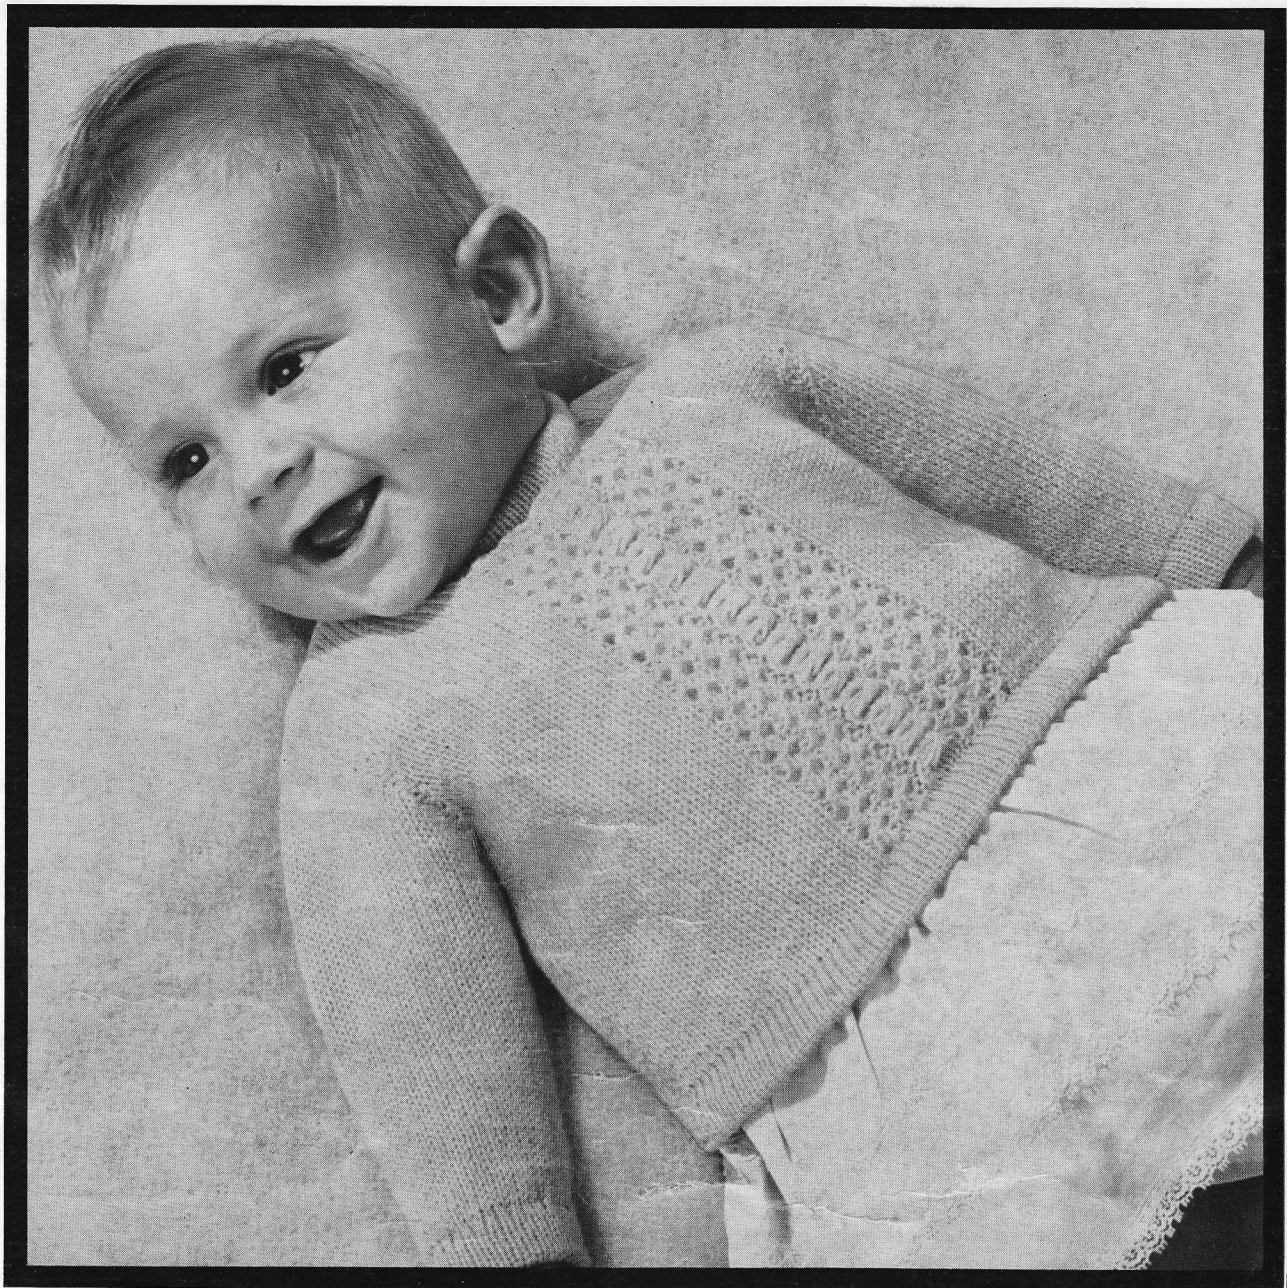

Patons Baby Orlon. Pure Orlon with an outstandingly soft feel—easy to wash, quick to dry and shrink-resistant.

Patons Baby Wool with Bri-Nylon 3-Ply. A no-fuss blend of 80% wool with 20% Bri-Nylon. In six delicate shades, Patonised to resist shrinking. **Patons Baby Wool.** All pure new wool for soft and cuddlesome garments. In natural wool white only. Patonised to resist shrinking. Patons Baby Wool has qualified for the pure new wool symbol of the Australian Wool Board. The symbol guarantees that Patons Baby Wool is pure new wool and that it meets performance standards set by the Wool Board.

