Caution

It is essential to work to the stated tension, and we cannot accept responsibility for the finished product if any yarn other than the specified yarns is used.

Quantities of yarn are approximate as they are based on average requirements. Check the actual yarn colour—as printing may not match yarn exactly.

We recommend Milward or Susan Bates knitting needles.

Pair No 2¼ mm needles.

No 2¼ mm (length 60 cm) circular pin.

2 buttons for Angel Top.

Length of ribbon for Bonnet.

Tension

On No 2¼ mm needles, 44 sts and 44 rows to 10 cm (Angel Top patt), 31 sts and 62 rows to 10 cm (Bonnet patt).

It is important to check your tension before starting your garment. If there are too many stitches to 10 cm, your tension is tight and you should change to a larger size needle. If there are too few, your tension is loose and you should change to a smaller size needle.
