GAUGE

When crocheting with a steel hook, work near the tip of the hook in order to achieve the small gauge. Exact gauge is **essential** for proper size and fit. Before beginning your project, make the sample swatch given in the individual instructions in the thread and hook specified. After completing the swatch, measure it, counting your stitches and rows carefully. If your swatch is larger or smaller than specified, **make another, changing hook size to get the correct gauge**. Keep trying until you find the size hook that will give you the specified gauge.

MARKERS

Markers are used to help distinguish the beginning of each round being worked. Place a 2" (5 cm) scrap piece of thread before the first stitch of each round, moving marker after each round is complete. Remove marker when no longer needed.

JOINING WITH SC

When instructed to join with sc, begin with a slip knot on hook. Insert hook in stitch or space indicated, YO and pull up a loop, YO and draw through both loops on hook.

BACK RIDGE

Work only in loops indicated by arrows (Fig. 1).

Fig. 1

TOP LOOP OF A CHAIN

When instructed to work in Top Loop Only of a chain, work in loop indicated by arrow (Fig. 2).

Fig. 2

BACK OR FRONT LOOP

Work only in loop(s) indicated by arrow (Fig. 3).

Fig. 3

FREE LOOPS

After working in Back or Front Loops Only on a row or round, there will be a ridge of unused loops. These are called the free loops. Later, when instructed to work in the free loops of the same row or round, work in these loops (Fig. 4a).

When instructed to work in free loops of a chain, work in loop indicated by arrow (Fig. 4b).

EMBROIDERY

STRAIGHT STITCH

Straight Stitch is just what the name implies, a single, straight stitch. Come up at 1 and go down at 2 (**Fig. 6**). Stitches may fit close together, and be different lengths. They may be worked side by side or in an irregular manner. The stitches should not be too long or too loose.

Fig. 6

FRENCH KNOT

Bring needle up at 1. Wrap thread desired number of times around the needle and insert needle at 2, holding end of thread with non-stitching fingers (**Fig. 7**). Tighten knot; then pull needle through, holding thread until it must be released.

Fig. 7

BACKSTITCH

The backstitch is worked from right to left. Come up at 1, go down at 2 and come up at 3 (**Fig. 8a**). The second stitch is made by going down at 1 and coming up at 4 (**Fig. 8b**). Continue in same manner.

Fig. 8a

Fig. 8b

LAZY DAISY STITCH

Make all loops equal in length. Bring needle up at 1 and make a counterclockwise loop with the thread. Go down at 1 and come up at 2, keeping the thread below the point of the needle (**Fig. 9**). Secure loop by bringing thread over loop and down at 3. Repeat for number of petals indicated.
