Designed and published exclusively for Carter & Parker Ltd.
by Lyric (Pattern Services) Ltd. Printed in England.

★ Denotes simple design.

All Designs

Instructions given for first size, larger sizes given in brackets. Where only one figure is given this applies to all sizes. Figures or instructions in square brackets should be repeated as stated after the brackets.

Note

Use only the Peter Pan yarn specified. (We cannot accept responsibility for an imperfect garment if any other brand is used). Follow our instructions exactly. We advise **every knitter** to check their tension carefully before commencing the garment. All measurements in these designs are based on the stated tension therefore it is essential that the correct tension be obtained and maintained throughout the garment to achieve success.

We recommend the needle size we have used to obtain the tension but as each knitter knits differently it may be necessary for some knitters to change their needle size accordingly.

Check your tension carefully

If there are too many stitches to the inch then your tension is tight and you will need to change your needle to a larger size. If there are too few stitches to the inch then your tension is loose and you will need to change your needle to a smaller size.

Keep measuring your knitting throughout to ensure that you are maintaining correct tension and therefore correct measurements.

Pressing

Pin out all pieces to measurements given. Press as instructions. Press all seams.