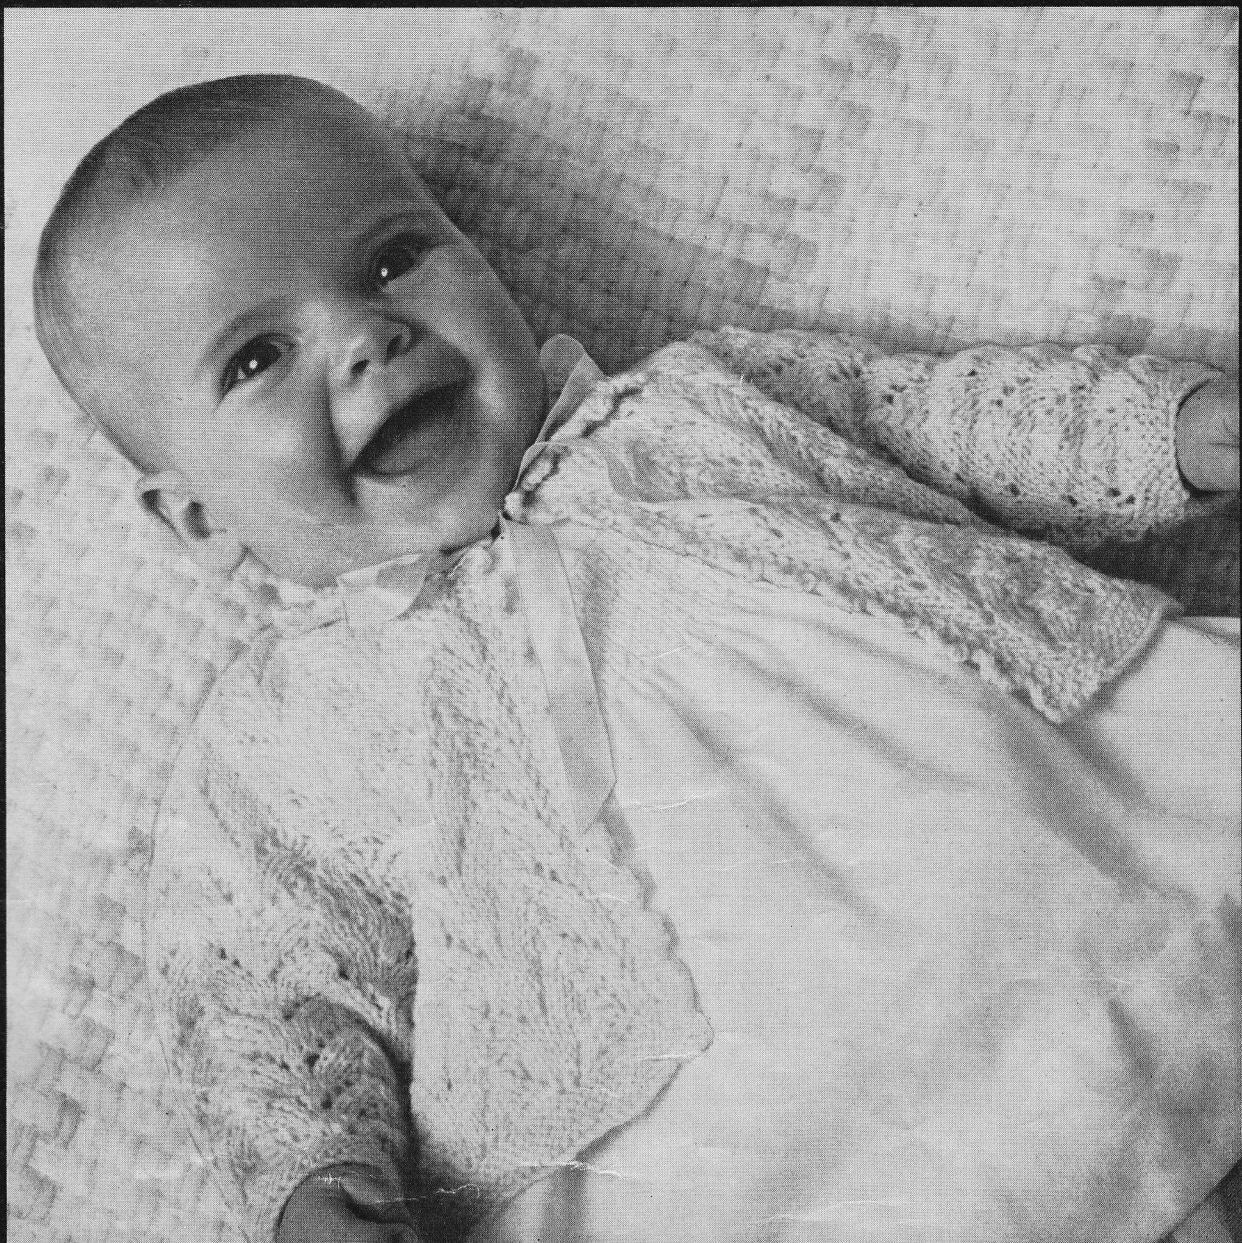

This raglan sleeved cardigan is styled with alternating rows of Garter Stitch and eyelet stitch, giving it a lacy look. It's a medium buttoning style with the front band knitted double in plain smooth fabric and the wrist bands and lower edges ribbed. Style No. 8333.

