Helpful Hints

For best results, be sure to use the yarn recommended in the pattern, and purchase enough of one dye lot to complete your project. It is a good idea to retain ball bands in case of inquiry.

Before you begin to knit check your tension by making a test swatch and adjusting needle sizes, if necessary, to obtain the tension quoted in the pattern.

Inaccurate tension results in a garment too large or too small. Even a variation of half a stitch makes an obvious difference in the finished size. Loose tension can result in the garment losing its shape during wear or laundering.

Before beginning, read the instructions and underline all figures applying to your size.

Note: Never put an iron directly on yarns containing synthetic fibers. If pressing is required before assembly, lay each piece right side down on a clean, flat surface and pin to size using rust proof pins. Cover with a damp cloth and leave to dry.

Washing Instructions

Patons Beehive Baby: Machine wash. Machine dry.

MACHINE WASHING

Do up buttons and turn the garment inside out. Wash the garment or blanket, preferably on its own, with a gentle cycle, using cool water and detergent. Softener may be added to the final rinse. Do not use bleach.

MACHINE DRYING

Tumble dry at low setting. Do not overheat.
