Infant Fashions to Crochet

BY SUE PENROD

Meet Sue Penrod

Sue Penrod is the designer of these adorable outfits for infants. Because of Sue's expertise in designing crochet, we know you'll find these items of clothing fun and easy to make for a special gift.

Sue has been involved in needlecrafts since childhood. She started out with knitting. But later in her life she had so many unusual ideas for crochet that she started designing and writing crochet project books. She has designed over a dozen crochet project books for Plaid Enterprises, Inc. It seems that her ideas and enthusiasm for needlearts never stops.

Here Sue holds her granddaughter, Amanda, the inspiration for these lovely newborn outfits.

DESIGNER THANKS: Coats & Clark, Susan Bates, Caron Yarn Co.

DEDICATION: This book is dedicated to my beautiful new granddaughter, Amanda Priscilla Tabor.

Gauge

Gauge will vary slightly, depending on how tightly or loosely you crochet. The correct gauge is essential for a proper fit. Do not hesitate to change to a larger or smaller hook size to achieve proper gauge. Larger hook sizes will give you less stitches per

inch. Smaller hook sizes will give you more stitches per inch.

Helps & Hints

- These projects are worked in both rows and rounds. Projects worked in rounds are continuous rounds — DO NOT CHAIN AND TURN — unless otherwise indicated. Use both loops of each, unless otherwise directed; Back Loop (BL), Front Loop (FL).
- To make rnd counting easier, use a small safety pin or piece of yarn in contrasting color to mark the first st or rnd, move marker as you go along or as is needed.
- NOTE: For any small openings at base (under) sleeves, thread needle with matching yarn color, whip stitch to close.
- HINT: To make small pompons, use a kitchen fork, place 6" length of yarn between center tines. Wrap yarn around fork, until full. Tie center yarn around wraps tightly, cut, fluff and trim to shape. Use center tie ends to attach pompon.
- HINT: To use ready made pompons, thread needle with matching color yarn, work needle through center of pompon assembly, leaving yarn ends long enough to attach pompon.
- Zipper: Carefully pin zipper in place, using matching thread, sew zipper in place with Back Stitch (see Back Stitch instructions).
- NOTE: Approximate material amounts have been given for size Newborn to 3 Months. When you are buying your materials for projects, be sure you have all the same dye lot numbers of each color needed to complete the project. Dye lot number is located on yarn wrapper. Keep this number handy in the event you need to purchase more yarn.
- TO SHORTEN SEPARATING ZIPPER: Measure garment for required length, thread needle with zipper color matching thread. Whip stitch over zipper teeth as many times as is needed to keep zipper slider from slipping off the end of the zipper. Repeat the same to the other side of the zipper. Cut off excess zipper length. Sew zipper into garment using the Back Stitch. HINT: To help assure zipper ends being even, close zipper, pin both sides in place — DO NOT STRETCH CROCHET. Back Stitch to attach.

Making Pompons

Cut two cardboard circles in the diameter of your desired finished pompon size. Cut an approximate 1/2" hole into the centers.

Thread tapestry needle with yarn approximately six feet long, doubled. Holding circles together, wrap yarn around form. Add as much yarn as is needed to cover form completely.

Carefully cut yarn at the outside edge of form between the circles.

Carefully separate forms. Cut two pieces of matching yarn, approximately 12" long. Tie yarn around the center, tightly. Remaining ends will be used to attach pompon. Remove circles.

Holding ends, shake to fluff and shape. If needed, trim to shape.

SMALL POMPONS: Using a kitchen fork, place 6" length of yarn between center tines. Wrap yarn around fork until full. Tie center yarn around wraps tightly, cut, fluff and trim to shape.

Making Tassels

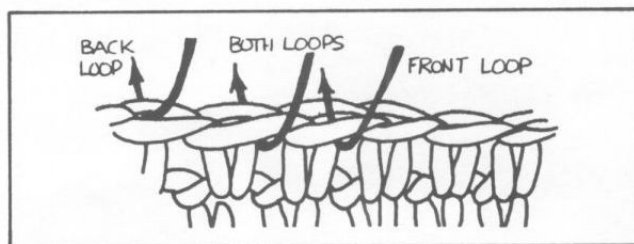

Cut a piece of cardboard approximately 3" wide by the desired length of your tassel. Wrap yarn — lengthwise — around cardboard.

With matching yarn color, slip piece of yarn under yarn wraps, tying yarn together. These ends will be used to attach tassel. Slip yarn wraps off card. With second piece of matching yarn, tie approximately 1" from top.

Slip scissors through yarn wrap loops and cut. Shake tassel to fluff. Trim off any uneven ends. Attach tassel.
