Kids in Crochet-Land!

A fairy-tale place where even something as simple as a cardigan can look like the fairies have been at it! Scattering flowers all over. Suddenly dresses look as novel as something from a pantomime. What it all amounts to, is that crocheted clothes for kids are new and different. And that's why kids love Crochet-Land!

Totem is pure new wool, Patonised to resist shrinking and keep its shape. Mothproofed. It's a classic yarn and comes in all the colours kids love.

Bluebell is pure new wool with a springy twist that gives an immaculate finish. Patonised and mothproofed. It comes in all the colours of the rainbow—a lot of little girl pinks and big boy blues.

Something warm happens when you and Patons get together.
