CROCHET

Baby Dolls & Afghans

INTRODUCTION

The Precious Moments® family of lovable, huggable crocheted dolls is growing, and this new arrival is sure to tug at your heartstrings! Are you hoping for a boy ... a girl ... or how about twins? The choice is yours! The posable doll body can be topped with one of two styled hairpieces; one's for a boy, the other's for a girl. Baby's outfit — crocheted in blue and white or in pink and white — includes a shirt, a diaper, and a pair of shoes.

The dolls are made using basic crochet and embroidery techniques. But, like most babies, these tiny tots require a few special items, so be sure and check the supply list before starting. Our step-by-step instructions combine with easy-to-understand figures and charts to help you recreate the lifelike detail that makes Precious Moments' products so popular. And for your own "real live" baby dolls, we've also included four adorable baby afghans in complementary colors. Have fun!

GAUGE

Exact gauge is **essential** for proper size and fit. Before beginning your project, make the sample swatch given in the individual instructions in the yarn and hook specified. After completing the swatch, measure it, counting your stitches and rows carefully. If your swatch is larger or smaller than specified, **make another, changing hook size to get the correct gauge.** Keep trying until you find the size hook that will give you the specified gauge.

MARKERS

Markers are used to help distinguish the beginning of each round being worked. Place a 2" scrap piece of yarn before the first stitch of each round, moving marker after each round is complete.

JOINING WITH SC

When instructed to join with sc, begin with a slip knot on hook. Insert hook in stitch or space indicated, YO and pull up a loop, YO and draw through both loops on hook.

BACK RIDGE

Work only in loops indicated by arrows (Fig. 1).
