ABBREVIATIONS

K. — Knit; P. — Purl; st(s). — stitch(es); tog. — together; inc. — increase; dec. — decrease; rept. — repeat; beg. — beginning; K.1 below — knit 1 below, insert right hand needle into next st. 1 row below and K. it; y.o.n. — yarn over needle; C.6B. — cable 6 back, sl. next 3 sts onto a cable needle, leave at back of work, K.3, then K.3 from cable needle; patt. — pattern; cm. — centimetres; ins. — inches.

Pan yarn specified. (We cannot accept responsibility for an imperfect garment if any other brand is used.) Follow our instructions exactly. We advise **every knitter** to check their tension carefully before commencing the garment. All measurements in this design are based on the stated tension therefore it is essential that the correct tension be obtained and maintained throughout the garment to achieve success.

We recommend the needle size as the size we have used

to obtain the tension **but** as each knitter knits differently it may be necessary for some knitters to change their needle size accordingly.

Check your tension carefully

If there are too many stitches to the inch then your tension is tight and you will need to change your needle to a larger size. If there are too few stitches to the inch then your tension is loose and you will need to change your needle to a smaller size.

Keep measuring your knitting throughout to ensure that you are maintaining correct tension and therefore correct measurements.

TENSION

22 sts. and 44 rows to 10 cm. (4 ins.) over patt. on 4½ mm. Needles.

When knitting with Spot Print shades the result should be a random colour pattern. If however the knitting starts producing regular patterns or blocks of colour you can break the sequence by starting a new ball of yarn.
