MAKE UP

If making in **Feathersoft**, **DO NOT PRESS**. If making in **Baby Wool**, **3 Ply**, with a slightly damp cloth and warm iron, press lightly. Using back-stitch, sew inset in position, sew up foot and leg seams. Thread ribbon through holes.

TO MAKE A TWISTED CORD

Method requires two people. Take as many strands of yarn as required, approximately three times the length required for the finished cord. Knot each end and slip a pencil between strands. Each person holds yarn just below pencil with one hand and twists pencil clockwise with other hand, keeping yarn taut. When yarn begins to kink, catch centre over door-knob or back of chair. Bring pencils together for one person to hold, while other grasps centre of yarn, sliding hand down and releasing at short intervals, letting yarn twist.
