IMPORTANT

Use ONLY the Wendy or Peter Pan yarn specified. (We cannot

accept responsibility for an imperfect garment if any other brand is used). Follow our instructions exactly. We advise **every knitter** to check their tension carefully before commencing the garment. All measurements in this design are based on the stated tension therefore it is essential that the correct tension be obtained and maintained throughout the garment to achieve success. We recommend the needle size as the size we have used to obtain the tension **but** as each knitter knits differently it may be necessary for some knitters to change their needle size accordingly.

Check your tension carefully

If there are too many stitches to

the inch then your tension is tight and you will need to change your needle to a larger size. If there are too few stitches to the inch then your tension is loose and you will need to change your needle to a smaller size. Keep measuring your knitting throughout to ensure that you are maintaining correct tension and therefore correct measurements.
