GENERAL KNITTING INSTRUCTIONS

ALL DESIGNS

Instructions given for 31 cm. (12 inch) Chest, larger sizes given in brackets. Where only one figure is given this applies to all sizes.

Please note that the limitations of the printing process mean that the actual colour will not always precisely match the colours in the photograph.

IMPORTANT

Use ONLY the Peter Pan yarn specified. We cannot accept responsibility for an imperfect garment if any other brand is used.

It is essential to work to the tension stated. The quantities of yarn stated are based on average requirements and are therefore approximate.

TENSION

It is important to check your tension before commencing the garment.

If there are too many stitches to 10 cm., then your tension is tight and you will need to change your hook to a larger size. If there are too few stitches to 10 cm., then your

tension is loose and you will need to change your hook to a smaller size.

Our Knitting Bureau will gladly give any assistance or advice on Peter Pan designs if queries are accompanied by a Peter Pan Ball Band and a stamped addressed envelope.