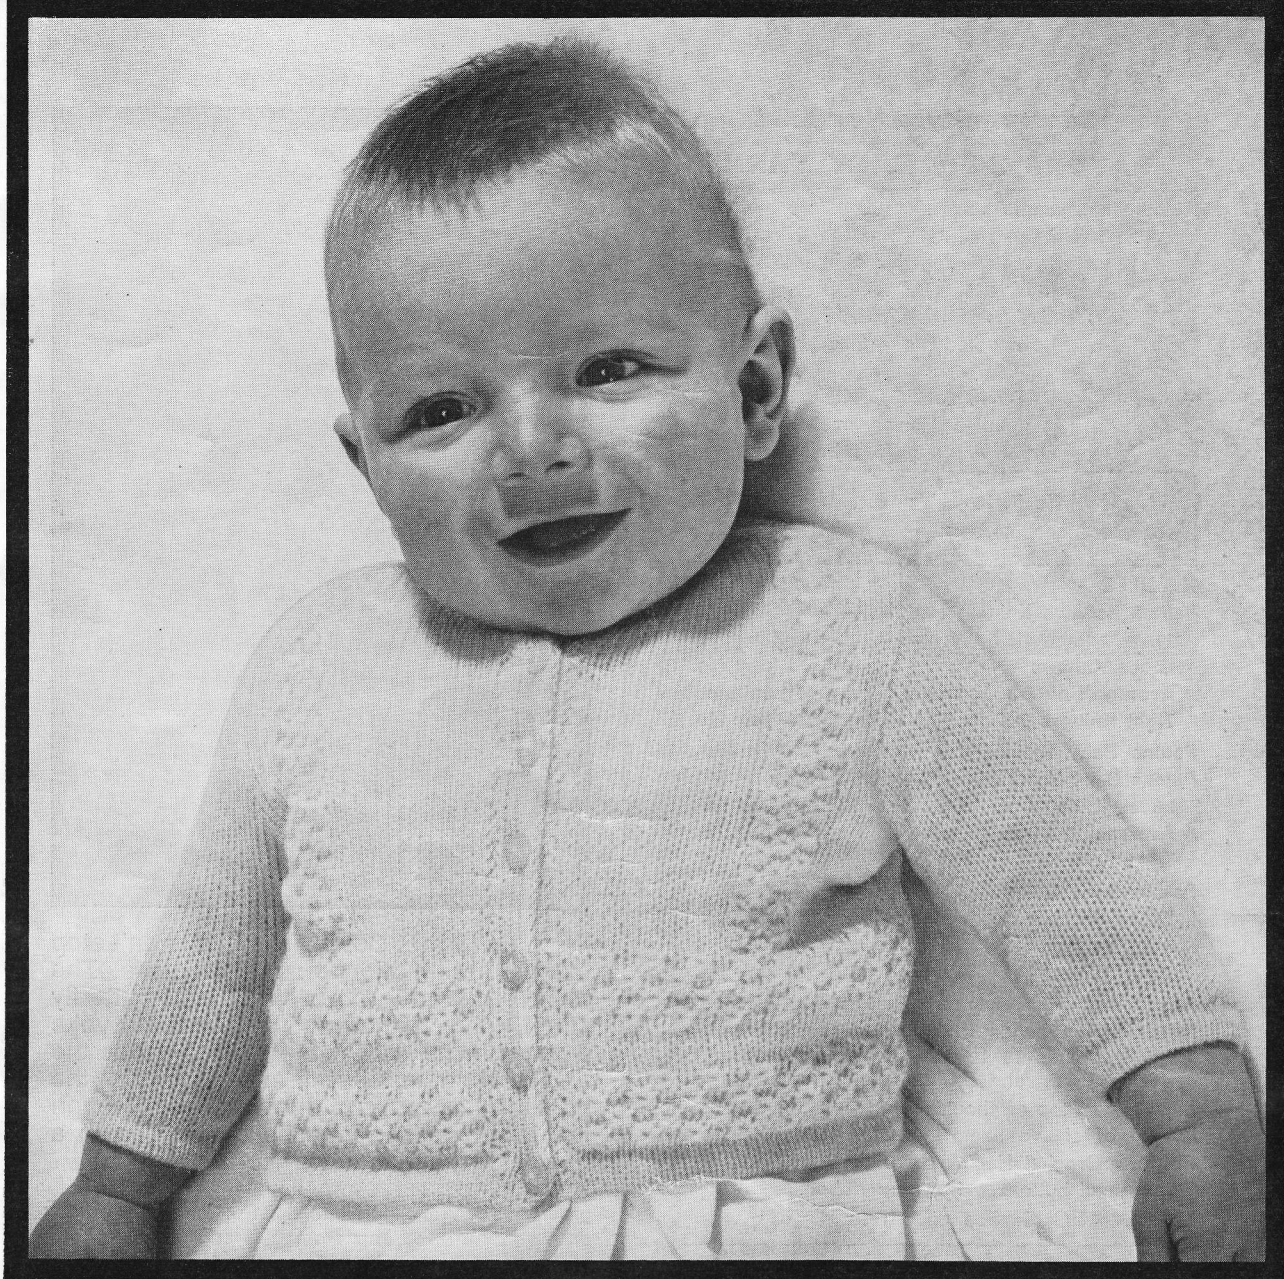

Instructions on page 10.

Panels of knitted Broderie Anglaise down the centre front and back give this jumper a party look. The sleeves are set-in and doubled plain smooth fabric bands edge the hemline, neckline and wrist. There is a three-buttoned opening at the centre back. Style No. 8334.

Instructions on page 11.

This high-buttoning cardigan is also given a pretty look by a band of Broderie Anglaise down each front and two around the lower edge. It's styled with set-in sleeves, has a ribbed front band and neckline and is hemmed at the lower edge and edges of sleeves. Style No. 8336. **Instructions are on page 13.**

IMPORTANT—DYE LOTS!

Always buy enough of the same dye lot at the one time for a complete garment, as a variation between dye lots can occur.

Retain ball bands until the garment is completely knitted, and, in the event of an enquiry concerning the purchase, submit all ball bands.

SUCCESSFUL RESULTS DEPEND ON CORRECT TENSION!

To knit garments you'll be proud of, always make a Tension Test. Correct tension brings out a further benefit of Patons exclusive Patonising process. You'll find your knitteds have maximum resistance to pilling as well as shrinkage. So you're sure of knitteds looking fresh and new through wash after wash.

Tension Test: Before you start knitting, take the yarn and needles specified in the instructions, cast on 20 stitches, work 20 rows in plain smooth fabric. Lightly press work. Check the tension by placing an inch tape across the stitches. Count the exact number of stitches to 2 ins. and compare with the tension given in the instructions. If your tension is too loose, try a size finer needle. If it's too tight, try a size larger needle. If more than one size of needle is recommended in the knitting instructions, and you have altered your needles to correct the tension, corresponding alterations must be made to needles throughout the instructions.
